Senators Chang, Bayer, Shink, Irwin, Cherry, Cavanagh, Webber, Runestad and Singh offered the following resolution:

**Senate Resolution No. 129.**

A resolution to reaffirm our commitment to strengthening the ties between the state of Michigan and Taiwan, and to continue our support for Taiwan’s participation in international organizations.

Whereas, The United States and Taiwan possess shared ideals and values of freedom, democracy, human rights, rule of law, and prosperity. Furthermore, the United States has been one of Taiwan’s largest trading partners. Taiwan imports billions of dollars’ worth of agricultural products from the United States; and

Whereas, In May 2023, the Michigan Economic Development Corporation signed a historic memorandum of understanding with the Taipei Economic and Cultural Office in Chicago. Within this memorandum, the two entities recognized their economic and academic connections and their shared objective of deepening their economic development cooperation and trade relationship, to create jobs in both Michigan and Taiwan; and

Whereas, Cooperation between Michigan and Taiwan is important for resilient, diverse, and secure supply chains that benefit people in both places. Moreover, collaboration between Michiganders and Taiwanese citizens and a greater exchange of information, alongside academic partnerships to develop talent and research capabilities, could accelerate the pace of technological innovation and help our people thrive; and

Whereas, In September 2023, Governor Gretchen Whitmer visited Taiwan for the first time, and she returned there in March 2024 to announce the opening of the Michigan Taiwan Office. This new office is vital to strengthening the relationship between Michigan and Taiwan, and has already spurred investment by Taiwanese automotive suppliers in the state of Michigan; and

Whereas, These most recent connections build upon a well-established foundation of collaboration between Taiwan and the state of Michigan. The Michigan Department of Education and the Taiwanese Ministry of Education have had an English and Chinese language teacher exchange program since 2006, and the Taiwan Friendship Caucus in the Michigan Legislature seeks to further strengthen ties between our people, governments, and economies; and

Whereas, The United States government has taken steps to foster a closer relationship with Taiwan. Congress has appropriated funds for aid to Taiwan on multiple occasions. In March 2024, Congress provided over 300 million dollars in aid to Taiwan, and in April 2024, Congress appropriated almost two billion dollars for Taiwan to replenish defense equipment and reimburse the U.S. Department of Defense for its services. Under the U.S.-Taiwan Initiative on 21st Century Trade, the American Institute in Taiwan and the Taipei Economic and Cultural Representative Office in the United States are negotiating a series of bilateral trade agreements, the first of which was signed in June 2023 and implemented by legislation passed by Congress and signed by the President in August 2023. Negotiations for a second agreement are ongoing; and

Whereas, Notwithstanding this progress, the United States could go further to enhance its connections with Taiwan. The bilateral trade agreements with Taiwan could be more expansive, and the United States should encourage Taiwan's inclusion in international organizations; and

Whereas, Taiwan has a policy of "steadfast diplomacy," under which the government aims for mutual benefit and peace, and builds sustainable partnerships with Taiwan's diplomatic allies and countries that share Taiwan's values; now, therefore, be it

Resolved by the Senate, That we reaffirm our commitment to strengthening and deepening the ties between the state of Michigan and Taiwan; and be it further

Resolved, That we endorse the ongoing work of the Taipei Economic and Cultural Office in Chicago to increase awareness about Taiwan across the Midwest; and be it further

Resolved, That we continue to support Taiwan's meaningful participation in international organizations that impact the health, safety, and well-being of the people of Taiwan.

The question being on the adoption of the resolution,

The resolution was adopted.

Senators Geiss and Wojno was named co-sponsors of the resolution.

Senator Chang asked and was granted unanimous consent to make a statement and moved that the statement be printed in the Journal.

The motion prevailed.

Senator Chang's statement is as follows:

Today we have an opportunity to reaffirm our commitment to strengthening the ties between the state of Michigan and Taiwan, and to continue our support for Taiwan's participation in international organizations. I am a proud daughter of Taiwanese American immigrants who strongly believe in democracy, freedom, human rights, and the opportunity for prosperity for every person.

Over the past year, Michigan and Taiwan have implemented historic steps that we celebrate within the resolution before us today. Last year, the Michigan Economic Development Corporation signed a memorandum of understanding with the Taipei Economic and Cultural Office in Chicago. Within that memorandum, our state and Taiwan expressed a shared objective of economic development cooperation and trade relationships to create jobs in both places. The memorandum noted that cooperation between Michigan and Taiwan is critical for resilient, diverse, and secure supply chains, and that academic partnerships can further develop talent and research capabilities and accelerate technological innovation.

Last fall, Governor Gretchen Whitmer visited Taiwan for the first time, and then a few months ago she returned to announce the opening of the first ever Michigan Taiwan Office. This new office is vital to strengthening the relationship between Michigan and Taiwan and has already spurred investment by Taiwanese automotive suppliers in Michigan.

In April, the United States Congress appropriated almost \$2 billion for Taiwan to replenish defense support, and negotiations for a second bilateral trade agreement are ongoing. We hope that these agreements will be expansive and hope that our country will encourage Taiwan's inclusion in international organizations.

Tomorrow we are excited that the Taipei Economic and Cultural Office in Chicago will be visiting Michigan again as a part of their continued work to increase awareness about Taiwan across the Midwest. This resolution is another step forward to reaffirm our friendship and growing connection between Michigan and Taiwan, and to reiterate our support for the health, safety, and well-being of people in Taiwan.

Senator Johnson offered the following resolution:

**Senate Resolution No. 130.**

A resolution to urge the United States Congress to enact legislation creating an efficient system to ensure that citizens are not registered to vote in multiple states.

Whereas, Accurate voter rolls are critical to the integrity of the elections process. Maintaining accurate records reduces the risk of fraudulent voting, and it can make the task of election administrators easier. The elimination of duplicate registrations reduces the volume of records that election officials are responsible for reviewing, thereby facilitating future efforts at voter roll maintenance; and

Whereas, Reports show that there may be millions of people who are registered to vote in multiple states. For instance, a 2012 Pew study found that around 2.75 million people appeared to be registered to vote in more than one state. More recently, the Interstate Voter Registration Crosscheck Program indicated that there were upwards of 7 million potential duplicate registrations in an analysis of voter registration records across 28 states in 2017. And, in 2022, the Electronic Registration Information Center identified over 2.4 million voter registrations in 31 states and the District of Columbia that seemed to be out of date because a voter had moved across state lines. While state election officials regularly work to clean voter rolls of those who have moved away, and some states compare their voter registration lists to identify duplicate registrations, the problem persists; and

Whereas, To efficiently mitigate the problem of duplicate voter registrations, a federal approach is necessary. In 2012, then-U.S. Representative Candice Miller of Michigan introduced the Voter Registration Integrity Act to deal with this issue. Under the legislation, state motor vehicle agencies would have been required to ask driver's license applicants if they reside or resided in another state, and, if so, ask whether the applicant intends to register to vote in the new state. If the individual intends to register to vote in the state where they are applying for a driver's license, the state motor vehicle authority would notify the individual's previous state of residence of the individual's decision. This bill presents a framework for a smart, national approach to fixing this problem; and

Whereas, This legislation has now been reintroduced in the current session of Congress by U.S. Representative Lisa McClain of Michigan as the Voter Registration Efficiency Act, H.R. 2566. This legislation lays out a process for election officials to be notified when an individual no longer intends for a state to serve as the individual's residence for voter registration purposes; now, therefore, be it

Resolved by the Senate, That we urge the United States Congress to enact the Voter Registration Efficiency Act, H.R. 2566, or similar legislation to create an efficient system to ensure that citizens are not registered to vote in multiple states; and be it further

Resolved, That copies of this resolution be transmitted to the President of the United States Senate, the Speaker of the United States House of Representatives, and the members of the Michigan congressional delegation.

Pending the order that, under rule 3.204, the resolution be referred to the Committee on Government Operations, Senator Singh moved that the rule be suspended.

The motion prevailed, a majority of the members serving voting therefor.

The question being on the adoption of the resolution,

Senator Singh moved that the resolution be referred to the Committee on Elections and Ethics.

The motion prevailed.

Senator Webber was named co-sponsor of the resolution.

Senator Hauck offered the following resolution:

**Senate Resolution No. 131.**

A resolution to designate May 2024 as Motorcycle Safety Awareness Month.

Whereas, Michigan has 236,902 registered motorcycles and 609,401 individuals who have operator licenses with a motorcycle endorsement; and

Whereas, The safe operation of a motorcycle requires the use of special skills developed through a combination of training and expertise, the use of good judgment, plus a thorough knowledge of traffic laws and licensing requirements; and

Whereas, The use of proper protective riding apparel is an important part of a motorcycle operator's responsibility; and

Whereas, Motorcycle safety awareness advocacy is a cooperative effort to decrease the number of injuries and fatalities associated with motorcycling; and

Whereas, The promotion of motorcycle rider education programs available through the Michigan Department of State, including recommendations that motorcycle operators wear the proper gear, in addition to driving their vehicles defensively and cautiously, is intended to reduce the number of crashes; and

Whereas, The emergence of spring is synonymous with the return of motorcycle enthusiasts to our state's roadways. Throughout Michigan, motorcyclists have been on the cutting edge of supporting the wise and sensible use of this enjoyable mode of travel; and

Whereas, Indeed, the disproportionate number of motorcycle fatalities make it vitally important to encourage motorcyclists to understand and practice the highest degree of safety. It is also important to remind other drivers that highway safety is beneficial to all parties traveling on public roadways; and

Whereas, Motorcycle Safety Awareness Month encourages motorcycle operators to wear proper protective riding attire, maintain their motorcycles using safety and maintenance checks found in the owner's manual, abide by the laws of the road, and implement operating techniques providing an additional standard of safety; and

Whereas, Car and truck drivers are informed of the fact that motorcyclists are resuming their travels on our public roadways and each is advised to be exceptionally vigilant and watchful when approaching or passing a motorcycle on the highway and to "look twice to save a life"; now, therefore, be it

Resolved by the Senate, That the members of this legislative body designate May 2024 as Motorcycle Safety Awareness Month. We encourage all of Michigan's citizens to participate in the aims and goals of this effort.

The question being on the adoption of the resolution,

The resolution was adopted.

Senator Geiss, Webber and Wojno were named co-sponsors of the resolution.

Senator Hauck asked and was granted unanimous consent to make a statement and moved that the statement be printed in the Journal.

The motion prevailed.

Senator Hauck's statement is as follows:

Today I rise to ask for your support in designating this as Motorcycle Safety Awareness Month in the state of Michigan. Motorcycle Safety Awareness Month aims to decrease injuries and fatalities through education and advocacy. By promoting rider education programs and emphasizing the importance of wearing protective gear, we can significantly reduce the number of crashes. As spring returns, so do motorcycle enthusiasts to our roadways. With nearly 237,000 registered motorcycles and 600,000 licensed operators, it's imperative that we remind all drivers to be vigilant and to look twice to save lives.

Senator Geiss offered the following resolution:

**Senate Resolution No. 132.**

A resolution to commemorate June 12, 2024, as Loving Day.

Whereas, Mildred and Richard Loving were an interracial couple who were married in Washington D.C., in 1958, but were banned from marrying in their home state of Virginia, where interracial marriage was illegal at the time; and

Whereas, The Lovings were arrested five weeks after their marriage, found guilty of violating the Act to Preserve Racial Integrity, and banned from the state of Virginia for 25 years; and

Whereas, The Lovings challenged this ruling five years into their 25 year sentence and their case was taken up by the American Civil Liberties Union; and

Whereas, *Loving v. Virginia* worked its way through the judicial system until the United States Supreme Court unanimously decided in 1967 that the Lovings' marriage should be upheld; and

Whereas, The Virginia statute was found unconstitutional under the 14th Amendment to the United States Constitution which forbids states from restricting basic rights of citizens or other persons; and

Whereas, Laws banning interracial marriages were found similarly unconstitutional and struck down in 16 remaining states that observed them; and

Whereas, In 2004, Loving Day was founded and has garnered support from thousands of people domestically and internationally, and from organizations and publications; and

Whereas, Loving Day celebrations aim to create a common connection between multiracial communities, groups, and individuals; and

Whereas, The mission of Loving Day is to fight racial prejudice, promote tolerance, awareness, and understanding through education, and foster supportive multicultural communities; and

Whereas, Loving Day seeks to commemorate and celebrate the United States Supreme Court’s 1967 ruling, keeping its importance fresh in the minds of a generation that has grown up with interracial relationships being legal, as well as to explore issues facing couples currently in interracial relationships; and

Whereas, Michigan has long celebrated and enjoyed this freedom since it became state law in 1883 by repeal of the 1838 Miscegenation Act; and

Whereas, We recognize the importance of diversity, acceptance, and the right to love freely without boundaries; and

Whereas, We now advance through the 21st century as a multiracial and multicultural society and realize that we must find a common vision from our interwoven past to build a society free of racism for the benefit of our collective future; now, therefore, be it

Resolved by the Senate, That the members of this legislative body commemorate June 12, 2024, as Loving Day. We promote unity among all people.

The question being on the adoption of the resolution,

The resolution was adopted.

Senator Wojno was named co-sponsor of the resolution.
