Chaplain Jeff Pustelak, United States Navy (Ret.), of West Bloomfield offered the following invocation:

Almighty God, we approach Your throne of grace today with humble hearts, acknowledging our dependence on You and Your wisdom; giving thanks for the freedom that You have blessed us with. Your Word says that all petitions, prayers, intercession, and thanksgiving should be made for all people—for kings and all those in authority—that we may live peaceful and quiet lives in all godliness and holiness.

So, Father, I pray specifically for these chosen men and women, that today and every day, they would seek Your wisdom, and the decisions that are made here would be based on truth and for the good of the people. Grant that the power that has been entrusted to this Senate by You and a free people be used with wisdom and integrity. May the confidence of these men and women not be seen as arrogance or turn into pride. May they ever remember the good intentions that led them to seek their positions, and may they seize the opportunities of every day to make a lasting difference for the people of the state of Michigan.

Dear God, we acknowledge that our freedom was paid for by the sacrifices of many. Remind the people of this state and nation of freedom's cost. God, we pray that You would strengthen and protect our military, police, firefighters, and all who choose to serve their fellow citizens. Support them in times of strife, and bless them with rest in times of peace. Give them courage and loyalty, and grant that in all things they may serve with honor.

Instill in each of us an understanding of the responsibility we have to future generations, and give us the courage to commit to creating a positive legacy from this moment forward. We ask all this in Your precious name. Amen.

The President pro tempore, Senator Schuitmaker, led the members of the Senate in recital of the *Pledge of Allegiance*.

**Senate Resolution No. 132.**

A resolution designating April 2014 as Michigan Student Athlete Cardiac Awareness Month.

Whereas, The state of Michigan has lost at least 58 students to sudden cardiac arrest and related causes since December 1999; and

Whereas, The students lost include 15-year-old Kimberly Anne Gillary, a student of Troy Athens High School, who suffered a sudden cardiac arrest in a high school water polo game at Birmingham Groves High School on April 1, 2000; Kayla Stanford, a student at Ypsilanti East Middle School, who suffered a cardiac arrest after completing track practice on March 29, 2006; Thomas Noah Smith, a student of Flushing High School, who suffered a sudden cardiac arrest on January 29, 2011; and Wes Leonard, a student at Fennville High school, who suffered a sudden cardiac arrest after scoring the winning basket in a basketball game on March 4, 2011; and

Whereas, The families of Kimberly Anne Gillary, Kayla Stanford, Thomas Noah Smith, and Wes Leonard have established foundations (the "Foundations") in the memory of their lost sons and daughters to try to prevent other families from losing children to sudden cardiac arrest at school; and

Whereas, The Foundations have donated more than 750 automated external defibrillators (AEDs) to high schools and intermediate schools in the state of Michigan and have provided training to teachers and staff on the use of an AED and in CPR; and

Whereas, Approximately 75 percent of all Michigan high schools now have at least one AED on site due to the efforts of the Foundations established by the families; and

Whereas, There have been at least seven lives saved at Michigan schools, including six students, as a result of AEDs donated by the Foundations and other concerned organizations; and

Whereas, As a result of the efforts of the Foundations, the Michigan Department of Community Health (MDCH), and the Michigan High School Athletic Association (MHSAA), there is increased awareness of the importance of more effective pre-participation screening of our high school student athletes and having AEDs readily available in our high schools; and

Whereas, The Foundations have worked with the Michigan Department of Community Health to develop the MI HEARTSafe School program to encourage Michigan high schools to receive certification as a Michigan HEARTSafe School; and

Whereas, The Michigan Legislature has enacted legislation to amend MCL 29.19, 2014 PA 12, to require the governing body of any school in Michigan that operates any of grades kindergarten to 12 to adopt and implement a cardiac emergency response plan for the school; and

Whereas, Governor Snyder signed the law on February 25, 2014, thereby establishing that it is the public policy of the state of Michigan that schools be adequately prepared to respond to a cardiac emergency on school property; now, therefore, be it

Resolved by the Senate, That April 2014 is hereby designated as Michigan Student Athlete Cardiac Awareness Month; and be it further

Resolved, That the people of the state of Michigan are encouraged to become more aware of the importance of improved pre-participation screening of our student athletes and the preparedness of our citizenry and public employees to respond to the sudden cardiac arrest of our sons and daughters while entrusted to our public schools in the course of their education; and be it further

Resolved, That the State Board of Education be urged to include provisions in policies and regulations for AED training in student health education courses and for regular AED drills, so that students and staff will be better prepared to use AEDs to save lives in schools and other public places; and be it further

Resolved, That the State Board of Education advise schools to facilitate the education of students and their families to identify situations where students may be at risk; and be it further

Resolved, That copies of this resolution be transmitted to The Kimberly Anne Gillary Foundation, The KAYLA Foundation, the Thomas Smith Memorial Foundation, the Wes Leonard Heart Team, the Michigan Department of Community Health, the Michigan High School Athletic Association, and the State Board of Education as a symbol of our support.

Senators Anderson, Green, Hopgood, Hunter, Jones, Kowall and Richardville were named co-sponsors of the resolution.

Senator Ananich offered the following resolution:

**Senate Resolution No. 133.**

A resolution commemorating May 2014 as Motorcycle Safety Awareness Month in the state of Michigan.

Whereas, Michigan has 237,719 registered motorcycles and 480,274 individuals who have operator licenses with a motorcycle endorsement; and

Whereas, The safe operation of a motorcycle requires the use of special skills developed through a combination of training and expertise and the use of good judgment, plus a thorough knowledge of traffic laws and licensing requirements; and

Whereas, The use of proper protective riding apparel is an important part of a motorcycle operator's responsibility; and

Whereas, Motorcycle safety awareness promotion is a cooperative effort to decrease the number of injuries and fatalities associated with motorcycling; and

Whereas, The promotion of motorcycle rider education programs available through the Michigan Department of State, including recommendations that operators wear the proper gear in addition to driving their vehicles defensively and cautiously, is intended to reduce the number of crashes; and

Whereas, The emergence of spring is synonymous with the return of motorcycle mavens to our state's roadways. Throughout Michigan, motorcyclists have been on the cutting edge of promoting the wise and sensible use of this enjoyable mode of travel. Indeed, the disproportionate number of motorcycle fatalities makes it vitally important to encourage motorcyclists to understand and practice the highest degree of safety. It is also important to remind other drivers that highway safety is beneficial to all parties traveling on public roadways; and

Whereas, Motorcycle Safety Awareness Month encourages motorcycle operators to don proper protective riding attire; maintain their motorcycles at a high level of safe operating conditions; abide by the laws of the road; and implement operating techniques providing an additional standard of safety. Additionally, car and truck drivers are informed of the fact that motorcyclists are resuming their travels on our public roadways, and each is encouraged to be exceptionally vigilant and watchful when approaching or passing a motorcycle on the highway; now, therefore, be it

Resolved by the Senate, That the members of this legislative body declare May 2014 as Motorcycle Safety Awareness Month in the state of Michigan. We encourage all of Michigan's citizens to participate in the aims and goals of this effort.

Senators Anderson, Bieda, Brandenburg, Green, Hansen, Hopgood, Hunter, Jones, Kowall, Marleau, Proos and Richardville were named co-sponsors of the resolution.

### **Statements**

Senators Caswell and Johnson asked and were granted unanimous consent to make statements and moved that the statements be printed in the Journal.

The motion prevailed.

Senator Caswell’s statement is as follows:

To the members of the chamber, I would like to feed back some information to you on a bill that I think most of you supported a year ago. That bill was to extend foster care to kids up to the age of 21, if they were going to school and trying to better themselves. I am very happy to announce that because of this particular bill that you all helped pass, one of the earliest individuals who was involved with it has now been accepted at Harvard Medical School. That’s the kind of impact that you’ve had on individuals.

Senator Johnson’s statement is as follows:

Colleagues, I rise today to address this body’s ongoing consideration of passing House Bill No. 4369, expanding the failed Education Achievement Authority, and to share some important information from the real teachers and parents who are already being adversely affected by it.

Since Republican legislators are considering expanding the EAA without taking the time to hear from those individuals, my colleagues—both Senator Hopgood and Senator Young—and I decided to hold a special hearing of our own this

morning to indeed take testimony from teachers, experts in education, current and former EAA teachers and faculty, and the guardian of an EAA student. What we heard today was alarming but not surprising. Considering the avalanche of bad press the EAA has been getting over the past year, from student abuse and bad test scores to inflated executive salaries and financial mismanagement, everyone in this room and in this building should be aware of the numerous and growing problems with the EAA. Yet our Republican colleagues continue to disregard the EAA's failures and blindly push towards expansion.

While you meet behind closed doors and try to get the votes, you're still missing the real issues people are concerned about; issues we heard about today. We heard about the drastic, almost inconceivable decline in MEAP proficiency. We heard about physical student abuse. We heard about deplorable disregard for special education and individual student needs. We heard about untrained, exploited, and ignored teachers. We heard about a systemic lack of education resources, from everything as basic as paper and pencils as well as computers. We heard about flagrant dismissal of protocols, rules, teacher concerns, parental complaints, and student needs. Throughout, we heard about millions in financial resources that have been supposedly committed to EAA schools that never made it to the classrooms, seeming instead to disappear into someone's pockets.

Does this sound like a program that should be continued, let alone be expanded? I don't think so, and I urge my colleagues across the aisle to abandon House Bill No. 4369 and the ill-advised expansion of the floundering EAA.
