(1) An emergency manager may take 1 or more of the following additional actions with respect to a local government that is in receivership, notwithstanding any charter provision to the contrary:

(a) Analyze factors and circumstances contributing to the financial emergency of the local government and initiate steps to correct the condition.

(b) Amend, revise, approve, or disapprove the budget of the local government, and limit the total amount appropriated or expended.

(c) Receive and disburse on behalf of the local government all federal, state, and local funds earmarked for the local government. These funds may include, but are not limited to, funds for specific programs and the retirement of debt.

(d) Require and approve or disapprove, or amend or revise, a plan for paying all outstanding obligations of the local government.

(e) Require and prescribe the form of special reports to be made by the finance officer of the local government to its governing body, the creditors of the local government, the emergency manager, or the public.

(f) Examine all records and books of account, and require under the procedures of the uniform budgeting and accounting act, 1968 PA 2, MCL 141.421 to 141.440a, or 1919 PA 71, MCL 21.41 to 21.55, or both, the attendance of witnesses and the production of books, papers, contracts, and other documents relevant to an analysis of the financial condition of the local government.

(h) Review payrolls or other claims against the local government before payment.

(i) Notwithstanding any minimum staffing level requirement established by charter or contract, establish and implement staffing levels for the local government.

(j) Reject, modify, or terminate 1 or more terms and conditions of an existing contract.

(k) Subject to section 19, after meeting and conferring with the appropriate bargaining representative and, if in the emergency manager's sole discretion and judgment, a prompt and satisfactory resolution is unlikely to be obtained, reject, modify, or terminate 1 or more terms and conditions of an existing collective bargaining agreement. The rejection, modification, or termination of 1 or more terms and conditions of an existing collective bargaining agreement under this subdivision is a legitimate exercise of the state's sovereign powers if the emergency manager and state treasurer determine that all of the following conditions are satisfied:

(i) The financial emergency in the local government has created a circumstance in which it is reasonable and necessary for the state to intercede to serve a significant and legitimate public purpose.

(ii) Any plan involving the rejection, modification, or termination of 1 or more terms and conditions of an existing collective bargaining agreement is reasonable and necessary to deal with a broad, generalized economic problem.

(iii) Any plan involving the rejection, modification, or termination of 1 or more terms and conditions of an existing collective bargaining agreement is directly related to and designed to address the financial emergency for the benefit of the public as a whole.

(iv) Any plan involving the rejection, modification, or termination of 1 or more terms and conditions of an existing collective bargaining agreement is temporary and does not target specific classes of employees.

(l) Act as sole agent of the local government in collective bargaining with employees or representatives and approve any contract or agreement.

(m) If a municipal government's pension fund is not actuarially funded at a level of 80% or more, according to the most recent governmental accounting standards board's applicable standards, at the time the most recent comprehensive annual financial report for the municipal government or its pension fund was due, the emergency manager may remove 1 or more of the serving trustees of the local pension board or, if the state treasurer appoints the emergency manager as the sole trustee of the local pension board, replace all the serving trustees of the local pension board. For the purpose of determining the pension fund level under this subdivision, the valuation shall exclude the net value of pension bonds or evidence of indebtedness. The annual actuarial valuation for the municipal government's pension fund shall use the actuarial accrued liabilities and the actuarial value of assets. If a pension fund uses the aggregate actuarial cost method or a method involving a frozen accrued liability, the retirement system actuary shall use the entry age normal actuarial cost method. If the emergency manager serves as sole trustee of the local pension board, all of the following apply:

(i) The emergency manager shall assume and exercise the authority and fiduciary responsibilities of the local pension board including, to the extent applicable, setting and approval of all actuarial assumptions for pension obligations of a municipal government to the local pension fund.

(ii) The emergency manager shall fully comply with the public employee retirement system investment act, 1965 PA 314, MCL 38.1132 to 38.1140m, and section 24 of article IX of the state constitution of 1963, and any actions taken shall be consistent with the pension fund's qualified plan status under the federal internal revenue code.

(iii) The emergency manager shall not make changes to a local pension fund without identifying the changes and the costs and benefits associated with the changes and receiving the state treasurer's approval for the changes. If a change includes the transfer of funds from 1 pension fund to another pension fund, the valuation of the pension fund receiving the transfer must be actuarially funded at a level of 80% or more, according to the most recent governmental accounting standards board's applicable standards, at the time the most recent comprehensive annual financial report for the municipal government was due.

(iv) The emergency manager's assumption and exercise of the authority and fiduciary responsibilities of the local pension board shall end not later than the termination of the receivership of the municipal government as provided in this act.

(n) Consolidate or eliminate departments of the local government or transfer functions from 1 department to another and appoint, supervise, and, at his or her discretion, remove administrators, including heads of departments other than elected officials.

(o) Employ or contract for, at the expense of the local government and with the approval of the state financial authority, auditors and other technical personnel considered necessary to implement this act.

(p) Retain 1 or more persons or firms, which may be an individual or firm selected from a list approved by the state treasurer, to perform the duties of a local inspector or a local auditor as described in this subdivision. The duties of a local inspector are to assure integrity, economy, efficiency, and effectiveness in the operations of the local government by conducting meaningful and accurate investigations and forensic audits, and to detect and deter waste, fraud, and abuse. At least annually, a report of the local inspector shall be submitted to the emergency manager, the state treasurer, the superintendent of public instruction if the local government is a school district, and each state senator and state representative who represents that local government. The annual report of the local inspector shall be posted on the local government's website within 7 days after the report is submitted. The duties of a local auditor are to assure that internal controls over local government operations are designed and operating effectively to mitigate risks that hamper the achievement of the emergency manager's financial plan, assure that local government operations are effective and efficient, assure that financial information is accurate, reliable, and timely, comply with policies, regulations, and applicable laws, and assure assets are properly managed. At least annually, a report of the local auditor shall be submitted to the emergency manager, the state treasurer, the superintendent of public instruction if the local government is a school district, and each state senator and state representative who represents that local government. The annual report of the local auditor shall be posted on the local government's website within 7 days after the report is submitted.

(q) An emergency manager may initiate court proceedings in the Michigan court of claims or in the circuit court of the county in which the local government is located in the name of the local government to enforce compliance with any of his or her orders or any constitutional or legislative mandates, or to restrain violations of any constitutional or legislative power or his or her orders.

(r) Subject to section 19, if provided in the financial and operating plan, or otherwise with the prior written approval of the governor or his or her designee, sell, lease, convey, assign, or otherwise use or transfer the assets, liabilities, functions, or responsibilities of the local government, provided the use or transfer of assets, liabilities, functions, or responsibilities for this purpose does not endanger the health, safety, or welfare of residents of the local government or unconstitutionally impair a bond, note, security, or uncontested legal obligation of the local government.

(s) Apply for a loan from the state on behalf of the local government, subject to the conditions of the emergency municipal loan act, 1980 PA 243, MCL 141.931 to 141.942.

(t) Order, as necessary, 1 or more millage elections for the local government consistent with the Michigan election law, 1954 PA 116, MCL 168.1 to 168.992, sections 6 and 25 through 34 of article IX of the state constitution of 1963, and any other applicable state law.

(aa) Enter into agreements with 1 or more other local governments or public bodies for the consolidation of services.

(bb) For a city, village, or township, the emergency manager may recommend to the state boundary commission that the municipal government consolidate with 1 or more other municipal governments, if the emergency manager determines that consolidation would materially alleviate the financial emergency of the municipal government and would not materially and adversely affect the financial situation of the government or governments with which the municipal government in receivership is consolidated. Consolidation under this subdivision shall proceed as provided by law.

(cc) For municipal governments, with approval of the governor, disincorporate or dissolve the municipal government and assign its assets, debts, and liabilities as provided by law. The disincorporation or dissolution of the local government is subject to a vote of the electors of that local government if required by law.

(ff) Remove, replace, appoint, or confirm the appointments to any office, board, commission, authority, or other entity which is within or is a component unit of the local government.
