Pastor David Pierce of First Baptist Church of Coldwater offered the following invocation:

Our heavenly Father, You have told us in Your word, the Holy Scriptures, that if anyone lacks wisdom to ask it of You, and You will provide wisdom, understanding, and insight. As this body gathers and deliberates today, we would ask that wisdom from above be granted as they wrestle with issues and matters that are complicated and defy easy solutions; and as different opinions and approaches abound.

As our nation was born over 200 years ago and as our founders took time and deliberately, through prayer and supplication, sought wisdom from above, may we continue to display the same faith and determination today to trust You for solutions and help from above.

Father, I ask for Your blessing on the men and women elected to these high and important offices. Bless them and their families, and help them to be a blessing to the people who sent them here. Bless their staff members and all who serve this great state here in our Capitol.

It is in the name of Your Son, our Lord and Savior Jesus Christ, I pray. Amen.

The Assistant President pro tempore, Senator Hansen, led the members of the Senate in recital of the *Pledge of Allegiance*.

The Senate agreed to the title of the bill.

Senator Moolenaar asked and was granted unanimous consent to make a statement and moved that the statement be printed in the Journal.

The motion prevailed.

Senator Moolenaar's statement is as follows:

Today, if you have an injury that requires physical therapy, you would have to wait to see your family doctor to get a referral slip to see a physical therapist. Depending on how busy your family doctor is, this process could take a while, sometimes even weeks. Even if you wanted to pay out of pocket for the therapy, you would still need a prescription.

The legislation before you today would bring Michigan into line with the rest of the nation. Currently, 48 other states already have some form of direct access to physical therapy. The 49th state, Oklahoma, has legislation which at present has passed both chambers of their Legislature.

Under this proposal, Michiganders would be able to visit a physical therapist a total of 10 times over a 21-day period without a prescription. This would be the maximum. This package also contains four pieces of legislation that would allow employers under the worker's compensation act and insurance providers under the insurance code and the Prudent Purchaser Act to determine as a matter of policy if they are going to continue to require a prescription for all covered services.

At a time when we as a state face a shortage of primary care physicians, studies have shown that the cost for patients who self-refer to physical therapy is lower. I urge my Senate colleagues to vote "yes" on this legislation.

Statements

Senator Pappageorge asked and was granted unanimous consent to make a statement and moved that the statement be printed in the Journal.

The motion prevailed.

Senator Pappageorge's statement is as follows:

The other day we passed a resolution with regard to PTSD, and we didn't give it enough attention, in my opinion, so I am hoping to correct that today. Over 2 million U.S. service members have deployed as part of overseas contingency operations since September 11, 2001. Many of these soldiers are at high risk of suffering a post-traumatic stress injury as a result of multiple deployments, an unprecedented operational tempo, and exposure to traumatic and life-threatening events. More than 500,000 veterans have received treatment for PTSI.

The U.S. Department of Defense and Department of Veterans Affairs have worked diligently to prevent, diagnose, and treat it because it is treatable. We urge the Michigan Veterans Affairs Agency and the Adjutant General to continue their efforts to educate and treat these injuries.

Recess

Senator Meekhof moved that the Senate recess subject to the call of the Chair.
