Rep. Diana Farrington, from the 30th District, offered the following invocation:

“Lord- Thank You for bringing us together. We bring different perspectives and different backgrounds, and You bring the light. Help us see one another. Help us hear one another. Help us understand one another.

Lord- Shine Your light upon the darkness of civil unrest. Help us to not point blame but to point us in the direction of hope and serve as Your light of love instead of hatred.

Lord- Our communities, our state, our nation and our world are hurting. Many in this chamber have felt this pain personally. Lord help us be strong and show us a path froward.

Lord- We ask for Your healing. Healing of our bodies. Healing of our minds. Healing of our spirits.

Lord- Bless this house and all of us who serve here, to do Your work and be Your light as we lead. Amen.”

Motions and Resolutions

Reps. Paquette, Haadsma and Sneller offered the following resolution:

House Resolution No. 226.

A resolution to declare February 2022 as School-Based Health Care Awareness Month in the state of Michigan.

Whereas, Michigan's school-based and school-linked health centers (also known as child and adolescent health centers) have been delivering comprehensive primary healthcare, mental healthcare, and prevention services for over 30 years; and

Whereas, There are over 200 school-based and school-linked health centers and programs in the state of Michigan delivering a range of primary, preventive, early intervention, and mental health services to children and youth of all grade levels in urban, suburban, and rural schools across the state; and

Whereas, Children and youth served by school-based and school-linked health centers show improved rates of school attendance, enhanced scores on standardized tests, less absenteeism due to illness, and increased immunization rates, while having their wellness and healthcare needs addressed; and

Whereas, School-Based Health Care Awareness Month is a time to acknowledge the commitment and passion that school-based health center staff, parents, and guardians show for all of Michigan's children and youth, especially for their health; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare February 2022 as School-Based Health Care Awareness Month in the state of Michigan.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Green, Hall, Damoose, Hornberger, Hauck, Berman, Carra, Bezotte, Peterson, Steenland, Cambensy, Fink, Beson, LaFave, Markkanen, Maddock, Allor, Borton, Paquette, Posthumus, Outman, Griffin, Rendon, Mueller and Bollin offered the following resolution:

House Resolution No. 227.

A resolution to commemorate the 25th anniversary of the Michigan Coalition for Responsible Gun Owners. Whereas, The Michigan Coalition for Responsible Gun Owners was established on January 31, 1997 at Chief Okemos Sportsman's Club in Dimondale, Michigan by a group of passionate gun owners who began meeting in 1996 to defend and expand rights to responsible gun ownership; and

Whereas, The new organization placed an emphasis on responsible gun ownership education and working with the Legislature to craft laws which would have the support of voters and improve on existing law; and

Whereas, This group of passionate volunteers was motivated to reform practices of the local county gun boards and require that each gun board "shall issue" a concealed carry license to every qualified applicant; and

Whereas, Recognizing that membership growth was critical, the first members carried the organization in its early stages working to grow membership. As communication was key to spreading the word that an organization existed that would work with the Legislature for the good of Michigan's firearms owners, MCRGO created an internet talk list and first website, MCRGO.org, in 1998 which significantly expanded the growth of the organization; and

Whereas, MCRGO continued its successful efforts at growth, and by the spring of 2000 had grown to some 4000 members; and

Whereas, On January 2, 2001, Governor John Engler signed into law House Bill 4530, which became Public Act 381 of 2000. This new act dramatically altered the way concealed carry permits were issued across the state of Michigan; and

Whereas, MCRGO worked with Governor Jennifer Granholm to create Michigan's Self-Defense Act in 2006, eliminating the duty to retreat. The organization also worked with Governor Rick Snyder to pass concealed pistol license reform in 2015, eliminating county gun boards; and

Whereas, MCRGO established a concealed pistol license training program in 2016 leading to the certification of over 42,000 students by the end of 2021 and contributing to Michigan's exponential increase in current concealed pistol license holders. MCRGO has taken dynamic action to expand the diversity of responsible gun owners in Michigan and as a result is now the largest state-based firearms organization in the United States; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body commemorate the 25th anniversary of the Michigan Coalition for Responsible Gun Owners. We honor its members, volunteers, directors, and staff for their role in promoting safe use and ownership of firearms through education, litigation, and legislation over the past quarter century and recognize that the coalition and its partners are essential to protecting Article 1, Section 6 of the Michigan Constitution.

The resolution was referred to the Committee on Military, Veterans and Homeland Security.

Citizens have the right participate in organ donation. I believe these same citizens should have the right to donate stem cells from the loss of their baby, regardless of the manner of loss. Additionally, this legislation is unconstitutional.”

Rep. Cynthia Johnson, having reserved the right to explain her protest against the passage of the bill, made the following statement:

“Mr. Speaker and members of the House:

Based on the Rep. from the 86th district’s speech on this bill, he said, in part, when you see wrong and don’t do anything about it, you will have to account to God. Because I realize that my Reparation bills will likely not be given a chance to be heard or voted on. HB 5558 imposes its will on women, yet the Reparation legislation’s purpose is to right wrongs.”
