Senator Mallory McMorrow of the 13th District offered the following invocation:

Good morning and Happy St. Patrick’s Day. You can imagine that when I saw my name come up on March 17—somebody who is a McMorrow and O’Doyle, who graduated from the University of Notre Dame, who has red hair, and a shamrock tattoo—I was very excited. But then things changed over the past few days. I thought about what I might say today and over the weekend a constituent who is a friend called me who was just laid off—31 weeks pregnant and right before going on paid maternity leave. Another friend who is moved out of the state posted a video sobbing, begging people to stay home. Her dad, who lives here in Michigan in a nursing home, is immunocompromised and her biggest fear is that her dad passes away while she’s out of state and can’t come home. So I was wondering what to say today and I came across a prayer, or a poem, that had been circulating pretty widely on social media. It was beautiful and it was really powerful to see what people share and hold onto—the words that give them hope, especially during times of uncertainty. So I wanted to share those words here today:

“And the people stayed home. And read books, and listened, and rested, and exercised, and made art, and played games, and learned new ways of being, and were still. And listened more deeply. Some meditated, some prayed, some danced. Some met their shadows. And the people began to think differently.

“And the people healed. And, in the absence of people living in ignorant, dangerous, mindless, and heartless ways, the earth began to heal.

“And when the danger passed, and the people joined together again, they grieved their losses, and made new choices, and dreamed new images, and created new ways to live and heal the earth fully, as they had been healed.”

I tried to look at who wrote these words and it is either Kitty O’Meara, a woman from Wisconsin who used to work in healthcare, or Irene Vella, from Italy. Either way I think they’re appropriate and my hope is that we may use these words and the stories, fears, and hopes of our constituents, our families, friends, and neighbors, to guide the crucial work that we do here together. May we take bold action to empower and protect people so that they may find the freedom to take necessary action individually and as a community to stop the spread of this virus; to protect the most vulnerable among us—our parents, our grandparents, and those who are immunocompromised. May we find bravery over fear. Amen.

The President, Lieutenant Governor Gilchrist, led the members of the Senate in recital of the *Pledge of Allegiance*.

**Messages from the Governor**

The following message from the Governor was received on March 13, 2020, and read:

EXECUTIVE ORDER  
No. 2020-5

**Temporary prohibition on large assemblages and events,  
temporary school closures**

The novel coronavirus (COVID-19) is a respiratory disease that can result in serious illness or death. It is caused by a new strain of coronavirus not previously identified in humans and easily spread from person to person. There is currently no approved vaccine or antiviral treatment for this disease.

On March 10, 2020, the Michigan Department of Health and Human Services identified the first two presumptive-positive cases of COVID-19 in Michigan. On that same day, I issued Executive Order 2020-4. This order declared a state of emergency across the state of Michigan under section 1 of article 5 of the Michigan Constitution of 1963, the Emergency Management Act, 1976 PA 390, as amended, MCL 30.401-421, and the Emergency Powers of the Governor Act of 1945, 1945 PA 302, as amended, MCL 10.31-33.

The Emergency Management Act vests the governor with broad powers and duties to “cop[e] with dangers to this state or the people of this state presented by a disaster or emergency,” which the governor may implement through “executive orders, proclamations, and directives having the force and effect of law.” MCL 30.403(1)-(2). Similarly, the Emergency Powers of the Governor Act of 1945, provides that, after declaring a state of emergency, “the governor may promulgate reasonable orders, rules, and regulations as he or she considers necessary to protect life and property or to bring the emergency situation within the affected area under control.” MCL 10.31(1).

To mitigate the spread of COVID-19 and to provide essential protections to vulnerable Michiganders and this state’s health care system and other critical infrastructure, it is reasonable and necessary to impose limited and temporary restrictions on large events and assemblages of people.

Acting under the Michigan Constitution of 1963 and Michigan law, I order the following:

1. Beginning on March 13, 2020 at 5:00 p.m., and continuing through April 5, 2020 at 5:00 p.m., all assemblages of more than 250 people in a single shared space and all events of more than 250 people are prohibited in this state, except for assemblages for the purpose of: industrial or manufacturing work; mass transit; or the purchase of groceries or consumer goods. A single shared space includes but is not limited to a room, hall, cafeteria, auditorium, theater, or gallery. This prohibition does not abridge protections guaranteed by the state or federal constitution under these emergency circumstances.

2. Beginning on March 16, 2020, all elementary school buildings and secondary school buildings in this state must close to students for educational purposes through April 5, 2020. This requirement includes all public, nonpublic, and boarding schools in the state. This requirement does not apply to residential facilities at schools and childcare providers at schools.

3. Consistent with MCL 10.33 and MCL 30.405(3), a willful violation of this order shall constitute a misdemeanor.

EXECUTIVE ORDER  
No. 2020-6

**Temporary restrictions on entry into health care facilities,  
residential care facilities, congregate care facilities, and juvenile justice facilities**

The novel coronavirus (COVID-19) is a respiratory disease that can result in serious illness or death. It is caused by a new strain of coronavirus not previously identified in humans and easily spread from person to person. The risk of severe illness and death from COVID-19 is higher in older adults and those with chronic health conditions. And there is an increased risk of rapid spread of COVID-19 among persons who are living in congregate settings, such as care facilities. There is currently no approved vaccine or antiviral treatment for this disease.

On March 10, 2020, the Michigan Department of Health and Human Services identified the first two presumptive-positive cases of COVID-19 in Michigan. On that same day, I issued Executive Order 2020-4. This order declared a state of emergency across the state of Michigan under section 1 of article 5 of the Michigan Constitution of 1963, the Emergency Management Act, 1976 PA 390, as amended, MCL 30.401-421, and the Emergency Powers of the Governor Act of 1945, 1945 PA 302, as amended, MCL 10.31-33.

The Emergency Management Act vests the governor with broad powers and duties to “cop[e] with dangers to this state or the people of this state presented by a disaster or emergency,” which the governor may implement through “executive orders, proclamations, and directives having the force and effect of law.” MCL 30.403(1)-(2). To mitigate the spread of COVID-19 and to provide essential protections to vulnerable Michiganders and this state’s health care system and other critical infrastructure, it is reasonable and necessary to impose limited and temporary restrictions on the entry of individuals into health care facilities, residential care facilities, congregate care facilities, and juvenile justice facilities. While these restrictions are in place, these facilities should, to the extent possible, facilitate visitations with individuals under their care by phone or other electronic communication platforms, consistent with normal visitation policies.

Acting under the Michigan Constitution of 1963 and Michigan law, I order the following:

1. Beginning on March 14, 2020 at 9:00 a.m., and continuing through April 5, 2020 at 5:00 p.m., all health care facilities, residential care facilities, congregate care facilities, and juvenile justice facilities must prohibit from entering their facilities any visitors that are not necessary for the provision of medical care or the support of activities of daily living, or that are not visiting under exigent circumstances, such as grave illness or imminent death of a family member under care in the facility.

2. Beginning as soon as possible but no later than March 16, 2020 at 9:00 a.m., and continuing through April 5, 2020 at 5:00 p.m., all health care facilities, residential care facilities, congregate care facilities, and juvenile justice facilities must perform a health evaluation of all individuals that are not under the care of the facility each time the individual seeks to enter the facility, and must deny entry to those individuals who do not meet the evaluation criteria. The evaluation criteria must include: symptoms of a respiratory infection, such as fever, cough, shortness of breath, or sore throat; and contact in the last 14 days with someone with a confirmed diagnosis of COVID-19.

3. Consistent with MCL 10.33 and MCL 30.405(3), a willful violation of this order shall constitute a misdemeanor.

Executive Order 2020-6 imposed such restrictions. With this order, Executive Order 2020-6 is rescinded. This order imposes substantially identical restrictions, with the exception of certain clarifying changes to the visitation limitations imposed in section 1, below.

While the restrictions of this order are in place, these facilities should, to the extent possible, facilitate visitations with individuals under their care by phone or other electronic communication platforms, consistent with normal visitation policies.

**Enhanced restrictions on price gouging**

The novel coronavirus (COVID-19) is a respiratory disease that can result in serious illness or death. It is caused by a new strain of coronavirus not previously identified in humans and easily spread from person to person. There is currently no approved vaccine or antiviral treatment for this disease.

On March 10, 2020, the Michigan Department of Health and Human Services identified the first two presumptive-positive cases of COVID-19 in Michigan. On that same day, I issued Executive Order 2020-4. This order declared a state of emergency across the state of Michigan under section 1 of article 5 of the Michigan Constitution of 1963, the Emergency Management Act, 1976 PA 390, as amended, MCL 30.401-421, and the Emergency Powers of the Governor Act of 1945, 1945 PA 302, as amended, MCL 10.31-33.

The Emergency Management Act vests the governor with broad powers and duties to “cop[e] with dangers to this state or the people of this state presented by a disaster or emergency,” which the governor may implement through “executive orders, proclamations, and directives having the force and effect of law.” MCL 30.403(1)-(2). Similarly, the Emergency Powers of the Governor Act of 1945, provides that, after declaring a state of emergency, “the governor may promulgate reasonable orders, rules, and regulations as he or she considers necessary to protect life and property or to bring the emergency situation within the affected area under control.” MCL 10.31(1).

Since the onset of this emergency, it has become apparent that some businesses and individuals are selling face masks, hand sanitizers, cleaning supplies, paper products, and other products that people might seek to purchase due to the threat of COVID-19 at unjustified, exceptionally high prices. To prevent such price gouging and help all Michiganders access necessary products during the COVID-19 emergency, it is reasonable and necessary to temporarily impose enhanced restrictions on the excessive pricing of goods, materials, emergency supplies, and consumer food items.

Acting under the Michigan Constitution of 1963 and Michigan law, I order the following:

1. Beginning March 16, 2020 at 9:00 a.m. and continuing until April 13, 2020 at 11:59 p.m., if a person has acquired any product from a retailer, the person must not resell that product in this state at a price that is grossly in excess of the purchase price at which the person acquired the product.
2. Beginning March 16, 2020 at 9:00 a.m. and continuing until April 13, 2020 at 11:59 p.m., a person must not offer for sale or sell any product in this state at a price that is more than 20% higher than what the person offered or charged for that product as of March 9, 2020, unless the person demonstrates that the price increase is attributable to an increase in the cost of bringing the product to market.
3. For purposes of this order:
  - a. “Person” means an individual, business, or other legal entity.
  - b. “Product” means any good, material, emergency supply, or consumer food item.
4. This order does not limit or impair the ability of the attorney general to investigate, determine, or impose liability under the Michigan consumer protection act, 1976 PA 331, as amended, MCL 445.901-922, or any other law of this state.

5. Consistent with MCL 10.33 and MCL 30.405(3), a willful violation of this order is a misdemeanor. Given under my hand and the Great Seal of the State of Michigan.

Places of public accommodation subject to this section are encouraged to offer food and beverage using delivery service, window service, walk-up service, drive-through service, or drive-up service, and to use precautions in doing so to mitigate the potential transmission of COVID-19, including social distancing. In

2. The restrictions imposed by this order do not apply to any of the following:

6. Consistent with MCL 10.33 and MCL 30.405(3), a willful violation of this order is a misdemeanor.

**Temporary expansions in unemployment eligibility and cost-sharing**

The novel coronavirus (COVID-19) is a respiratory disease that can result in serious illness or death. It is caused by a new strain of coronavirus not previously identified in humans and is easily spread from person to person. There is currently no approved vaccine or antiviral treatment for this disease.

On March 10, 2020, the Michigan Department of Health and Human Services identified the first two presumptive-positive cases of COVID-19 in Michigan. On that same day, I issued Executive Order 2020-4, which declared a state of emergency across the state of Michigan under section 1 of article 5 of the Michigan Constitution of 1963, the Emergency Management Act, 1976 PA 390, as amended, MCL 30.401 to 30.421, and 1945 PA 302, as amended, MCL 10.31 to 10.33.

The Emergency Management Act vests the governor with broad powers and duties to “cop[e] with dangers to this state or the people of this state presented by a disaster or emergency,” which the governor may implement through “executive orders, proclamations, and directives having the force and effect of law.” MCL 30.403(1) to (2). Similarly, the Public Act 302 of 1945 (emergency powers of governor), provides that, after declaring a state of emergency, “the governor may promulgate reasonable orders, rules, and regulations as he or she considers necessary to protect life and property or to bring the emergency situation within the affected area under control.” MCL 10.31(1).

To mitigate the spread of COVID-19, protect the public health, and provide essential protections to vulnerable Michiganders, it is reasonable and necessary to temporarily suspend rules and procedures to expand eligibility for unemployment benefits and cost-sharing with employers.

Acting under the Michigan Constitution of 1963 and Michigan law, I order the following:

1. Effective immediately, and continuing until April 14, 2020 at 11:59 p.m., strict compliance with subdivision (a) of subsection (1) of section 29 of the Michigan Employment Security Act, 1936 PA 1, as amended (“Employment Security Act”), MCL 421.29(1)(a), is suspended.

**Messages from the Governor**

The following message was received from the Governor on March 17, 2020, and read:

EXECUTIVE ORDER  
No. 2020-11

**Temporary prohibition on large assemblages and events,  
temporary school closures**

**Rescission of Executive Order 2020-5**

The novel coronavirus (COVID-19) is a respiratory disease that can result in serious illness or death. It is caused by a new strain of coronavirus not previously identified in humans and easily spread from person to person. There is currently no approved vaccine or antiviral treatment for this disease.

On March 10, 2020, the Michigan Department of Health and Human Services identified the first two presumptive-positive cases of COVID-19 in Michigan. On that same day, I issued Executive Order 2020-4. This order declared a state of emergency across the state of Michigan under section 1 of article 5 of the Michigan Constitution of 1963, the Emergency Management Act, 1976 PA 390, as amended, MCL 30.401-421, and the Emergency Powers of the Governor Act of 1945, 1945 PA 302, as amended, MCL 10.31-33.

The Emergency Management Act vests the governor with broad powers and duties to “cop[e] with dangers to this state or the people of this state presented by a disaster or emergency,” which the governor may implement through “executive orders, proclamations, and directives having the force and effect of law.” MCL 30.403(1)-(2). Similarly, the Emergency Powers of the Governor Act of 1945, provides that, after declaring a state of emergency, “the governor may promulgate reasonable orders, rules, and regulations as he or she considers necessary to protect life and property or to bring the emergency situation within the affected area under control.” MCL 10.31(1).

To mitigate the spread of COVID-19 and to provide essential protections to vulnerable Michiganders and this state’s health care system and other critical infrastructure, it is reasonable and necessary to impose limited and temporary restrictions on large events and assemblages of people.

Executive Order 2020-5 imposed such restrictions. This order changes the temporary restrictions imposed on events and assemblages by Executive Order 2020-5, in light of the most recent guidance from the Centers for Disease Control and Prevention. This order does not change the scope of temporary restrictions imposed by Executive Order 2020-5 as to the closure of elementary school buildings and secondary school buildings. When the new restrictions set forth in this order take effect, Executive Order 2020-5 is rescinded.

While this order continues to permit certain assemblages and events, these assemblages and events should only occur as necessary and in adherence with the measures needed to mitigate the potential transmission of COVID-19, including social distancing, proper hand hygiene and respiratory etiquette, and using electronic communication platforms in lieu of in-person interaction as feasible.

Acting under the Michigan Constitution of 1963 and Michigan law, I order the following:

1. Beginning on March 17, 2020 at 9:00 a.m., and continuing through April 5, 2020 at 5:00 p.m., all assemblages of more than 50 people in a single indoor shared space and all events of more than 50 people are prohibited in this state. A single indoor shared space includes but is not limited to a room, hall, cafeteria, auditorium, theater, or gallery. The prohibition on assemblages set forth in this section does not apply to:

- (a) health care facilities;
- (b) workplaces or portions thereof not open to the public;
- (c) the state legislature; and
- (d) assemblages for the purpose of mass transit, the purchase of groceries or consumer goods, or the performance of agricultural or construction work.

The prohibition set forth in this section does not abridge protections guaranteed by the state or federal constitution under these emergency circumstances.

2. Beginning on March 16, 2020, all elementary school buildings and secondary school buildings in this state must close to students for educational purposes through April 5, 2020. This requirement includes all public, nonpublic, and boarding schools in the state. This requirement does not apply to residential facilities at schools and childcare providers at schools.

3. Consistent with MCL 10.33 and MCL 30.405(3), a willful violation of this order shall constitute a misdemeanor.

4. On March 17, 2020 at 9:00 am, Executive Order 2020-5 is rescinded.

Given under my hand and the Great Seal of the State of Michigan.

Date: March 16, 2020

Time: 6:07 p.m.

The executive order was referred to the Committee on Government Operations.

The following message was received from the Governor on March 17, 2020, and read:

EXECUTIVE ORDER  
No. 2020-12

**Enhanced support for deliveries**

The novel coronavirus (COVID-19) is a respiratory disease that can result in serious illness or death. It is caused by a new strain of coronavirus not previously identified in humans and easily spread from person to person. There is currently no approved vaccine or antiviral treatment for this disease.

On March 10, 2020, the Michigan Department of Health and Human Services identified the first two presumptive-positive cases of COVID-19 in Michigan. On that same day, I issued Executive Order 2020-4. This order declared a state of emergency across the state of Michigan under section 1 of article 5 of the Michigan Constitution of 1963, the Emergency Management Act, 1976 PA 390, as amended, MCL 30.401-421, and the Emergency Powers of the Governor Act of 1945, 1945 PA 302, as amended, MCL 10.31-33.

The Emergency Management Act vests the governor with broad powers and duties to “cop[e] with dangers to this state or the people of this state presented by a disaster or emergency,” which the governor may implement through “executive orders, proclamations, and directives having the force and effect of law.” MCL 30.403(1)-(2). Similarly, the Emergency Powers of the Governor Act of 1945, provides that, after declaring a state of emergency, “the governor may promulgate reasonable orders, rules, and regulations as he or she considers necessary to protect life and property or to bring the emergency situation within the affected area under control.” MCL 10.31(1).

To mitigate the spread of COVID-19 and to provide essential protections to vulnerable Michiganders and this state’s health care system and other critical infrastructure, it is reasonable and necessary to provide limited and temporary relief from load and delivery restrictions on motor carriers and drivers engaged in the transport of essential supplies, equipment, and persons.

Acting under the Michigan Constitution of 1963 and Michigan law, I order the following:

1. Effective immediately and continuing through April 13, 2020 at 11:59 p.m., all state and local seasonal load restrictions are suspended for deliveries that meet immediate needs for: (1) medical supplies and equipment related to the testing, diagnosis, and treatment of COVID-19; (2) supplies and equipment necessary for community safety, sanitation, and the prevention of community transmission of COVID-19 such as masks, gloves, hand sanitizer, soap, and disinfectants; (3) food for the emergency restocking of stores; (4) equipment, supplies, and persons necessary to establish and manage temporary housing, quarantine, and isolation facilities related to the COVID-19 emergency; (5) persons designated by federal, state, or local authorities for medical, isolation, or quarantine purposes; and (6) persons necessary to provide other medical or emergency services, the supply of which may be affected by the COVID-19 emergency.

2. Effective immediately and continuing through April 13, 2020 at 11:59 p.m., all state and local road agencies must exercise their authority on an expedited basis to issue permits that allow non-seasonal load restrictions to be exceeded. These permits must reflect bridge weight tolerances, and they must apply to deliveries that meet immediate needs for: (1) medical supplies and equipment related to the testing, diagnosis, and treatment of COVID-19; (2) supplies and equipment necessary for community safety, sanitation, and the prevention of community transmission of COVID-19 such as masks, gloves, hand sanitizer, soap, and disinfectants; (3) food for the emergency restocking of stores; (4) equipment, supplies, and persons necessary to establish and manage temporary housing, quarantine, and isolation facilities related to the COVID-19 emergency; (5) persons designated by federal, state, or local authorities for medical, isolation, or quarantine purposes; and (6) persons necessary to provide other medical or emergency services, the supply of which may be affected by the COVID-19 emergency.

3. Effective immediately and continuing through April 13, 2020 at 11:59 p.m., all state and local restrictions on the noise and timing of loading and deliveries are suspended for loading and deliveries that meet immediate needs for: (1) medical supplies and equipment related to the testing, diagnosis, and treatment of COVID-19; (2) supplies and equipment necessary for community safety, sanitation, and the prevention of community transmission of COVID-19 such as masks, gloves, hand sanitizer, soap, and disinfectants; (3) food for the emergency restocking of stores; (4) equipment, supplies, and persons necessary to establish and manage temporary housing, quarantine, and isolation facilities related to the COVID-19 emergency; (5) persons designated by federal, state, or local authorities for medical, isolation, or quarantine purposes; and (6) persons necessary to provide other medical or emergency services, the supply of which may be affected by the COVID-19 emergency.

4. Consistent with MCL 10.33 and MCL 30.405(3), a willful violation of this order is a misdemeanor. Given under my hand and the Great Seal of the State of Michigan.

**Resolutions**

Senator Schmidt offered the following resolution:

**Senate Resolution No. 108.**

A resolution to urge the President and the Congress of the United States to declare the waters of the Straits of Mackinac as “designated” for purposes of Great Lakes commercial ship pilotage.

Whereas, The Great Lakes are integral to Michigan’s environment, economic development, and recreation; and

Whereas, The federal Great Lakes Pilotage Act of 1960 established two distinct categories of pilotage on the Great Lakes – designated waters and undesignated waters – and authorized the President of the United States to determine designated waters. In 1968, President Dwight D. Eisenhower declared designated waters on the Great Lakes, including all United States waters of the St. Marys River, the Soo Locks, and approaches thereto. There have been no significant changes in designated waters since that time; and

Whereas, The act requires both United States and foreign-flagged vessels sailing in designated waters to be under the navigational direction of a United States or Canadian registered pilot to ensure marine safety and effective use of navigable waters. Further, foreign-flagged vessels operating in undesignated waters on the Great Lakes must have a United States or Canadian registered pilot on board to direct the navigation of the vessel or be available to assist in navigation if necessary; and

Whereas, Pilotage of foreign-flagged vessels on the Great Lakes is an important function provided by individuals with years of experience sailing on the largest freshwater sea in the world. Pilots are charged with the safety of the vessel and boating public as well as protection of infrastructure and the environment; and

Whereas, The Straits of Mackinac, an environmentally sensitive area of great importance to the entire Great Lakes ecosystem, is an undesignated water. The Straits are often congested with commercial and

recreational vessel traffic. Additionally, the area has restricted visibility, narrow waterways, and important infrastructure including the Mackinac Bridge and pipelines contributing to the unique navigational challenges that exist in the Straits of Mackinac; now, therefore, be it

Resolved by the Senate, That we urge the President and the Congress of the United States to declare the waters of the Straits of Mackinac as “designated” for purposes of Great Lakes commercial ship pilotage; and be it further

Resolved, That copies of this resolution be transmitted to the President of the United States, the President of the United States Senate, the Speaker of the United States House of Representatives, the members of the Michigan congressional delegation, and the Commandant of the United States Coast Guard.

Pending the order that, under rule 3.204, the resolution be referred to the Committee on Government Operations,

Senator MacGregor moved that the rule be suspended.

The motion prevailed, a majority of the members serving voting therefor.

The question being on the adoption of the resolution,

Senator MacGregor moved that the resolution be referred to the Committee on Natural Resources.

Senator Chang offered the following resolution:

**Senate Resolution No. 109.**

A resolution to commemorate March 2020 as Social Work Month.

Whereas, The social work profession is dedicated to enhancing an individual’s well-being and helping meet the basic needs of all people, especially the most vulnerable members of society; and

Whereas, Social workers truly embody this year’s social work month theme, “Generations Strong” by serving, advocating for, and empowering millions of people daily; and

Whereas, One of the fastest growing careers in the United States is social work with more than 650,000 people expected by 2024; and

Whereas, Social workers are the largest group of mental health care providers in the United States who work daily to assist people in overcoming substance abuse disorders and mental illnesses such as depression, anxiety, and post-traumatic stress disorder; and

Whereas, Society’s important issues are solved by social workers who engage and bring together individuals, communities, agencies, and governments; and

Whereas, Social workers have empowered this nation to live up to its ideals by successfully pushing for equal rights for all including women and people of color; and

Whereas, Profound and positive changes have been made with the guidance of social workers including voting rights, workplace safety, and social safety net programs to combat poverty and hunger; and

Whereas, Social workers help in schools, with families, and individuals to foster the full potential of all persons; now, therefore, be it

Resolved by the Senate, That the members of this legislative body commemorate March 2020 as Social Work Month; and be it further

Resolved, That we recognize the numerous contributions made by social workers across this state and the country and join in this celebration and support of the social work profession.

Pending the order that, under rule 3.204, the resolution be referred to the Committee on Government Operations,

Senator MacGregor moved that the rule be suspended.

The motion prevailed, a majority of the members serving voting therefor.

The resolution was adopted.

Senators Alexander, Brinks, Geiss and Polehanki were named co-sponsors of the resolution.

Senator Chang asked and was granted unanimous consent to make a statement and moved that the statement be printed in the Journal.

The motion prevailed.

Senator Chang’s statement is as follows:

Today I have a resolution to commemorate March 2020 as Social Work Month. I have here with me Senator Bullock and Senator Johnson who also both have social work degrees.

The social work profession is dedicated to enhancing an individual’s and community’s well-being and helping to meet the basic needs of all people, especially the most vulnerable members of society. The theme of this year’s Social Work Month is “Generations Strong.” Social work is one of the fastest-growing careers in our country, with more than 650,000 social workers expected by 2024.

During this current pandemic, social workers play a critical role with mental health, substance abuse, schoolchildren, and connecting people to services. Social workers engage in bringing individuals, communities, nonprofits, and government agencies together to solve problems. Social workers have guided important, positive changes in our country's history, especially around social safety net programs to combat poverty and hunger, which are so critical, especially during these challenging times.

Today, we recognize the numerous contributions made by social workers across Michigan and the country. Colleagues, I ask for your support for this resolution.

**House Concurrent Resolution No. 17.**

A concurrent resolution to urge the United States Secretary of Health and Human Services to appeal the federal court ruling invalidating the waiver for Michigan's Medicaid work requirements, defend the waiver, and uphold its intended purpose of encouraging self-sufficiency.

Whereas, In 2018, Governor Rick Snyder signed into law workforce engagement requirements for Michigan's Medicaid expansion program, the Healthy Michigan Plan. Michigan subsequently received approval for a waiver from the Centers for Medicare and Medicaid Services, allowing the state to move forward with implementation of the requirements; and

Whereas, The intent of the legislation was to "assist, encourage, and prepare an able-bodied adult for a life of self-sufficiency and independence from government interference." To maintain health insurance coverage, the act requires Healthy Michigan Plan beneficiaries to report an average of at least 80 hours monthly of work or other qualifying activities or meet the criteria for an exemption; and

Whereas, The Healthy Michigan Plan work requirements went into effect on January 1, 2020, but a ruling by a federal judge invalidated the waiver for the work requirements on March 4, 2020, blocking its enforcement; and

Whereas, Maintaining a strong workforce engagement policy for government-funded health care is integral to ensuring the responsible stewardship of public funds. Hardworking taxpayers expect able-bodied adults receiving government assistance to work or otherwise be on the path to achieving self-sufficiency. Encouraging people to find a job or pursue activities that improve work readiness, such as education or job training, is beneficial to the state of Michigan as a whole. Work requirements hold Healthy Michigan Plan beneficiaries accountable and help them reach their full potential as productive citizens of this state; now, therefore, be it

Resolved by the House of Representatives (the Senate concurring), That we urge the United States Secretary of Health and Human Services to appeal the federal court ruling invalidating the waiver for Michigan's Medicaid work requirements, defend the waiver, and uphold its intended purpose of encouraging self-sufficiency; and be it further

Resolved, That copies of this resolution be transmitted to the United States Secretary of Health and Human Services and the Michigan congressional delegation.

I rise today to pay tribute to one of our Assistant Sergeants at Arms who will be leaving the Senate after three years of dedicated service—Randy LaLonde. The current resident Yooper of Senate Police, Randy came to the Senate in 2017 from the Houghton County Sheriff’s Department, and is leaving us to return to Marquette to take a federal court security job with the U.S. Marshals. Are you ever going to retire, my friend? Only if your wife lets you.

Police officers often have nicknames, and Randy’s colleagues affectionately call him Eeyore for his bright and sunny disposition.

More seriously, he regularly checks on staff and offers an encouraging word where one is most needed—his timing is impeccable. He has been a great officer for the Senate Police Department and our favorite Yooper—no offense, Senator McBroom. Randy, thank you very much for your dedication and service. Please keep bringing pasties for the Senate Police when you visit, and for the rest of the Senate Chamber. Godspeed to you.

**Statements**

Senator Hollier asked and was granted unanimous consent to make a statement and moved that the statement be printed in the Journal.

The motion prevailed.

Senator Hollier’s statement is as follows:

I would just like to make you all aware that one of our past colleagues has passed—Senator Ray Murphy. He has been a long-time family friend of mine. His daughter and my mother were best friends growing up. He lives a block away from me. He was somebody who was, and continues to be, a mentor and has just been incredible. He’s somebody who served for a long time in this chamber before term limits happened. As we think about today and we think about all of the things going on and all the people, it’s critically important that we think about these things.

The Governor had an end-of-life protocol that she announced and I had, with another constituent, this very same issue. So as we think about these issues—as we think about people we care about—one way that legislators can continue to be involved and help support our constituents is helping them navigate through this process because the bereavement process is going to be especially difficult as people seek to get good information about people as they pass, but also as it relates to COVID-19. We have no expectation that that’s why Senator Murphy passed at this time, but it’s something that everybody is trying to deal with. It’s something that hospitals and funeral homes are dealing with. If you look internationally, it’s becoming an increasing issue as the death toll mounts. It’s really important that we consider the people that we care about and that we’re thinking about them and engaging with them.
