	GF/GP	NA	(\$41,300)

Major Boilerplate Changes from FY 2022-23

Sec. 205. Report Recipients – DELETED

Requires boilerplate reports be submitted to appropriations subcommittees, fiscal agencies, legislative policy offices, and the state budget office unless otherwise stated.

House adds new section, Senate does not add new section.

Sec. 207. Disciplinary Action Against State Employees – RETAINED

Prohibits department from disciplining state employees for communicating with members of the legislature and their staffs, unless communication is prohibited by law. (*Governor deemed this section unenforceable in FY 2022-23.*)

Executive deletes, House and Senate retain.

Major Boilerplate Changes from FY 2022-23

Sec. 210. GF/GP Lapse – REVISED

Requires report of estimated GF/GP appropriation lapses at close of previous year.

Executive and Senate revise due date from November 30 to December 31, House revises due date to December 15 and report recipients to those listed in Sec. 205.

Sec. 211. Contingency Fund Transfer Authority – REVISED

Allows for the legislative transfer process to increase state restricted authorization by up to \$5.0 million.

Executive revises to increase federal authorization by up to \$10.0 million, state restricted authorization by up to \$3.0 million, and private authorization by up to \$1.0 million; House and Senate concur.

Sec. 212. Expenditure Posting on Internet – RETAINED

Requires expenditures to be reported on the internet on a searchable website, including specific expenditure information.

Executive deletes, House and Senate retain.

Sec. 213. Restricted Fund Revenues, Expenditures, and Fund Balances – RETAINED

Requires annual report on fund balances, revenues, and expenditures for state restricted funds for previous and current fiscal years.

Executive deletes, House revises report recipients to those listed in Sec. 205, Senate retains.

Sec. 214. Website Scorecard – RETAINED

Requires department to maintain on a publicly accessible website a department scorecard with key metrics concerning the department's performance.

Executive deletes, House and Senate retain.

Sec. 215. Identification of Legacy Costs – DELETED

Estimates annual appropriations for legacy costs, including pension-related legacy costs and health care-related legacy costs.

Executive deletes, House and Senate concur.

Sec. 217. FTE Vacancies and Remote Work Report – REVISED

Requires department to report on the number of FTE positions filled, FTE vacancies, the number of employees working remotely, the number of employees authorized to work remotely, estimated cost savings from remote work, and reduction in office space due to working remotely.

Executive and Senate revise to remove remote work provisions, House concurs and revises report recipients to those listed in Sec. 205.

Sec. 218. Remote Working – RETAINED

States legislative intent to prioritize in-person work for the state's workforce where possible unless they were working remotely prior to February 28, 2020.

Executive deletes, House and Senate retain.

Sec. 219. State Administrative Board Transfers – DELETED

Allows legislature to adopt a concurrent resolution to intertransfer funds within the department's budget if the State Administrative Board transfers appropriated funds. (*Governor deemed this section unenforceable in FY 2022-23.*)

Executive deletes, House and Senate concur.

Sec. 221. Receipt and Retention of Reports – RETAINED

Requires department to receive and retain copies of all reports.

Executive deletes, House and Senate retain.

Sec. 222. Report on Policy Changes Made to Implement Public Acts Affecting Department – RETAINED

Requires department to report on each specific policy change made to implement a public act affecting the department that took effect during the prior calendar year by April 1.

Executive deletes, House and Senate retain.

Sec. 223. Severance Reporting – RETAINED

Requires department to report details of severance pay for certain departmental employees.

Executive deletes, House revises to remove internet posting requirement, Senate retains.

Sec. 224. COVID-19 Vaccine Disclosure – DELETED

Prohibits state officials from requiring COVID-19 vaccine disclosure as a condition of receiving state services or developing a vaccine passport.

Executive deletes, House and Senate concur.

Major Boilerplate Changes from FY 2022-23

Sec. 224. Expending Available Work Project Authorization – RETAINED

Advises department not to expend appropriations until existing work project authorization for the same purpose has been expended. (*Governor deemed this section unenforceable in FY 2022-23.*)

Executive deletes, House and Senate retain.

Sec. 225. Access to State and Local Services – DELETED

Prohibits appropriations from being used to restrict or interfere with actions related to diversity, equity, and inclusion; to restrict or impede community access to government programs; or restrict an individual's ability to exercise the right to reproductive freedom; requires local governments to report on actions that attempt to restrict duties of local health officers.

Executive adds new section, House concurs, Senate does not add.

Sec. 229. Energy and Noise Efficiency – NEW

Requires preference for goods and services that are energy efficient and noise efficient.

House adds new section, Senate does not add.

Sec. 240. Office of the State Archaeologist – NEW

Establishes an Office of the State Archaeologist and outlines six FTE positions.

House adds new section, Senate does not add.

Sec. 241. Incident Management Team Notification – DELETED

Requires department to notify local legislators when Incident Management Team has been activated in their district.

Executive deletes, House and Senate concur.

Sec. 242. Testing Laboratories – NEW

Prohibits the department from consolidating their testing laboratories.

Senate adds new section.

Sec. 252. Invasive Species Fund – NEW

Authorizes department to expend the Invasive Species Fund for invasive species response efforts; requires report to legislature.

Executive adds new section, House and Senate concurs.

Sec. 304. Receive and Expend for Carbon Offset Credits – NEW

Authorizes department to receive and expend revenues to pay vendors for administering carbon offset credits.

Executive adds new section, House and Senate concur.

Sec. 408. Land Transactions – DELETED

Requires detailed report to legislature by October 21 on land purchases, sales, and exchanges.

Executive and Senate delete, House retains and revises due date to December 1.

Sec. 506. USDA Wildlife Services Deer Harvesting – DELETED

Encourages United States Department of Agriculture Wildlife Services to harvest all deer during targeted removal required under Enhanced Wildlife Biosecurity Program.

Executive deletes, House and Senate concur.

Sec. 802. Timber Marking – REVISED

Requires department to report quarterly on number of acres of state forest land marked or treated for timber harvest.

Executive deletes, House revises to annual report, Senate revises to annual report due January 1.

Sec. 901. Snowmobile Law Enforcement Grants – DELETED

Authorizes snowmobile law enforcement grant funds to county law enforcement agencies in counties with state snowmobile trails.

Executive and Senate delete, House retains.

Sec. 902. Marine Safety Grants – DELETED

Requires report on Marine Safety Grant Program; requires report to include watercraft registration revenues, revenues and expenditures of Marine Safety Fund, grant distribution methodology, and list of grant awards by county.

Executive and Senate delete, House retains.

Sec. 903. Body Cameras for Conservation Officers – DELETED

Requires appropriation to be expended on body cameras for conservation officers.

Executive deletes, House retains.

Major Boilerplate Changes from FY 2022-23

Sec. 1201. Chronic Wasting Disease Testing – DELETED
