

**SUBSTITUTE FOR
HOUSE BILL NO. 4745**

A bill to amend 2008 IL 1, entitled
"Michigan Medical Marihuana Act,"
by amending section 3 (MCL 333.26423), as amended by 2016 PA 283.

THE PEOPLE OF THE STATE OF MICHIGAN ENACT:

1 3. Definitions.

2 Sec. 3. As used in this act:

3 (a) "Bona fide physician-patient relationship" means a
4 treatment or counseling relationship between a physician and
5 patient in which all of the following are present:

6 (1) The physician has reviewed the patient's relevant medical
7 records and completed a full assessment of the patient's medical
8 history and current medical condition, including a relevant ~~in-~~
9 ~~person,~~ medical evaluation of the patient.

1 (2) The physician has created and maintained records of the
2 patient's condition in accord with medically accepted standards.

3 (3) The physician has a reasonable expectation that he or she
4 will provide follow-up care to the patient to monitor the efficacy
5 of the use of medical marihuana as a treatment of the patient's
6 debilitating medical condition.

7 (4) If the patient has given permission, the physician has
8 notified the patient's primary care physician of the patient's
9 debilitating medical condition and certification for the medical
10 use of marihuana to treat that condition.

11 (b) "Debilitating medical condition" means 1 or more of the
12 following:

3 access only by a registered primary caregiver or registered
4 qualifying patient. Marihuana plants grown outdoors are considered
5 to be in an enclosed, locked facility if they are not visible to
6 the unaided eye from an adjacent property when viewed by an
7 individual at ground level or from a permanent structure and are
8 grown within a stationary structure that is enclosed on all sides,
9 except for the base, by chain-link fencing, wooden slats, or a
10 similar material that prevents access by the general public and
11 that is anchored, attached, or affixed to the ground; located on
12 land that is owned, leased, or rented by either the registered
13 qualifying patient or a person designated through the ~~departmental~~
14 **marijuana regulatory agency's** registration process as the primary
15 caregiver for the registered qualifying patient or patients for
16 whom the marihuana plants are grown; and equipped with functioning
17 locks or other security devices that restrict access to only the
18 registered qualifying patient or the registered primary caregiver
19 who owns, leases, or rents the property on which the structure is
20 located. Enclosed, locked facility includes a motor vehicle if both
21 of the following conditions are met:

22 (1) The vehicle is being used temporarily to transport living
23 marihuana plants from 1 location to another with the intent to
24 permanently retain those plants at the second location.

25 (2) An individual is not inside the vehicle unless he or she
26 is either the registered qualifying patient to whom the living
27 marihuana plants belong or the individual designated through the
28 ~~departmental~~**marijuana regulatory agency's** registration process as
