9 (e) Establish a standard timeline to review all documents
10 submitted by grant recipients and provide a response within 45
11 business days stating whether submitted documents by a grant
12 recipient are sufficient or in need of additional information. If
13 additional information is needed, the 60-day deadline in subsection
14 (2) is considered to have been met, if a sponsor has been
15 identified for that grant. If a grant recipient does not provide
16 information sufficient to execute a grant agreement not later than
17 60 days after being notified by the department of grant approval,
18 the department shall return funds associated with the grant to the

7 department or by the state budget office.

8 (b) A sponsor of a grant described in subsection (1) must be a
9 legislator, the department, or the state budget office.

10 (c) A legislative sponsor must be identified through a letter
11 submitted by that legislator's office to the department and state
12 budget director containing the name of the grant recipient, the

14 that the grant is for a public purpose, and the specific citation
15 of the section and subsection of the public act that authorizes the
16 grant, as applicable.

17 (d) Within 10 business days after the effective date of this
18 act, the senate and house of representatives shall compile an
19 initial list of legislative grant sponsors for their respective
20 chambers and submit those compiled lists to the state budget office
21 and the department, and the state budget office shall identify

21 grant funds while unexpended and in possession of the grantee.

22 (c) Unless otherwise specified in department policy, a
23 requirement that funds appropriated for the grants described in
24 subsection (1) may be used only for expenditures that occur on or
25 after the effective date of this act.

27 department and the legislative sponsor that provides the status of
28 the project and an accounting of all funds expended by the grant

5 subsection (4), incorporated into the grant agreement and included
6 as an appendix or attachment.

7 (g) If a grant recipient has provided information sufficient
8 to execute a grant agreement, the state budget office shall
9 promptly transmit that information to the department for the
10 department's review of the grant application. If a grant recipient
11 has provided information sufficient to execute a grant agreement
12 within 60 days after the effective date of this act, but the grant
13 application needs technical fixes or additional legislative action,
14 as identified by the state budget office, the 60-day deadline in
15 this subdivision is considered to have been met, if a sponsor has
16 been identified for that grant. If a grant recipient does not
17 provide information sufficient to execute a grant agreement not
18 later than 60 days after being notified by the department of grant
19 approval, the department shall return funds associated with the
20 grant to the state treasury.

21 (6) If appropriate to improve the administration or oversight

2 officer or other executive officer of the grant recipient that the
3 requirements of this subsection will be met.

4 (8) The grant recipient shall expend all funds awarded and
5 complete all projects not later than September 30, 2030. If at that

9 appropriated in that department for the purpose of the intended
10 grant.

11 (10) The state budget director may, on a case-by-case basis,
12 extend the deadline in subsection (8) on request by a grant
13 recipient if a sponsor has been identified for the grant. The state
14 budget director shall notify the chairs of the senate and house of

16 after an extension is granted.

19 website. The report must list the grant recipient, project purpose,
20 and location of the project for each grant described in subsection
21 (1), the status of funds allocated and disbursed under the grant
22 agreement, and the legislative sponsor, if applicable. After March
23 1, the state budget office shall update the report monthly and
24 shall post the updated report each month. The state budget office
25 shall include in the report the most comprehensive information the

8 interest related to the grant recipient.

9 (14) If the department reasonably determines that the funds
10 allocated for an executed grant agreement under this section were
11 misused or that use of the funds was misrepresented by the grant
12 recipient, the department shall not award any additional funds
13 under the executed grant agreement and shall refer the grant for
14 review following internal audit protocols.

21 (b) If a determination under subdivision (a) would affect the
22 operations of a program or programs within the department, the
23 department must report the estimated difference in cost between the
24 policy outlined in the section determined to be unenforceable and
25 the policy the department intends to pursue.
