

**SUBSTITUTE FOR
HOUSE BILL NO. 5937**

A bill to require drug manufacturers to report certain information to the department of insurance and financial services; to provide for the powers and duties of certain state officers and entities; to allow for the promulgation of rules; and to prescribe civil sanctions.

THE PEOPLE OF THE STATE OF MICHIGAN ENACT:

1 Sec. 1. This act shall be known and may be cited as the "drug
2 manufacturer data reporting act".

3 Sec. 3. As used in this act:

4 (a) "Department" means the department of insurance and
5 financial services.

6 (b) "Director" means the director of the department or his or
7 her designee.

1 (c) "Drug manufacturer" means a manufacturer as that term is
2 defined in section 17706 of the public health code, 1978 PA 368,
3 MCL 333.17706.

4 (d) "Health plan" means a qualified health plan as that term
5 is defined in section 1261 of the insurance code of 1956, 1956 PA
6 218, MCL 500.1261.

7 (e) "Insurer" means an insurer that delivers, issues for
8 delivery, or renews in this state a health plan that provides
9 prescription drug coverage under the insurance code of 1956, 1956
10 PA 218, MCL 500.100 to 500.8302.

11 (f) "Pharmacy benefit manager" means a person that contracts
12 with a pharmacy on behalf of an employer, multiple employer welfare
13 arrangement, public employee benefit plan, state agency, insurer,
14 managed care organization, or other third-party payer to provide
15 pharmacy health benefit services or administration.

16 (g) "Prescription drug" means that term as defined in section
17 17708 of the public health code, 1978 PA 368, MCL 333.17708.

18 (h) "Rebate" means a discount or concession for a prescription
19 drug manufactured by a drug manufacturer that affects the price of
20 the prescription drug to a pharmacy benefit manager or insurer.

21 (i) "Wholesale acquisition cost" means that term as defined in
22 42 USC 1395w-3a or any other list price for a prescription drug
23 that is contained within a list of prescription drugs and prices
24 maintained by a drug manufacturer.

25 Sec. 5. (1) Unless required more frequently by the director,
26 beginning January 1, 2022, a drug manufacturer shall file an annual
27 report with the department that contains all of the following:

28 (a) All of the following information for the immediately
29 preceding calendar year:

1 (i) The aggregate wholesale acquisition cost charged by the
2 drug manufacturer for each therapeutic category of prescription
3 drugs, net of all rebates and other fees and payments, direct or
4 indirect, from all sources.

5 (ii) The aggregate amount of rebates paid by the drug
6 manufacturer to pharmacy benefit managers. The aggregate amount of
7 rebates must include any utilization discounts paid by the drug
8 manufacturer.

9 (iii) The aggregate amount of all fees from all sources, direct
10 or indirect, that the drug manufacturer paid to pharmacy benefit
11 managers.

12 (iv) Whether the drug manufacturer has a contract or other
13 arrangement with a pharmacy benefit manager to exclusively provide
14 a prescription drug and the consideration or economic benefit
15 provided under the contract or arrangement.

16 (v) Information on financial incentives and structures used by
17 the drug manufacturer.

18 (b) All of the following for each of the drug manufacturer's
19 prescription drugs:

20 (i) The total amount of research and development costs to bring
21 the prescription drug into the market.

22 (ii) The total costs paid by the drug manufacturer and any
23 predecessor drug manufacturer for manufacturing and distributing
24 the prescription drug for the period of time that the prescription
25 drug has been available on the market.

26 (iii) The total amount of marketing and advertising costs for
27 the prescription drug for the period of time that the prescription
28 drug has been available on the market.

29 (c) Any other information required by the director under this

1 act.

2 (2) The quality of information that a drug manufacturer
3 submits to the director under this section must be consistent with
4 the quality of information that the drug manufacturer includes on
5 the United States Securities and Exchange Commission's Form 10-K.

6 Sec. 7. (1) Beginning January 1, 2022, and annually
7 thereafter, a drug manufacturer shall submit a report to the
8 director, containing information on the wholesale acquisition cost
9 of each prescription drug sold in this state by the drug
10 manufacturer.

11 (2) A drug manufacturer shall also submit a report to the
12 director within 30 days after increasing the wholesale acquisition
13 cost of a qualified prescription drug by 10% or more in a given
14 year or 20% or more over a 3-year period. The report must contain
15 all of the following information:

16 (a) The name of the qualified prescription drug.

17 (b) Whether the qualified prescription drug is a brand name or
18 generic prescription drug.

19 (c) The effective date and the percentage of the change in the
20 wholesale acquisition cost.

21 (d) Aggregate, company-level research, and development costs
22 for the previous calendar year.

23 (e) The cost of researching and developing the qualified
24 prescription drug with money made available to the drug
25 manufacturer, or a predecessor drug manufacturer, through a
26 federal, state, or other governmental program.

27 (f) The name of each of the drug manufacturer's prescription
28 drugs that was approved by the United States Food and Drug
29 Administration in the previous 5 calendar years.

1 (g) The name of each of the drug manufacturer's prescription
2 drugs that lost patent exclusivity in the United States in the
3 previous 5 calendar years.

4 (3) The quality of information that a drug manufacturer
5 submits to the director under this section must be consistent with
6 the quality of information that the drug manufacturer includes on
7 the United States Securities and Exchange Commission's Form 10-K.

8 (4) As used in this section, "qualified prescription drug"
9 means a prescription drug with a wholesale acquisition cost of
10 \$500.00 or more for a 30-day supply.

11 Sec. 9. (1) Subject to subsection (2), a drug manufacturer
12 shall notify the director in writing if the drug manufacturer is
13 introducing a new prescription drug to the market at a wholesale
14 acquisition cost that exceeds the threshold set for a specialty
15 drug under the Medicare Part D Program. The drug manufacturer shall
16 provide the notice required under this section within 3 calendar
17 days following the release of the prescription drug into the
18 commercial market. A drug manufacturer may make the notification
19 pending approval by the United States Food and Drug Administration
20 if commercial availability is expected within 3 calendar days
21 following the approval. The director may request additional
22 information from the drug manufacturer under this section if the
23 director determines that the information provided by the drug
24 manufacturer is unacceptable.

25 (2) The notice required under subsection (1) must include all
26 of the following information:

27 (a) Whether the United States Food and Drug Administration
28 granted the prescription drug a breakthrough therapy designation or
29 a priority review.

1 (b) If the prescription drug was not developed by the drug
 2 manufacturer, the date of and price paid for the acquisition of the
 3 prescription drug by the drug manufacturer.

4 (c) The costs for researching and developing the prescription
 5 drug with money made available to the drug manufacturer, or a
 6 predecessor drug manufacturer, through a federal, state, or other
 7 governmental program.

8 Sec. 11. (1) The reports and notices required under this act
 9 must be filed with the department in a form and manner required by
 10 the department.

11 (2) The department shall prepare an annual report based on the
 12 information received by it under this act. The report must contain
 13 aggregate data and must not contain any information that the
 14 director determines would cause financial, competitive, or
 15 proprietary harm to a drug manufacturer. The director shall file
 16 the report described in this subsection with each of the following:

17 (a) The house and senate standing committees on health policy.

18 (b) The house and senate fiscal agencies.

19 (c) The house and senate policy offices.

20 Sec. 13. The reports and information received by the
 21 department under this act from drug manufacturers are exempt from
 22 disclosure under the freedom of information act, 1976 PA 442, MCL
 23 15.231 to 15.246.

24 Sec. 15. A drug manufacturer that violates this act may be
 25 ordered to pay a civil fine of not more than \$100,000.00 per month
 26 for each month that a report is not filed by the drug manufacturer
 27 in accordance with this act. A violation of this act may be
 28 prosecuted by the prosecutor of the county in which the violation
 29 occurred, or by the attorney general.

1 Sec. 17. The department may promulgate rules under the
2 administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to
3 24.328, to implement this act.

4 Enacting section 1. This act does not take effect unless all
5 of the following bills of the 100th Legislature are enacted into
6 law:

7 (a) House Bill No. 5938.

8 (b) House Bill No. 5944.
