A bill to amend 1954 PA 116, entitled
"Michigan election law,"
by amending section 761d (MCL 168.761d), as amended by 2022 PA 195.

1 Sec. 761d. (1) Each city or township must have at least 1
2 absent voter ballot drop box that registered electors in the city
3 or township may use to return completed absent voter ballot
4 applications and voted absent voter ballots. If a city or township
5 has more than 15,000 registered electors, that city or township
6 must have at least 1 absent voter ballot drop box for every 15,000
7 registered electors in the city or township. In determining the
8 number of registered electors in a city or township under this
9 subsection, the city or township must use the number of registered

1 electors that are in the city or township 150 days before the date
2 of the election at which the absent voter ballot drop boxes are to
3 be used.

4 (2) The secretary of state shall facilitate the procurement
5 and distribution of absent voter ballot drop boxes that can be used

16 secretary of state shall issue instructions regarding the
17 application process for city or township clerks to apply for absent
