The annual audit shall be submitted to the governing body of each city, village, or township served by the system and to the legislature before December 1 of each year. Each city, village or township served by the system shall be audited annually by an independent auditor. The auditor shall be paid by that city, village, or township served by the system. The results shall be made available to the public.

(b) Hold at least 1 public hearing at least 120 days before a proposed rate increase is scheduled to take effect.
