**STATE OF MICHIGAN
99TH LEGISLATURE
REGULAR SESSION OF 2017**

Introduced by Senators Pavlov and Green

ENROLLED SENATE BILL No. 402

AN ACT to amend 1994 PA 451, entitled "An act to protect the environment and natural resources of the state; to codify, revise, consolidate, and classify laws relating to the environment and natural resources of the state; to regulate the discharge of certain substances into the environment; to regulate the use of certain lands, waters, and other natural resources of the state; to protect the people's right to hunt and fish; to prescribe the powers and duties of certain state and local agencies and officials; to provide for certain charges, fees, assessments, and donations; to provide certain appropriations; to prescribe penalties and provide remedies; and to repeal acts and parts of acts," by amending section 5204e (MCL 324.5204e), as amended by 2016 PA 164.

The People of the State of Michigan enact:

Sec. 5204e. (1) In addition to other requirements of this part, the grant program shall provide grants to municipalities for sewage collection and treatment systems or stormwater or nonpoint source pollution control as provided for in this section.

(2) The grant program is subject to all of the following:

(a) The grant program shall provide grants to a municipality in accordance with the following:

(i) Subject to subparagraph (iii), for total grants of up to \$1,000,000.00, not more than 90% of the costs incurred by the municipality.

(ii) Subject to subparagraph (iii), for total grants of more than \$1,000,000.00, not more than 90% of the costs incurred by the municipality for up to \$1,000,000.00 of the grant amount and not more than 75% of the remaining costs incurred by the municipality for the balance of the grant amount.

(iii) If any of the following conditions are met, a grant may be issued to cover 100% of the costs incurred by the municipality:

(A) The municipality is a disadvantaged community as defined in section 5301.

(B) The municipality is in receivership.

(C) The municipality is operating under an emergency manager or an emergency financial manager appointed under state law.

(D) The municipality is operating under a consent agreement as provided under the local financial stability and choice act, 2012 PA 436, MCL 141.1541 to 141.1575.

(b) A grant may be used for 1 or more of the following purposes:

(i) Development of an asset management program for a sewage collection and treatment system or a stormwater system. For sewage collection and treatment systems, the program shall include the development of a funding structure and implementation schedule that provides sufficient resources to implement the program. The municipality shall coordinate, as feasible, with other infrastructure activities in the same geographic area. In addition, a disadvantaged community may expend not more than \$500,000.00 in grant funds to implement projects identified in the asset management program.

(ii) Development of management plans for the treatment of stormwater.

(iii) Planning and design of a sewage treatment works project or stormwater treatment project as defined in section 5301(n) or (o) or planning and design of construction activities designed to reduce nonpoint source pollution.

(iv) Project costs of a municipality related to the testing and demonstration of innovative wastewater and stormwater technologies approved by the department.

(v) For projects to address a substantial public health risk from treatment system failure, up to 50% of the project costs related to the planning, design, and construction of a sewage collection and treatment system. To be eligible for a grant under this subparagraph, a municipality shall apply on or after June 1, 2016, meet criteria developed by the department, and provide a demonstration of financial need, including an economic feasibility study with which the department of treasury concurs. Construction funding under this subparagraph shall not exceed \$10,000,000.00 and shall be allocated from wetland mitigation bank funding authorized in section 5204f(1).

(c) The local match is not eligible for loan assistance from the state water pollution control revolving fund or the fund.

(d) Grant funds shall not be used for general local government administrative activities or activities performed by municipal employees that are unrelated to the project.

(e) A municipality shall not receive more than \$2,000,000.00 in grant assistance for purposes described in subsection (2)(b)(i) to (iv) and not receive more than \$2,000,000.00 in grant assistance for the purposes described in subsection (2)(b)(v).

(3) The department shall establish an application and review process for considering grant applications under this section. The application shall contain the information required by the department and the authority. Within 60 days after receipt of an application, the department shall publish notice of the application on the department's calendar. Within 120 days after receipt of an administratively complete grant application, the department shall, in writing, notify the applicant whether the application is approved or rejected. If the department approves a grant under this section, the department and the authority shall enter into a grant agreement with the recipient prior to transferring funds. The grant agreement shall contain terms established by the department and the authority, including both of the following:

(a) A requirement that a grant recipient proceed with a project for which grant funding is provided within 3 years after the department approves the grant. For asset management programs related to sewage collection and treatment systems, this includes significant progress, as determined by the department, toward achieving the funding structure necessary to implement the program.

(b) A requirement that the grant recipient repay the grant, within 90 days of being informed to do so, with interest at a rate not to exceed 8% per year, to the authority for deposit into the fund if the applicant is unable to, or decides not to, proceed with a construction project or begin implementation of an asset management program for which grant funding is provided.

(4) For each year in which the department receives grant applications under this section, the department shall report by October 1 of that year to the standing committees of the senate and the house of representatives with primary jurisdiction over issues pertaining to natural resources and the environment and to the senate and house of representatives appropriations committees on the utilization of funds under this part that were received from the Great Lakes water quality bond fund created in section 19706. The report shall include, at a minimum, all of the following:

(a) The number of grant applications received under this section.

(b) The name of each municipality applying for a grant.

(c) The type of project being funded for each grant awarded.

(d) The number of users potentially affected by each grant awarded.

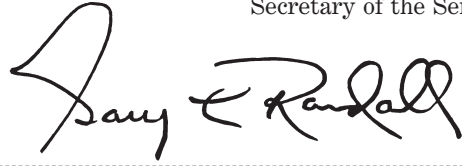

(e) The amount of the local match for each grant awarded.

(f) The individual and annual cumulative amount of grant funds awarded, including an identification of whether each award was for the purpose of applying for assistance from the state water pollution control revolving fund or the fund.

This act is ordered to take immediate effect.
