5 (f) Take necessary measures to ensure that the board of
6 directors of a public school academy operates independently of any
7 educational management company involved in the operations of the
8 public school academy.

9 (g) Oversee and ensure that the pupil admission process used
10 by the public school academy is operated in a fair and open manner
11 and is in compliance with the contract and this part.

12 (h) Ensure that the board of directors of the public school
13 academy maintains and releases information as necessary to comply
14 with applicable law.

15 (2) An authorizing body may enter into an agreement with 1 or
16 more other authorizing bodies to carry out any function of an
17 authorizing body under this act.

18 (3) The authorizing body for a public school academy is the
19 fiscal agent for the public school academy. A state school aid
20 payment for a public school academy ~~shall~~**must** be paid to the
21 authorizing body that is the fiscal agent for that public school
22 academy, and the authorizing body shall then forward the payment to
23 the public school academy. Within 30 days after a contract is
24 submitted to the department by an authorizing body under subsection
25 (1), the department shall issue a district code to the public
26 school academy for which the contract was issued. If the department
27 does not issue a district code within 30 days after a contract is
28 filed, the state treasurer shall assign a temporary district code
29 in order for the public school academy to receive funding under the

1 state school aid act of 1979.

2 (4) A contract issued under this part may be revoked by the
3 authorizing body if the authorizing body determines that 1 or more
4 of the following have occurred:

5 (a) Failure of the public school academy to demonstrate
6 improved pupil academic achievement for all groups of pupils or
7 meet the educational goals set forth in the contract.

8 (b) Failure of the public school academy to comply with all
9 applicable law.

10 (c) Failure of the public school academy to meet generally
11 accepted public sector accounting principles and demonstrate sound
12 fiscal stewardship.

13 (d) The existence of 1 or more other grounds for revocation as
14 specified in the contract.

15 (5) Except for a public school academy that is an alternative
16 school serving a special student population, if the department
17 determines that a public school academy site that has been
18 operating for at least 4 years is among the lowest achieving **5% of**
19 public schools in this state for the immediately preceding 3 school
20 years, as determined under ~~section 1280c or 1280g, as applicable,~~
21 **federal accountability requirements as provided under the every**
22 **student succeeds act, Public Law 114-95**, not to include any
23 individualized education plan subgroup, the department shall notify
24 the public school academy's authorizing body. Subject to subsection
25 (6), if an authorizing body receives notice from the department
26 under this subsection, the authorizing body shall notify the public
27 school academy and amend the public school academy's contract to
28 eliminate the public school academy's authority to operate the
29 existing age and grade levels at the site and the public school

1 academy shall cease operating the existing age and grade levels at
2 the site, effective at the end of the current school year. Subject
3 to subsection (6), if the public school academy operates at only 1
4 site, and the authorizing body receives notice from the department
5 under this subsection, the authorizing body shall notify the public
6 school academy and revoke the public school academy's contract,
7 effective at the end of the current school year.

8 (6) For a public school academy or site that is subject to a
9 notice to its authorizing body under subsection (5), the department
10 shall consider other public school options available to pupils in
11 the grade levels offered by the public school academy or site who
12 reside in the geographic area served by the public school academy
13 or site. If the department determines that closure of the public
14 school academy or site would result in an unreasonable hardship to
15 these pupils because there are insufficient other public school
16 options reasonably available for these pupils, the department may
17 rescind the notice. If the department rescinds a notice subjecting
18 a public school academy or site to closure, the department shall do
19 so before the end of the school year. If the department rescinds a
20 notice subjecting a public school academy or site to closure, the
21 department shall require the public school academy or site to
22 implement a school improvement plan that includes measures to
23 increase pupil growth and improve pupil proficiency, with growth
24 and proficiency measured by performance on state assessments.

25 (7) Except as otherwise provided in section 502 or 503, the
26 decision of an authorizing body to issue, not issue, or
27 reconstitute a contract under this part, or to terminate or revoke
28 a contract under this section, is solely within the discretion of
29 the authorizing body, is final, and is not subject to review by a

1 court or any state agency. An authorizing body that issues, does
2 not issue, or reconstitutes a contract under this part, or that
3 terminates or revokes a contract under this section, is not liable
4 for that action to the public school academy, the public school
5 academy corporation, a pupil of the public school academy, the
6 parent or guardian of a pupil of the public school academy, or any
7 other person.

8 (8) Except as otherwise provided in this section, before an
9 authorizing body revokes a contract, the authorizing body may
10 consider and take corrective measures to avoid revocation. An
11 authorizing body may reconstitute the public school academy in a
12 final attempt to improve student educational performance or to
13 avoid interruption of the educational process. An authorizing body
14 shall include a reconstituting provision in the contract that
15 identifies these corrective measures, including, but not limited
16 to, canceling a contract with an educational management
17 organization, if any, withdrawing approval of a contract under
18 section 506, or appointing a new board of directors or a trustee to
19 take over operation of the public school academy.

20 (9) If an authorizing body revokes a contract, the authorizing
21 body shall work with a school district or another public school, or
22 with a combination of these entities, to ensure a smooth transition
23 for the affected pupils. If the revocation occurs during the school
24 year, the authorizing body, as the fiscal agent for the public
25 school academy under this part, shall return any school aid funds
26 held by the authorizing body that are attributable to the affected
27 pupils to the state treasurer for deposit into the state school aid
28 fund. The state treasurer shall distribute funds to the public
29 school in which the pupils enroll after the revocation pursuant to

1 a methodology established by the department and the center for
2 educational performance and information **created under section 94a**
3 **of the state school aid act of 1979, MCL 388.1694a.**

4 (10) Not more than 10 days after a public school academy's
5 contract terminates or is revoked, the authorizing body shall
6 notify the superintendent of public instruction in writing of the
7 name of the public school academy whose contract has terminated or
8 been revoked and the date of contract termination or revocation.

11 public instruction may suspend the power of the authorizing body to
12 issue new contracts to organize and operate urban high school
13 academies. A contract issued by the authorizing body during the
14 suspension is void. A contract issued by the authorizing body
15 before the suspension is not affected by the suspension.

16 (7) An authorizing body shall not charge a fee, or require
17 reimbursement of expenses, for considering an application for a

 21 following:

8 agreement with 1 or more other authorizing bodies to oversee an
9 urban high school academy operating under a contract issued by the
10 authorizing body.

11 (e) Develop and implement a process for holding an urban high

4 **provided under the every student succeeds act, Public Law 114-95,**

6 department shall notify the urban high school academy's authorizing
7 body. Subject to subsection (6), if an authorizing body receives
8 notice from the department under this subsection, the authorizing
9 body shall notify the urban high school academy and amend the urban
10 high school academy's contract to eliminate the urban high school
11 academy's authority to operate the existing age and grade levels at
12 the site and the urban high school academy shall cease operating

27 unreasonable hardship to these pupils because there are
28 insufficient other public school options reasonably available for
29 these pupils, the department may rescind the notice. If the

1 department rescinds a notice subjecting an urban high school
2 academy or site to closure, the department shall do so before the
3 end of the school year. If the department rescinds a notice

25 a final attempt to improve student educational performance or to
26 avoid interruption of the educational process. An authorizing body
27 shall include a reconstituting provision in the contract that

29 to, removing 1 or more members of the board of directors,

1 withdrawing approval to contract under section 527, or appointing a
2 new board of directors or a trustee to take over operation of the
3 urban high school academy.

4 (9) If an authorizing body revokes a contract, the authorizing
5 body shall work with a school district or another public school, or
6 with a combination of these entities, to ensure a smooth transition
7 for the affected pupils. If the revocation occurs during the school
8 year, the authorizing body, as the fiscal agent for the urban high
9 school academy under this part, shall return any school aid funds
10 held by the authorizing body that are attributable to the affected
11 pupils to the state treasurer for deposit into the state school aid
12 fund. The state treasurer shall distribute funds to the public

16 provide the board of directors with an acceptable plan of
17 distribution of assets.

18 (d) The state treasurer, or ~~his or her~~ **the state treasurer's**
19 designee, shall monitor the urban high school academy's winding up
20 of the dissolved corporation in accordance with the plan of
21 distribution of assets approved or provided under subdivision (c).

27 directives developed for disposition of surplus land and facilities
28 under section 251 of the management and budget act, 1984 PA 431,
29 MCL 18.1251.

2 fails to take any necessary action under this section, the state
3 treasurer, or ~~his or her~~ **the state treasurer's** designee, may
4 suspend the urban high school academy board of directors and
5 appoint a trustee to carry out the board's plan of distribution of
6 assets. Upon appointment, the trustee ~~shall have~~ **has** all the
7 rights, powers, and privileges under law that the urban high school
8 academy board of directors had before being suspended.

11 any urban high school academy debt secured by the property or
12 interest in property, whether real or personal, the urban high
13 school academy board of directors, or a trustee appointed under
14 this section, shall forward any remaining money to the state
15 treasurer. Following receipt, the state treasurer, or ~~his or her~~

7 (2) Subject to the limitations in this subsection and
8 subsections (14) and (15), an authorizing body may issue contracts
9 under this subsection for 1 or more schools of excellence that are
10 cyber schools. The combined total number of contracts issued by all
11 statewide authorizing bodies under this subsection for schools of
12 excellence that are cyber schools shall not exceed 15. The board of
13 a school district, an intermediate school board, the board of a
14 community college that is not a statewide authorizing body, or 2 or
15 more public agencies acting jointly as described in subsection
16 (6)(e) may not act as the authorizing body for more than 1 school
17 of excellence that is a cyber school. An authorizing body shall not
18 issue a contract for a school of excellence that is a cyber school
19 unless the school of excellence that is a cyber school meets all of
20 the following requirements:

21 (a) Is available for enrollment to all pupils in this state.

22 (b) Offers some configuration of or all of grades K to 12.

23 (c) The entity applying for the school of excellence that is a
24 cyber school demonstrates experience in delivering a quality
25 education program that improves pupil academic achievement. In
26 determining whether this requirement is met, an authorizing body
27 shall refer to the standards for quality online learning
28 established by the national association of charter school
29 authorizers or other similar nationally recognized standards for

1 quality online learning.

2 (d) The enrollment in the school of excellence that is a cyber

4 the first school year of operation of the school of excellence that
5 is a cyber school, not more than 5,000 pupils in membership for the
6 second school year of operation of the school of excellence that is
7 a cyber school, and not more than 10,000 pupils in membership for
8 the third and subsequent school years of operation of the school of
9 excellence that is a cyber school. As used in this subdivision,
10 "membership" means that term as defined in section 6 of the state
11 school aid act of 1979, MCL 388.1606.

12 (e) The school of excellence that is a cyber school offers
13 each pupil's family a computer and subsidizes the cost of internet
14 access.

15 (3) For a public school academy operating under part 6a that
16 meets the requirements of subsection (4), with the approval of its
17 authorizing body, the board of directors of the public school
18 academy may adopt a resolution choosing to convert the public
19 school academy to a school of excellence under this part. If the
20 board of directors of a public school academy that meets the
21 requirements of subsection (4) is issued a contract as a school of
22 excellence under this subsection, all the following apply:

23 (a) The public school academy shall cease to operate as a
24 public school academy under part 6a and shall operate as a school
25 of excellence upon the issuance of a contract or at another time as
26 determined by the authorizing body.

27 (b) The public school academy ~~shall be~~ **is** considered to be a
28 school of excellence for all purposes upon the issuance of a
29 contract or at another time as determined by the authorizing body,

1 but ~~shall retain~~**retains** its corporate identity.

2 (c) The conversion of a public school academy under part 6a to
3 a school of excellence operating under this part ~~shall~~**does** not
4 impair any agreement, mortgage, loan, bond, note or other
5 instrument of indebtedness, or any other agreement entered into by
6 a public school academy while it was operating under part 6a.

7 (d) The contract issued to the public school academy under
8 part 6a ~~shall~~**must** automatically terminate upon the issuance of a
9 contract or at another time as determined by the authorizing body.

10 (4) Subsection (3) applies to a public school academy that is
11 determined by the department to meet all of the following, as
12 applicable:

13 (a) If the public school academy operates only some or all of
14 grades K to 8, meets at least 1 of the following:

15 (i) On average over a 3-year period, at least 90% of the pupils
16 enrolled in the public school academy achieved a score of
17 proficient or better on the Michigan education assessment program
18 mathematics and reading tests or successor state assessment
19 program.

20 (ii) On average over a 3-year period, at least 70% of the
21 pupils enrolled in the public school academy achieved a score of
22 proficient or better on the Michigan education assessment program
23 mathematics and reading tests or successor state assessment program
24 and at least 50% of the pupils enrolled in the public school
25 academy met the income eligibility criteria for the federal free or
26 reduced-price lunch program, as determined under the Richard B.
27 Russell national school lunch act, 42 USC 1751 to 1769j, and
28 reported to the department.

29 (b) If the public school academy operates grades 9 to 12, at

1 least 80% of the school's pupils graduate from high school or are
 2 determined by the department to be on track to graduate from high
 3 school, the school has at least 80% average attendance, and the
 4 school has at least an 80% postsecondary enrollment rate.

5 (5) A school of excellence ~~shall~~**must** be organized and
 6 administered under the direction of a board of directors in
 7 accordance with this part and with bylaws adopted by the board of
 8 directors. A school of excellence ~~shall~~**must** be organized under the
 9 nonprofit corporation act, 1982 PA 162, MCL 450.2101 to 450.3192,
 10 except that a school of excellence is not required to comply with
 11 sections 170 to 177 of 1931 PA 327, MCL 450.170 to 450.177. To the
 12 extent disqualified under the state or federal constitution, a
 13 school of excellence ~~shall~~**must** not be organized by a church or
 14 other religious organization and ~~shall~~**must** not have any
 15 organizational or contractual affiliation with or constitute a
 16 church or other religious organization.

17 (6) Any of the following may act as an authorizing body to
 18 issue a contract to organize and operate 1 or more schools of
 19 excellence under this part:

20 (a) The board of a school district. However, except as
 21 otherwise provided in this subdivision, the board of a school
 22 district shall not issue a contract for a school of excellence to
 23 operate outside the school district's boundaries, and a school of
 24 excellence authorized by the board of a school district shall not
 25 operate outside that school district's boundaries. If the board of
 26 a school district issues a contract for a school of excellence that
 27 is a cyber school, the contract may authorize the school of
 28 excellence that is a cyber school to operate outside that school
 29 district's boundaries.

1 (b) An intermediate school board. However, except as otherwise
2 provided in this subdivision, the board of an intermediate school
3 district shall not issue a contract for a school of excellence to
4 operate outside the intermediate school district's boundaries, and
5 a school of excellence authorized by the board of an intermediate
6 school district shall not operate outside that intermediate school
7 district's boundaries. If the board of an intermediate school
8 district issues a contract for a school of excellence that is a
9 cyber school, the contract may authorize the school of excellence
10 that is a cyber school to operate outside that intermediate school
11 district's boundaries.

12 (c) The board of a community college. Except as otherwise
13 provided in this subdivision, the board of a community college
14 shall not issue a contract for a school of excellence to operate
15 outside the boundaries of the community college district, and a
16 school of excellence authorized by the board of a community college
17 shall not operate outside the boundaries of the community college
18 district. If the board of a community college issues a contract for
19 a school of excellence that is a cyber school, the contract may
20 authorize the school of excellence that is a cyber school to
21 operate outside the boundaries of the community college district.
22 The board of a community college also may issue a contract for not
23 more than 1 school of excellence to operate on the grounds of an
24 active or closed federal military installation located outside the
25 boundaries of the community college district, or may operate a
26 school of excellence itself on the grounds of such a federal
27 military installation, if the federal military installation is not
28 located within the boundaries of any community college district and
29 the community college has previously offered courses on the grounds

1 of the federal military installation for at least 10 years.

2 (d) The governing board of a state public university.

3 (e) Two or more of the public agencies described in

7 124.512.

8 (7) To obtain a contract to organize and operate 1 or more
9 schools of excellence, 1 or more persons or an entity may apply to
10 an authorizing body described in this section. The application
11 ~~shall~~**must** include at least all of the following:

12 (a) Identification of the applicant for the contract.

13 (b) Subject to the resolution adopted by the authorizing body
14 under section 553(4), a list of the proposed members of the board
15 of directors of the school of excellence and a description of the
16 qualifications and method for appointment or election of members of
17 the board of directors.

18 (c) The proposed articles of incorporation ~~, which shall~~**that**
19 **must** include at least all of the following:

20 (i) The name of the proposed school of excellence.

21 (ii) The purposes for the school of excellence corporation.

22 This language ~~shall~~**must** provide that the school of excellence is
23 incorporated pursuant to this part and that the school of
24 excellence is a governmental entity.

25 (iii) The name of the authorizing body.

26 (iv) The proposed time when the articles of incorporation will
27 be effective.

28 (v) Other matters considered expedient to be in the articles

10 progress of the pupils in the school of excellence ~~shall~~**must** be

12 Michigan student test of educational progress (M-STEP) or the
13 Michigan merit examination under section 1279g, as applicable.

14 (iii) The admission policy and criteria to be maintained by the
15 school of excellence. The admission policy and criteria ~~shall~~**must**
16 comply with section 556. This part of the application also ~~shall~~

6 plant in which the school of excellence will be located. An
7 applicant may request the authorizing body to issue a contract
8 allowing the board of directors of the school of excellence to
9 operate the same configuration of age or grade levels at more than
10 1 site.

11 (8) An authorizing body shall oversee, or shall contract with
12 an intermediate school district, community college, or state public
13 university to oversee, each school of excellence operating under a
14 contract issued by the authorizing body. The authorizing body is
15 responsible for overseeing compliance by the board of directors
16 with the contract and all applicable law. This subsection does not
17 relieve any other government entity of its enforcement or
18 supervisory responsibility.

19 (9) If the superintendent of public instruction finds that an
20 authorizing body is not engaging in appropriate continuing
21 oversight of 1 or more schools of excellence operating under a
22 contract issued by the authorizing body, the superintendent of
23 public instruction may suspend the power of the authorizing body to
24 issue new contracts to organize and operate schools of excellence.
25 A contract issued by the authorizing body during the suspension is
26 void. A contract issued by the authorizing body before the
27 suspension is not affected by the suspension.

28 (10) An authorizing body shall not charge a fee, or require
29 reimbursement of expenses, for considering an application for a

1 contract, for issuing a contract, or for providing oversight of a
2 contract for a school of excellence in an amount that exceeds a
3 combined total of 3% of the total state school aid received by the
4 school of excellence in the school year in which the fees or
5 expenses are charged. The authorizing body may provide other
6 services for a school of excellence and charge a fee for those
7 services, but shall not require such an arrangement as a condition
8 to issuing the contract authorizing the school of excellence.

9 (11) A school of excellence ~~shall be~~ **is** presumed to be legally
10 organized if it has exercised the franchises and privileges of a
11 public school academy for at least 2 years.

12 (12) A member of the board of directors of a school of
13 excellence is a public officer and shall, before entering upon the
14 duties of the office, take the constitutional oath of office for
15 public officers under section 1 of article XI of the state
16 constitution of 1963.

17 (13) A school of excellence that is a cyber school may make
18 available to other public schools for purchase any of the course
19 offerings that the cyber school offers to its own pupils.

20 (14) If the department determines that the combined total
21 statewide final audited membership for all pupils in membership in
22 schools of excellence that are cyber schools for the 2012-2013
23 state fiscal year exceeds a number equal to 1% of the combined
24 total statewide final audited membership for all pupils in
25 membership in public schools for the 2011-2012 state fiscal year,
26 then all of the following apply:

27 (a) An authorizing body may not issue a new contract for a new
28 school of excellence that is a cyber school to begin operations in
29 the 2013-2014 school year.

1 (b) A school of excellence that is a cyber school may not
2 enroll any new pupils in the school of excellence that is a cyber
3 school in the 2013-2014 school year.

4 (15) Beginning July 1, 2013, if the department determines that
5 the combined total statewide final audited membership for all
6 pupils in membership in schools of excellence that are cyber
7 schools for a state fiscal year exceeds a number equal to 2% of the
8 combined total statewide final audited membership for all pupils in
9 membership in public schools for the 2011-2012 state fiscal year,
10 then all of the following apply:

11 (a) Subject to subdivision (c), an authorizing body may not
12 issue a new contract for a new school of excellence that is a cyber
13 school to begin operations in a school year that begins after that
14 determination is made.

15 (b) Subject to subdivision (c), a school of excellence that is
16 a cyber school may not enroll any new pupils in the school of
17 excellence that is a cyber school in a school year that begins
18 after that determination is made.

19 (c) If the department determines that the combined total
20 statewide final audited membership for all pupils in membership in
21 schools of excellence that are cyber schools for a state fiscal
22 year does not exceed a number equal to 2% of the combined total
23 statewide final audited membership for all pupils in membership in
24 public schools for the 2011-2012 state fiscal year, then
25 subdivisions (a) and (b) do not apply for a school year that begins
26 after that determination is made unless the department makes a new
27 determination that the membership limits under this subsection have
28 been exceeded.

29 (16) For the purposes of subsections (14) and (15), not later

1 than July 1 of each year, the department shall determine the
2 percentage of the combined total statewide final audited membership
3 for all pupils in membership in public schools that are pupils in
4 membership in schools of excellence that are cyber schools for the
5 state fiscal year that includes that July 1.

6 (17) As used in this section:

7 (a) "Membership" means that term as defined in section 6 of
8 the state school aid act of 1979, MCL 388.1606.

9 (b) "Statewide authorizing body" means the governing board of
10 a state public university or the board of a federally
11 controlled community college that is recognized under the tribally
12 controlled colleges and universities assistance act of 1978, 25 USC
13 1801 to 1864, and is determined by the department to meet the
14 requirements for accreditation by a recognized regional accrediting
15 body.

16 (18) Not later than October 1, 2012, if a district, an
17 intermediate school district, a public school academy, or the
18 education achievement system offers online learning, the board or
19 board of directors of the district, intermediate school district,
20 or public school academy, or the education achievement system,
21 shall submit to the department a report that details the per-pupil
22 costs of operating the online learning. The report shall include,
23 on a per-pupil basis, at least all of the following costs:

24 (a) Textbooks, instructional materials, and supplies,
25 including electronic instructional material.

26 (b) Computer and other electronic equipment, including
27 internet and telephone access.

28 (c) Salaries and benefits for the online learning employees.

29 (d) Purchased courses and curricula.

1 (e) Fees associated with oversight and regulation.

2 (f) Travel costs associated with school activities and
3 testing.

4 (g) Facilities costs.

5 (h) Costs associated with special education.

6 (19) Not later than December 31, 2012, the department shall
7 issue a report to the legislature including the following:

8 (a) A review of the data submitted under subsection (14).

9 (b) A comparison with costs of substantially similar programs
10 in other states and relevant national research on the costs of
11 online learning.

12 (c) Any conclusions concerning factors or characteristics of
13 online learning programs that make a difference in the costs of
14 operating the programs.

15 (20) The board of directors of a school of excellence that is
16 a cyber school, or the board of a school district, intermediate
17 school district, or public school academy that operates an online
18 or other distance learning program, shall submit a monthly report
19 to the department, in the form and manner prescribed by the
20 department, that reports the number of pupils enrolled in the
21 school of excellence that is a cyber school, or in the online or
22 other distance learning program, during the immediately preceding
23 month.

24 (21) The board of directors of a school of excellence that is
25 a cyber school shall ensure that, when a pupil enrolls in the
26 school of excellence that is a cyber school, the pupil and ~~his or~~
27 ~~her~~ **the pupil's** parent or legal guardian are provided with a
28 parent-student orientation. If the pupil is at least ~~age~~ **18 years**
29 **of age** or is an emancipated minor, the orientation may be provided

1 to just the pupil.

2 (22) Both of the following apply to the issuance of a contract
3 for a school of excellence to be located within a community
4 district:

5 (a) An authorizing body shall not issue a contract to organize
6 and operate a new school of excellence to be located in a community
7 district unless, before issuing the contract, the governing board
8 of the authorizing body has certified to the department that the
9 authorizing body has been accredited as an authorizing body by a
10 nationally recognized accreditation body. For an authorizing body
11 described in subsection (6) (e), the authorizing body shall not
12 issue a contract to organize and operate a new school of excellence
13 to be located in a community district unless, before issuing the
14 contract, the governing board of each of the public agencies that
15 is party to the interlocal agreement has certified to the
16 department that the public agency has been accredited as an
17 authorizing body by a nationally recognized accreditation body.

18 (b) An authorizing body shall not issue a contract for a new
19 school of excellence to be located in a community district if both
20 of the following circumstances exist:

21 (i) Either of the following:

22 (A) The proposed school of excellence would operate at the
23 same location as a public school that currently is on the list
24 under ~~section 1280c(1) or 1280g(3), as applicable,~~ **federal**
25 **accountability requirements as provided under the every student**
26 **succeeds act, Public Law 114-95**, of the public schools in this
27 state determined to be among the lowest achieving **5% of** public
28 schools in this state or has been on that list during the
29 immediately preceding 3-year period.

1 (B) The proposed school of excellence would operate at the
2 same location as a public school academy, urban high school
3 academy, school of excellence, or strict discipline academy that
4 has had its contract revoked or terminated by an authorizing body
5 under the applicable part or section.

6 (ii) The proposed school of excellence would have substantially
7 the same board of directors, substantially the same leadership, and
8 substantially the same curriculum offerings as the public school
9 that previously operated at that location.

10 Sec. 561. (1) If an authorizing body issues a contract for a
11 school of excellence under this part, the authorizing body shall do
12 all of the following:

13 (a) Ensure that the contract and the application for the
14 contract comply with the requirements of this part.

15 (b) Within 10 days after issuing the contract, submit to the
16 department a copy of the contract.

17 (c) Establish the method of selection, length of term, and
18 number of members of the board of directors of each school of
19 excellence that it authorizes. The authorizing body shall ensure
20 that the board of directors includes representation from the local
21 community.

22 (d) Oversee the operations of each school of excellence
23 operating under a contract issued by the authorizing body. The
24 oversight shall be sufficient to ensure that the school of
25 excellence is in compliance with the terms of the contract and with
26 applicable law. This subdivision does not relieve any other
27 governmental entity of its enforcement or supervisory
28 responsibility.

29 (e) Develop and implement a process for holding a school of

1 excellence board of directors accountable for meeting applicable
2 academic performance standards set forth in the contract and for
3 implementing corrective action for a school of excellence that does
4 not meet those standards.

5 (f) Take necessary measures to ensure that a school of
6 excellence board of directors operates independently of any
7 educational management organization involved in the operations of
8 the school of excellence.

9 (g) Oversee and ensure that the pupil admission process used
10 by the school of excellence is operated in a fair and open manner
11 and is in compliance with the contract and this part.

12 (h) Ensure that the board of directors of the school of
13 excellence maintains and releases information as necessary to
14 comply with applicable law.

15 (2) The authorizing body may enter into an agreement with 1 or
16 more authorizing bodies, as defined under part 6a, to carry out any
17 function of the authorizing body under subsection (1)(a) to (h).

18 (3) The authorizing body for a school of excellence is the
19 fiscal agent for the school of excellence. A state school aid
20 payment for a school of excellence ~~shall~~**must** be paid to the
21 authorizing body as the fiscal agent for that school of excellence,
22 and the authorizing body shall then forward the payment to the
23 school of excellence. Within 30 days after a contract is submitted
24 to the department by the authorizing body under subsection (1), the
25 department shall issue a district code to the school of excellence
26 for which the contract was issued. If the department does not issue
27 a district code within 30 days after a contract is filed, the state
28 treasurer shall assign a temporary district code in order for the
29 school of excellence to receive funding under the state school aid

1 act of 1979.

2 (4) A contract issued under this part may be revoked by the
3 authorizing body if the authorizing body determines that 1 or more
4 of the following have occurred:

5 (a) Failure of the school of excellence to demonstrate
6 improved pupil academic achievement for all groups of pupils or
7 meet the educational goals set forth in the contract.

8 (b) Failure of the school of excellence to comply with all
9 applicable law.

10 (c) Failure of the school of excellence to meet generally
11 accepted public sector accounting principles and demonstrate sound
12 fiscal stewardship.

13 (d) The existence of 1 or more other grounds for revocation as
14 specified in the contract.

15 (5) Except for a school of excellence that is an alternative
16 school serving a special student population, if the department
17 determines that a school of excellence site that has been operating
18 for at least 4 years is among the lowest achieving **5% of** public
19 schools in this state for the immediately preceding 3 school years,
20 as determined under ~~section 1280c or 1280g, as applicable,~~ **federal**
21 **accountability requirements as provided under the every student**
22 **succeeds act, Public Law 114-95**, not to include any individualized
23 education plan subgroup, the department shall notify the school of
24 excellence's authorizing body. Subject to subsection (6), if an
25 authorizing body receives notice from the department under this
26 subsection, the authorizing body shall notify the school of
27 excellence and amend the school of excellence's contract to
28 eliminate the school of excellence's authority to operate the
29 existing age and grade levels at the site and the school of

1 excellence shall cease operating the existing age and grade levels
2 at the site, effective at the end of the current school year.
3 Subject to subsection (6), if the school of excellence operates at
4 only 1 site or is a cyber school, and the authorizing body receives
5 notice from the department under this subsection, the authorizing
6 body shall notify the school of excellence and revoke the school of
7 excellence's contract, effective at the end of the current school
8 year.

9 (6) For a school of excellence or site that is subject to a
10 notice to its authorizing body under subsection (5), the department
11 shall consider other public school options available to pupils in
12 the grade levels offered by the school of excellence or site who
13 reside in the geographic area served by the school of excellence or
14 site. If the department determines that closure of the school of
15 excellence or site would result in an unreasonable hardship to
16 these pupils because there are insufficient other public school
17 options reasonably available for these pupils, the department may
18 rescind the notice. If the department rescinds a notice subjecting
19 a school of excellence or site to closure, the department shall do
20 so before the end of the school year. If the department rescinds a
21 notice subjecting a school of excellence or site to closure, the
22 department shall require the school of excellence or site to
23 implement a school improvement plan that includes measures to
24 increase pupil growth and improve pupil proficiency, with growth
25 and proficiency measured by performance on state assessments.

26 (7) Except for a contract issued by a school district pursuant
27 to a vote by the school electors on a ballot question under section
28 553(2), and except as otherwise provided in section 552, the
29 decision of the authorizing body to issue, not issue, or

1 reconstitute a contract under this part, or to terminate or revoke
2 a contract under this section, is solely within the discretion of
3 the authorizing body, is final, and is not subject to review by a
4 court or any other state agency. If the authorizing body issues,
5 does not issue, or reconstitutes a contract under this part, or
6 terminates or revokes a contract under this section, the
7 authorizing body is not liable for that action to the school of
8 excellence, the school of excellence corporation, a pupil of the
