FY 2022-23 Year-to-Date Appropriation .....	\$2,016,635,700	\$1,540,221,000		
	CHANGE FROM FY 2022-23 Y-T-D		FY 2023-24 RECOMMENDED APPROPRIATION	
	Gross	GF/GP	Gross	GF/GP
<b><u>Baseline Adjustments</u></b>				
<b>1. MPSERS Normal Cost Offset.</b> The Senate included additional funds for MPSERS normal costs, which are the present value of the cost of future retirement benefits accrued during a year of employment. This appropriation varies annually, based on market conditions, payroll growth, and various other actuarial assumptions.	4,450,000	0	9,100,000	0
<b>2. North American Indian Tuition Waiver Adjustments.</b> The Senate included an adjustment to ITW payments to colleges, based on the most recent ITW cost data submitted to the Department of Civil Rights.	257,200	257,200	12,318,300	12,318,300
<b>3. Michigan Competitive Scholarship (MCS) Phaseout.</b> The Senate's budget reflects an anticipated reduction in MCS expenditures due to the eventual phaseout of the MCS associated with the Michigan Achievement Scholarship (MAS). Statute does not allow a student to receive an award from both the MCS and MAS; since the MAS has a significantly higher award amount for most students, it is anticipated that students who would be eligible for both will select the MAS.	(3,000,000)	(3,000,000)	26,861,700	2,930,900
<b>4. MPSERS Unfunded Actuarially Accrued Liabilities (UAAL) Stabilization Payment.</b> The Senate removed appropriations for the State's share of MPSERS UAAL costs in excess of the 25.73% statutory cap. The FY 2021-22 budget contained \$384.7 million to pay down this liability and to rebase the annual payments the 7 MPSERS universities pay toward the UAAL. The rebased payment amounts for each university will not exceed the cap during FY 2023-24, so no State payment is statutorily required.	(70,000)	0	0	0
<b><u>New Programs/Program Increases</u></b>				
<b>5. University Operations Increase.</b> The Senate included a 6.0% ongoing operations increase for universities, distributed proportionately to each university's FY 2022-23 operations amounts. This increase also reflects a 6.0% increase for MSU Extension and AgBioResearch.	95,944,000	95,944,000	1,677,297,400	1,334,129,100

<b>6. University Per-FYES Floor Payments.</b> The Senate included additional funds for the second year of a 3-year policy intended to bring each university's per-FYES State aid up to a minimum of \$4,500 per FYES. Oakland, Grand Valley, and U of M - Dearborn would receive additional funds under this item.	5,644,400	5,644,400	23,354,100	23,354,100
<b>7. Higher Education Coordinating Council.</b> The Senate included funding and boilerplate to create a new council to perform various statewide functions as they relate to postsecondary education, including reporting, coordination of scholarship programs, and data analysis.	2,500,000	2,500,000	2,500,000	2,500,000
<b>8. Postsecondary Scholarship Fund Deposit.</b> The Senate included an additional \$50.0 million ongoing GF/GP deposit to the Postsecondary Scholarship Fund. The Fund is the primary fund source for the Michigan Achievement Scholarship. Boilerplate language states the intent that appropriations to the Fund increase by \$50.0 million each year until the MAS is fully implemented.	50,000,000	50,000,000	300,000,000	300,000,000
<b><u>One-Time Appropriations</u></b>				
<b>9. Information Technology, Equipment, and Maintenance (ITEM) Grants.</b> The Senate included \$141.3 million in one-time GF/GP for universities to use on various IT, equipment, and other capital costs, including sustainability efforts. Funds are allocated to universities based on their FY 2021-22 full-year equated student counts.	141,277,500	141,277,500	141,277,500	141,277,500
<b>10. MPSERS Participant Supplemental Payment.</b> The Senate included \$13.0 million for the seven universities that participate in MPSERS. Those universities received a smaller ongoing funding increase in the FY 2022-23 budget; this payment would make up the difference between what those universities received as an increase in FY 2022-23 and the minimum increase received by other universities.	12,952,400	12,952,400	12,952,400	12,952,400
<b>11. Critical Incident Mapping.</b> The Senate included \$2.5 million one-time GF/GP, distributed to universities proportionately to each university's FY 2023-24 operations amount, for critical incident mapping.	2,500,000	2,500,000	2,500,000	2,500,000
<b>12. Michigan Geological Survey.</b> The Senate included \$2.0 million GF/GP for Western Michigan University to construct a new facility to house the Michigan Geological Survey.	2,000,000	2,000,000	2,000,000	2,000,000

<sup>1</sup> The Michigan Achievement Scholarship is technically funded from GF/GP deposits into the Postsecondary Scholarship Fund. The appropriation is reflected as a direct GF/GP appropriation in this table to avoid double-counting.

<sup>2</sup> ITW reimbursements are based on the ITW costs reported by institutions in the prior fiscal year, and include passthrough payments for ITW reimbursements to tribal colleges.

A technical error in the Governor's Recommendation failed to remove FY23 passthrough payments to Saginaw Chippewa Tribal College (through CMU) and Keweenaw Bay Ojibwa Community College (through NMU). CMU's adjustment should be (\$198,900), and NMU's adjustment should be \$89,400.
