

HOUSE BILL NO. 5937

July 21, 2020, Introduced by Reps. Vaupel, Frederick, Yaroch, Wozniak and Tyrone Carter and referred to the Committee on Health Policy.

A bill to require drug manufacturers to report certain information to the department of insurance and financial services; to provide for the powers and duties of certain state officers and entities; to allow for the promulgation of rules; and to prescribe civil sanctions.

THE PEOPLE OF THE STATE OF MICHIGAN ENACT:

1 Sec. 1. This act shall be known and may be cited as the "drug
2 manufacturer data reporting act".

3 Sec. 3. As used in this act:

1 (a) "Department" means the department of insurance and
2 financial services.

3 (b) "Director" means the director of the department or his or
4 her designee.

5 (c) "Drug manufacturer" means a manufacturer as that term is
6 defined in section 17706 of the public health code, 1978 PA 368,
7 MCL 333.17706.

8 (d) "Health plan" means a qualified health plan as that term
9 is defined in section 1261 of the insurance code of 1956, 1956 PA
10 218, MCL 500.1261.

11 (e) "Insurer" means an insurer that delivers, issues for
12 delivery, or renews in this state a health plan that provides
13 prescription drug coverage under the insurance code of 1956, 1956
14 PA 218, MCL 500.100 to 500.8302.

15 (f) "Pharmacy benefit manager" means a person that contracts
16 with a pharmacy on behalf of an employer, multiple employer welfare
17 arrangement, public employee benefit plan, state agency, insurer,
18 managed care organization, or other third-party payer to provide
19 pharmacy health benefit services or administration.

20 (g) "Prescription drug" means that term as defined in section
21 17708 of the public health code, 1978 PA 368, MCL 333.17708.

22 (h) "Rebate" means a discount or concession for a prescription
23 drug manufactured by a drug manufacturer that affects the price of
24 the prescription drug to a pharmacy benefit manager or insurer.

25 (i) "Wholesale acquisition cost" means that term as defined in
26 42 USC 1395w-3a.

27 Sec. 5. (1) Unless required more frequently by the director,
28 beginning January 1, 2022, a drug manufacturer shall file an annual
29 report with the department that contains all of the following:

1 (a) All of the following information for the immediately
2 preceding calendar year:

3 (i) The aggregate wholesale acquisition cost charged by the
4 drug manufacturer for each therapeutic category of prescription
5 drugs, net of all rebates and other fees and payments, direct or
6 indirect, from all sources.

7 (ii) The aggregate amount of rebates paid by the drug
8 manufacturer to pharmacy benefit managers. The aggregate amount of
9 rebates must include any utilization discounts paid by the drug
10 manufacturer.

11 (iii) The aggregate amount of all fees from all sources, direct
12 or indirect, that the drug manufacturer paid to pharmacy benefit
13 managers.

14 (iv) Whether the drug manufacturer has a contract or other
15 arrangement with a pharmacy benefit manager to exclusively provide
16 a prescription drug and the consideration or economic benefit
17 provided under the contract or arrangement.

18 (v) Information on financial incentives and structures used by
19 the drug manufacturer.

20 (b) All of the following for each of the drug manufacturer's
21 prescription drugs:

22 (i) The total amount of research and development costs to bring
23 the prescription drug into the market.

24 (ii) The total costs paid by the drug manufacturer and any
25 predecessor drug manufacturer for manufacturing and distributing
26 the prescription drug for the period of time that the prescription
27 drug has been available on the market.

28 (iii) The total amount of marketing and advertising costs for
29 the prescription drug for the period of time that the prescription

1 drug has been available on the market.

2 (c) Any other information required by the director under this
3 act.

4 (2) The quality of information that a drug manufacturer
5 submits to the director under this section must be consistent with
6 the quality of information that the drug manufacturer includes on
7 the United States Securities and Exchange Commission's Form 10-K.

8 Sec. 7. (1) Beginning January 1, 2022, and annually
9 thereafter, a drug manufacturer shall submit a report to the
10 director, containing information on the wholesale acquisition cost
11 of each prescription drug sold in this state by the drug
12 manufacturer.

13 (2) A drug manufacturer shall also submit a report to the
14 director within 30 days after increasing the wholesale acquisition
15 cost of a qualified prescription drug by 10% or more in a given
16 year or 20% or more over a 3-year period. The report must contain
17 all of the following information:

18 (a) The name of the qualified prescription drug.

19 (b) Whether the qualified prescription drug is a brand name or
20 generic prescription drug.

21 (c) The effective date and the percentage of the change in the
22 wholesale acquisition cost.

23 (d) Aggregate, company-level research, and development costs
24 for the previous calendar year.

25 (e) The cost of researching and developing the qualified
26 prescription drug with money made available to the drug
27 manufacturer, or a predecessor drug manufacturer, through a
28 federal, state, or other governmental program.

29 (f) The name of each of the drug manufacturer's prescription

1 drugs that was approved by the United States Food and Drug
2 Administration in the previous 5 calendar years.

3 (g) The name of each of the drug manufacturer's prescription
4 drugs that lost patent exclusivity in the United States in the
5 previous 5 calendar years.

6 (3) The quality of information that a drug manufacturer
7 submits to the director under this section must be consistent with
8 the quality of information that the drug manufacturer includes on
9 the United States Securities and Exchange Commission's Form 10-K.

10 (4) As used in this section, "qualified prescription drug"
11 means a prescription drug with a wholesale acquisition cost of
12 \$100.00 or more for a 30-day supply.

13 Sec. 9. (1) Subject to subsection (2), a drug manufacturer
14 shall notify the director in writing if the drug manufacturer is
15 introducing a new prescription drug to the market at a wholesale
16 acquisition cost that exceeds the threshold set for a specialty
17 drug under the Medicare Part D Program. The drug manufacturer shall
18 provide the notice required under this section within 3 calendar
19 days following the release of the prescription drug into the
20 commercial market. A drug manufacturer may make the notification
21 pending approval by the United States Food and Drug Administration
22 if commercial availability is expected within 3 calendar days
23 following the approval. The director may request additional
24 information from the drug manufacturer under this section if the
25 director determines that the information provided by the drug
26 manufacturer is unacceptable.

27 (2) The notice required under subsection (1) must include all
28 of the following information:

29 (a) Whether the United States Food and Drug Administration

1 granted the prescription drug a breakthrough therapy designation or
2 a priority review.

3 (b) If the prescription drug was not developed by the drug
4 manufacturer, the date of and price paid for the acquisition of the
5 prescription drug by the drug manufacturer.

6 (c) The costs for researching and developing the prescription
7 drug with money made available to the drug manufacturer, or a
8 predecessor drug manufacturer, through a federal, state, or other
9 governmental program.

10 Sec. 11. (1) The reports and notices required under this act
11 must be filed with the department in a form and manner required by
12 the department.

13 (2) The department shall prepare an annual report based on the
14 information received by it under this act. The report must contain
15 aggregate data and must not contain any information that the
16 director determines would cause financial, competitive, or
17 proprietary harm to a drug manufacturer. The director shall file
18 the report described in this subsection with each of the following:

19 (a) The house and senate standing committees on health policy.

20 (b) The house and senate fiscal agencies.

21 (c) The house and senate policy offices.

22 Sec. 13. The reports and information received by the
23 department under this act from drug manufacturers are exempt from
24 disclosure under the freedom of information act, 1976 PA 442, MCL
25 15.231 to 15.246.

26 Sec. 15. A drug manufacturer that violates this act may be
27 ordered to pay a civil fine of not more than \$100,000.00 per month
28 for each month that a report is not filed by the drug manufacturer
29 in accordance with this act. A violation of this act may be

1 prosecuted by the prosecutor of the county in which the violation
2 occurred, or by the attorney general.

3 Sec. 17. The department may promulgate rules under the
4 administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to
5 24.328, to implement this act.

6 Enacting section 1. This act does not take effect unless
7 Senate Bill No. _____ or House Bill No. 5944 (request no. 04742'19)
8 of the 100th Legislature is enacted into law.
