10 regardless of whether the conduct resulted in a criminal  
11 conviction.

12 (3) A health facility or agency shall maintain the records

8 **years**. If records maintained in accordance with this section are  
9 subsequently destroyed or otherwise disposed of, those records  
10 ~~shall~~**must** be shredded, incinerated, electronically deleted, or  
11 otherwise disposed of in a manner that ensures continued  
12 confidentiality of the patient's health care information and any  
13 other personal information relating to the patient. If records are  
14 **not** destroyed or otherwise disposed of as provided under this  
15 subsection **or subsection (4)**, the department may take action,  
16 including, but not limited to, contracting for or making other  
17 arrangements to ensure that those records and any other  
18 confidential identifying information related to the patient are  
19 properly destroyed or disposed of to protect the confidentiality of

21 information relating to the patient. Before the department takes  
22 action in accordance with this subsection, the department, if able  
23 to identify the health facility or agency responsible for the

29 subsection **or subsection (4)**, unless a delay in the proper

1 destruction or disposal may compromise the patient's  
 2 confidentiality. The department may assess the health facility or  
 3 agency with the costs incurred by the department to enforce this  
 4 subsection. In addition to the sanctions set forth in section  
 5 20165, a hospital that fails to comply with this subsection **or**  
 6 **subsection (4)** is subject to an administrative fine of \$10,000.00.
