### **SUMMARY:**

House Bills 5295 and 5296 would allow one or more individuals licensed under the Public Health Code as a chiropractor to form a professional limited liability company or a professional corporation with one or more other chiropractors or with one or more individuals licensed to engage in the practice of medicine (M.D.), the practice of osteopathic medicine and surgery (D.O.), or the practice of podiatric medicine (podiatrist). One or more chiropractors also could form a professional limited liability company or a professional corporation with one or more licensed physician's assistants, but only if at least one M.D. or D.O. also was a member in the company or a shareholder in the corporation.

**House Bill 5295** would amend the Michigan Limited Liability Company Act to address professional limited liability companies.

MCL 450.4904

**House Bill 5296** would amend the Business Corporation Act to address professional corporations organized under that act.

MCL 450.1284

### **FISCAL IMPACT:**

House Bills 5295 and 5296 would not have an appreciable fiscal impact on any units of state or local government.
