(3) House means House Bill 4229 (H-3), as reported by House Appropriations Committee. (4) Senate means Senate Bill 133 (S-1), as passed by the Senate.

**Overview**

The Michigan Department of Agriculture and Rural Development's (MDARD) key programs and priorities include ensuring food safety and security, protecting animal health and welfare, managing invasive exotic species, regulating pesticide use, certifying agricultural commodities, ensuring environmental stewardship, consumer protection, and promoting the state's agricultural economy.

**Major Budget Changes From FY 2018-19 YTD Appropriations**

**1. Double Up Food Bucks**

Executive had included \$4.0 million GF/GP in its FY 2019-20 budget request: \$2.0 million as ongoing, and \$2.0 million as one-time. The intention was to expend the Double Up Food Bucks program to additional counties in Michigan, and to increase the number of participating retailers in the counties where the program is currently established. Double Up Food Bucks increases purchasing power of Michigan residents who receive Supplemental Nutritional Assistance Program (SNAP) benefits by providing a dollar-for-dollar match of up to \$20 per day to buy fresh fruits and vegetables at participating grocery stores and farmer's markets. Funding would be granted to the Fair Food Network, a private non-profit organization that directly administers the program.

	FY 2018-19 Year-to-Date (as of 3/5/19)	FY 2019-20 Senate Change
<b>Gross</b>	<b>\$0</b>	<b>\$2,000,000</b>
<b>GF/GP</b>	<b>\$0</b>	<b>\$2,000,000</b>

The Executive subsequently included \$2.0 million GF/GP in a current year supplemental request (included in Senate Bill 150, as passed by the Senate on April 25, 2019) which would replace the \$2.0 million in one-time funding proposed for FY 2019-20.

Senate includes \$2.0 million GF/GP (ongoing) for Double Up Food Bucks.
