*The People of the State of Michigan enact:*

Sec. 205. (1) The commission shall, as provided in section 203(1), by order appoint authorized distribution agents to warehouse and deliver spirits in this state to ensure that all retail licensees are properly serviced with spirits. An authorized distribution agent is subject to uniform requirements, including business operating procedures, that the commission may prescribe by rule, subject to this section.

(2) A person is eligible for appointment by the commission as an authorized distribution agent if all of the following circumstances exist:

(a) The person satisfies all applicable commission rules prescribing qualifications for licensure promulgated under section 215.

(b) The person has entered into a written agreement or contract with a supplier of spirits to warehouse and deliver a brand or brands of spirits of that supplier of spirits.

(c) The person has an adequate warehousing facility located in this state to store spirits from which all delivery of spirits to retail licensees must be made.

(3) An authorized distribution agent shall not have a direct or indirect interest in a supplier of spirits or in a retailer. A supplier of spirits or a retailer shall not have a direct or indirect interest in an authorized distribution agent. An authorized distribution agent shall not hold title to spirits.

(4) An authorized distribution agent shall deliver to each retailer located in its assigned distribution area on at least a weekly basis if the order meets the minimum requirements. Except that in a week that accompanies a

state holiday, the commission may order a modified delivery schedule if a retailer will not wait longer than 9 days between deliveries because of the modified delivery schedule. The commission shall provide for an integrated online ordering system for spirits and shall require the continuance of any ordering system in existence on the activation date of the system established under section 206. The commission shall set minimum requirements that must be a sufficient number of bottles to comprise not more than 2 cases. A retailer may pick up the product at the authorized distribution agent's warehouse. To avoid occasional emergency outages of spirits, a retail licensee may make up to 12 special emergency orders to an authorized distribution agent in each calendar year. An authorized distribution agent shall make a special emergency order available to the retail licensee within 18 hours of the placing of the order. An authorized distribution agent shall make a special emergency order placed on Saturday or Sunday available to the retail licensee before noon on the following Monday. An authorized distribution agent may impose a fee of up to \$20.00 to deliver a special emergency order to a retail licensee.

(5) In locations inaccessible to a motor vehicle as that term is defined by section 33 of the Michigan vehicle code, 1949 PA 300, MCL 257.33, an authorized distribution agent shall arrange that a delivery of spirits to a retailer be in compliance with the following procedures:

(a) After processing an order from a retailer, an authorized distribution agent shall contact a retailer to confirm the quantity of cases or bottles, or both, and the exact dollar total of the order.

(b) The authorized distribution agent shall coordinate with the retailer the date and time a driver is scheduled to deliver the order to a ferry transport dock, shall arrange any ferry, drayage, or other appropriate service, and shall pick up the retailer's payment at that time.

(c) The ferry transport company or company representing any other form of conveyance shall take the retailer's payment to the mainland dock and give that payment to the authorized distribution agent's driver.

(d) The ferry transport company or company representing any other form of conveyance shall transport the order to the drayage or other appropriate company at the island dock for immediate delivery to the retailer.

(e) The drayage or other appropriate company shall deliver the order to the retailer.

(6) An authorized distribution agent is responsible for the payment of all transportation and delivery charges imposed by the ferry, drayage, or other conveyance company and is responsible for all breakage and any shortages, whether attributable to the ferry, drayage, or other conveyance company or any combination of those companies, until the order is delivered to the retailer's establishment. This subsection does not prevent the authorized distribution agent from seeking reimbursement or damages from any company conveying the authorized distribution agent's product.

(7) Except as otherwise provided in subsection (4), an authorized distribution agent shall not charge a delivery fee or a split-case fee for delivery of spirits sold by the commission to a retailer.

(8) An authorized distribution agent or prospective authorized distribution agent shall maintain and make available to the commission or its representatives, on notice, any contract or written agreement it has with a supplier of spirits or other authorized distribution agent for the warehousing and delivering of spirits in this state.

(9) For a violation of this act, a rule promulgated under this act, or the terms of an order appointing an authorized distribution agent, an authorized distribution agent is subject to the suspension, revocation, forfeiture, and penalty provisions of sections 903(1) and 907 in the same manner in which a licensee would be subject to those provisions. An authorized distribution agent aggrieved by a penalty imposed by the commission may invoke the hearing and appeal procedures of section 903(2) and rules promulgated under section 903.

(10) A specially designated distributor may sell to an on-premises retailer up to 120 liters of spirits during any calendar year and an on-premises retailer may purchase, collectively from specially designated distributors, up to 120 liters of spirits during any calendar year. Notwithstanding any other provision of this act or rule promulgated under this act, a specially designated distributor is only liable for knowingly violating this section. An on-premises retailer shall maintain and make available to the commission on request records verifying the purchases described in this subsection. For each month in which an on-premises retailer purchases spirits under this subsection, the on-premises retailer shall submit a report to the commission indicating the purchases the on-premises retailer made under this subsection during that month. By July 1, 2020, the commission shall establish the method and form for the electronic reporting of purchases made under this subsection by on-premises retailers. The commission shall not require an on-premises retailer to submit a report under this subsection in less than monthly intervals and shall not require a report from an on-premises retailer in a month in which the on-premises retailer did not purchase spirits under this subsection.

(11) In addition to paying a vendor of spirits the acquisition price for purchasing spirits, the commission may pay a vendor of spirits an additional amount of not less than \$8.25 and not more than \$12.50 for each case of spirits purchased as an offset to the costs being incurred by that vendor of spirits in contracting with an authorized distribution agent for warehousing and delivering spirits to retailers. The payment described in this subsection may not be included in the cost of purchasing spirits by the commission and is not subject to the commission's

markup, special taxes, or state sales tax. The per-case offset established by this subsection may be increased by the state administrative board each January to reflect reasonable increases in the authorized distribution agent's cost of warehousing and delivering. As used in this subsection, "case" means a container holding twelve 750 ml bottles of spirits or other containers containing spirits that are standard to the industry.

This act is ordered to take immediate effect.
