THE PEOPLE OF THE STATE OF MICHIGAN ENACT:

1 **Sec. 3406jj. (1) A health insurance policy delivered, issued**
2 **for delivery, or renewed in this state that provides coverage for**
3 **prescription contraceptives must include coverage for both of the**
4 **following:**

5 **(a) A 12-month supply of prescription contraceptives that are**

1 on the covered insured's health plan formulary, furnished or
2 dispensed, at a pharmacy in the insurer's network, all at 1 time,

15 (3) Subject to subsection (4), coverage under subsection (1)
16 may be subject to provisions of the health insurance policy that

19 copayments, deductibles, and coinsurance.

20 (4) An insurer that delivers, issues for delivery, or renews
21 in this state a health insurance policy described in subsection (1)
22 shall not impose utilization controls or other forms of medical
23 management that limit the supply or coverage of a prescription
24 contraceptive that may be dispensed or furnished by a prescriber or
25 pharmacy to an amount that is less than a 12-month supply unless
26 the United States Food and Drug Administration determines that a
27 12-month supply is medically inappropriate.

28 (5) An insurer is not required to provide coverage for a 12-
29 month supply of prescription contraceptives in the 1-month period

1 before the end of an insured's plan year.

2 (6) As used in this section:
