

# SENATE RESOLUTION NO. 129

Senators Chang, Bayer, Shink, Irwin, Cherry, Cavanagh, Webber, Runestad and Singh offered the following resolution:

1           A resolution to reaffirm our commitment to strengthening the  
2 ties between the state of Michigan and Taiwan, and to continue our  
3 support for Taiwan's participation in international organizations.

4           Whereas, The United States and Taiwan possess shared ideals  
5 and values of freedom, democracy, human rights, rule of law, and  
6 prosperity. Furthermore, the United States has been one of Taiwan's  
7 largest trading partners. Taiwan imports billions of dollars' worth  
8 of agricultural products from the United States; and

9           Whereas, In May 2023, the Michigan Economic Development  
10 Corporation signed a historic memorandum of understanding with the  
11 Taipei Economic and Cultural Office in Chicago. Within this  
12 memorandum, the two entities recognized their economic and academic

1 connections and their shared objective of deepening their economic  
2 development cooperation and trade relationship, to create jobs in  
3 both Michigan and Taiwan; and

4       Whereas, Cooperation between Michigan and Taiwan is important  
5 for resilient, diverse, and secure supply chains that benefit  
6 people in both places. Moreover, collaboration between Michiganders  
7 and Taiwanese citizens and a greater exchange of information,  
8 alongside academic partnerships to develop talent and research  
9 capabilities, could accelerate the pace of technological innovation  
10 and help our people thrive; and

11       Whereas, In September 2023, Governor Gretchen Whitmer visited  
12 Taiwan for the first time, and she returned there in March 2024 to  
13 announce the opening of the Michigan Taiwan Office. This new office  
14 is vital to strengthening the relationship between Michigan and  
15 Taiwan, and has already spurred investment by Taiwanese automotive  
16 suppliers in the state of Michigan; and

17       Whereas, These most recent connections build upon a well-  
18 established foundation of collaboration between Taiwan and the  
19 state of Michigan. The Michigan Department of Education and the  
20 Taiwanese Ministry of Education have had an English and Chinese  
21 language teacher exchange program since 2006, and the Taiwan  
22 Friendship Caucus in the Michigan Legislature seeks to further  
23 strengthen ties between our people, governments, and economies; and

24       Whereas, The United States government has taken steps to  
25 foster a closer relationship with Taiwan. Congress has appropriated  
26 funds for aid to Taiwan on multiple occasions. In March 2024,  
27 Congress provided over 300 million dollars in aid to Taiwan, and in  
28 April 2024, Congress appropriated almost two billion dollars for  
29 Taiwan to replenish defense equipment and reimburse the U.S.

1 Department of Defense for its services. Under the U.S.-Taiwan  
2 Initiative on 21st Century Trade, the American Institute in Taiwan  
3 and the Taipei Economic and Cultural Representative Office in the  
4 United States are negotiating a series of bilateral trade  
5 agreements, the first of which was signed in June 2023 and  
6 implemented by legislation passed by Congress and signed by the  
7 President in August 2023. Negotiations for a second agreement are  
8 ongoing; and

9       Whereas, Notwithstanding this progress, the United States  
10 could go further to enhance its connections with Taiwan. The  
11 bilateral trade agreements with Taiwan could be more expansive, and  
12 the United States should encourage Taiwan's inclusion in  
13 international organizations; and

14       Whereas, Taiwan has a policy of "steadfast diplomacy," under  
15 which the government aims for mutual benefit and peace, and builds  
16 sustainable partnerships with Taiwan's diplomatic allies and  
17 countries that share Taiwan's values; now, therefore, be it

18       Resolved by the Senate, That we reaffirm our commitment to  
19 strengthening and deepening the ties between the state of Michigan  
20 and Taiwan; and be it further

21       Resolved, That we endorse the ongoing work of the Taipei  
22 Economic and Cultural Office in Chicago to increase awareness about  
23 Taiwan across the Midwest; and be it further

24       Resolved, That we continue to support Taiwan's meaningful  
25 participation in international organizations that impact the  
26 health, safety, and well-being of the people of Taiwan.
