**House Resolution No. 114.**

A resolution to declare May 25, 2023, as Stop the Bleed Day in the state of Michigan.

Whereas, The “Stop the Bleed” campaign is a national awareness effort to educate people about the importance of bleeding control measures, encourage all Michigan citizens to participate in the initiative, and learn more about the importance of bleeding control measures; and

Whereas, Each year, more than 240,000 people die from traumatic injuries sustained as a result of events including motor vehicle crashes, falls, industrial and farm accidents, natural disasters, tragic mass casualty events, and violence; and

Whereas, Trauma is the leading cause of death in the United States for individuals under age 44 and the third leading cause of death overall; and

Whereas, The most common preventable cause of death in these situations is the loss of too much blood in the minutes before trained immediate responders arrive; and

Whereas, Bleeding control is best performed with use of tourniquets or direct pressure within the initial moments of trauma and anyone can be trained to act as an immediate responder to stop a life-threatening hemorrhage. Military experience has proven that bleeding control techniques result in reduced rates of death from a hemorrhage; and

Whereas, May 20 is National Stop the Bleed Day. The “Stop the Bleed” campaign is a call-to-action movement intended to cultivate grassroots efforts that encourage bystanders to become trained, equipped, and empowered to help in a bleeding emergency before professional help arrives; and

Whereas, Providing Michigan citizens with the best chance of survival includes educating them with the knowledge and skills to perform immediate bleeding control and encouraging public places to equip bleeding control kits; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare May 25, 2023, as Stop the Bleed Day in the state of Michigan.

The question being on the adoption of the resolution,
