Pastor Christopher Troxel, Associate Pastor of Trinity Lutheran Church in Utica, offered the following invocation:

“O God,

You give us life, breath, and purpose. From the time life began, You fill the world with light and peace. You make this light, this peace, Your love known to us in Jesus - to some an example, and to others Savior. Through Him You show us Your purpose in this life.

Bless these men and women representing Michigan today. Guide them as they reflect Your justice, freedom, and mercy to those they represent, to all others in this country, and the world. Overwhelm them with all they need to be faithful agents in this government at this moment in history. Move in them to be Your agents of justice and mercy, carrying out Your purpose as together we live, breath, and in all things: love. In Your name, Amen.”

The Speaker called Associate Speaker Pro Tempore Glenn to the Chair.

Motions and Resolutions

Reps. Rendon, Faris, Bizon, Liberati, Theis, Green, Wittenberg, Kahle, Greig, Allor, Canfield, Chirkun, Gay-Dagnogo, Jones, Lasinski, Maturen, Sabo, Sneller, Sowerby, Webber and Whiteford offered the following resolution:

House Resolution No. 260.

A resolution to declare March 2018 as Endometriosis Awareness Month in the state of Michigan.

Whereas, Endometriosis is a disease of the female reproductive system. Endometriosis occurs when tissue similar to that normally found in the uterus begins to grow outside of the uterus, leading to chronic, debilitating pelvic pain; and

Whereas, Endometriosis is a leading cause of female infertility. Endometriosis affects 1 in 10 women of childbearing age in the United States. There is an average of a 10 year delay from the onset of symptoms to the final diagnosis of endometriosis; and

Whereas, American endometriosis patients were hospitalized 105,123 days in 2010 because of their disease. Women with endometriosis can lose 11 hours per work week through lost productivity and absenteeism due to pain. Fifty-one percent of endometriosis patients report that their condition detrimentally affects their job; and

Whereas, The estimated total annual societal burden of endometriosis-related symptoms in the U.S. is \$56 billion, or \$10,824 per patient; and

Whereas, There is no cure for endometriosis. More research is necessary to develop treatment options to manage this debilitating disease. Education is important for promoting awareness of symptoms and early detection and diagnosis of endometriosis; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare March 2018 as Endometriosis Awareness Month in the state of Michigan.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Kesto, Canfield, Gay-Dagnogo and Jones offered the following resolution:

House Resolution No. 261.

A resolution to urge a bilateral free trade agreement between the United States and the Republic of China and reaffirm our support for increasing their international visibility.

Whereas, The state of Michigan and the Republic of China (Taiwan) have enjoyed a relationship marked by strong bilateral trade, education, cultural exchanges, and tourism. Taiwan shares many of the same values—freedom, democracy, human rights, the rule of law, peace, and prosperity—with the United States and the state of Michigan; and

Whereas, The United States and Taiwan are important trading partners. The United States ranks as Taiwan’s 2nd largest trading partner, and Taiwan is the 10th largest trading partner of the United States. Together, trade between our two nations accounted for \$65.4 billion in 2016; and

Whereas, Taiwan and the state of Michigan have enjoyed a long and mutually beneficial trading relationship with the prospect of future growth. The nation was Michigan’s 6th largest Asian export market in 2016, which amounted to \$299 million in Michigan goods being exported to Taiwan; and

Whereas, Strengthening bilateral trade between our countries is important. This trade agreement will increase Michigan’s exports to Taiwan, create bilateral investment, and grow technical collaboration through tariff reduction and other trade facilitation measures; and

Whereas, Taiwan has undertaken a policy of “steadfast diplomacy” in its international relations to the benefit of us all. Taiwan is a responsible actor who engages collaboratively with the global community to address challenges like humanitarian aid and disease control; and

Whereas, Taiwan’s participation in international organizations—including the World Health Assembly, International Civil Aviation Organization, and INTERPOL—benefits not just the people of Taiwan but also the international community as a whole. Through increased communication and accomplishing shared goals, gained through a non-exclusionary approach to global participation, Taiwan and the world are strengthened; now, therefore, be it

Resolved by the House of Representatives, That we urge a bilateral free trade agreement between the United States and the Republic of China and reaffirm our support for increasing their international visibility; and be it further

Resolved, That copies of this resolution be transmitted to the Taipei Economic and Cultural Office in Chicago, Illinois, and the members of the Michigan congressional delegation.

The resolution was referred to the Committee on Commerce and Trade.
