*The People of the State of Michigan enact:*

Sec. 1. (1) A person who is a resident of this state may apply to the department of state for an official state personal identification card. Upon application, the applicant shall supply a photographic identity document, a birth certificate or other nonphotographic identity document, and other sufficient documents as the secretary of state may require to verify the identity and citizenship of the applicant. If an applicant for an official state personal identification card is not a citizen of the United States, the applicant shall supply a photographic identity document and other sufficient documents to verify the identity of the applicant and the applicant’s legal presence in the United States under subsection (5). The documents required under this subsection must include the applicant’s full legal name, date of birth, address, and residency and demonstrate that the applicant is a citizen of the United States or is legally present in the United States. If the applicant’s full legal name differs from the name of the applicant that appears on a document presented under this subsection, the applicant shall present documents to verify his or her current full legal name. An application for a state personal identification card must be made in a manner prescribed by the secretary of state and must contain the applicant’s full legal name, date of birth, residence address, height, sex, eye color, signature, intent to be an organ donor,

other information required or permitted on the official state personal identification card and, only to the extent to comply with federal law, the applicant's Social Security number. The applicant may provide a mailing address if the applicant receives mail at an address different from his or her residence address. For automatic voter registration purposes under section 493a of the Michigan election law, 1954 PA 116, MCL 168.493a, an applicant for an official state personal identification card must indicate on the application or change of address application whether he or she is a citizen of the United States. An application must allow the applicant to indicate that the applicant declines to use the application as a voter registration application.

(2) The secretary of state shall accept as 1 of the identification documents required under subsection (1) an identification card issued by the department of corrections to prisoners who are placed on parole or released from a correctional facility, containing the prisoner's legal name, photograph, and other information identifying the prisoner as provided in section 37(4) of the corrections code of 1953, 1953 PA 232, MCL 791.237.

(3) The secretary of state shall have electronic access to prisoner information maintained by the department of corrections for the purpose of verifying the identity of a prisoner who applies for an official state identification card under subsection (1).

(4) The secretary of state shall not issue an official state personal identification card to a person who holds an operator's or chauffeur's license issued under the Michigan vehicle code, 1949 PA 300, MCL 257.1 to 257.923, unless the license has been suspended, revoked, or restricted.

(5) If the applicant is not a citizen of the United States, the applicant shall provide, and the department shall verify, documents demonstrating his or her legal presence in the United States. Nothing in this act shall obligate or be construed to obligate this state to comply with title II of the real ID act of 2005, Public Law 109-13. The secretary of state may adopt rules under the administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to 24.328, as are necessary for the administration of this subsection. A determination by the secretary of state that an applicant is not legally present in the United States may be appealed under section 631 of the revised judicature act of 1961, 1961 PA 236, MCL 600.631. The secretary of state shall not issue an official state personal identification card to an applicant described in this subsection for a term that exceeds the duration of the applicant's legal presence in the United States.

(6) The secretary of state shall not disclose a Social Security number obtained under subsection (1) to another person except for use for 1 or more of the following purposes:

(d) As otherwise required by law.

(7) The secretary of state shall not display a person's Social Security number on the person's official state personal identification card.

(10) The secretary of state shall not issue an official state personal identification card to a person holding an official state personal identification card issued by another state without confirmation that the person is terminating or has terminated the official state personal identification card issued by the other state.

(11) The secretary of state shall do all of the following:

(a) Ensure the physical security of locations where official state personal identification cards are produced and the security of document materials and papers from which official state personal identification cards are produced.

(b) Subject all persons authorized to manufacture or produce official state personal identification cards and all persons who have the ability to affect the identity information that appears on official state personal identification cards to appropriate security clearance requirements. The security requirements of this subdivision and subdivision (a) may require that official state personal identification cards be manufactured or produced in this state.

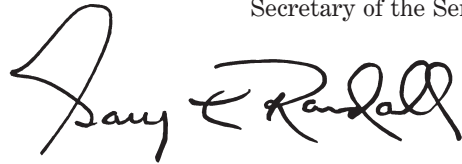

(c) Provide fraudulent document recognition programs to department of state employees engaged in the issuance of official state personal identification cards.
