Sec. 27.

(1) The local elected and appointed officials and employees, agents, and contractors of a local government shall promptly and fully provide the assistance and information necessary and properly requested by the state financial authority, a review team, or the emergency manager in the effectuation of their duties and powers and of the purposes of this act. If the review team or emergency manager believes that a local elected or appointed official or employee, agent, or contractor of the local government is not answering questions accurately or completely or is not furnishing information requested, the review team or emergency manager may issue subpoenas and administer oaths to the local elected or appointed official or employee, agent, or contractor to furnish answers to questions or to furnish documents or records, or both. If the local elected or appointed official or employee, agent, or contractor refuses, the review team or emergency manager may bring an action in the circuit court in which the local government is located or the Michigan court of claims, as determined by the review team or emergency manager, to compel testimony and furnish records and documents. An action in mandamus may be used to enforce this section.

(2) Failure of a local government official to abide by this act shall be considered gross neglect of duty, which the review team or emergency manager may report to the state financial authority and the attorney general. Following review and a hearing with a local government elected official, the state financial authority may recommend to the governor that the governor remove the elected official from office. If the governor removes the elected official from office, the resulting vacancy in office shall be filled as prescribed by law.

(3) A local government placed in receivership under this act is not subject to section 15(1) of 1947 PA 336, MCL 423.215, for a period of 5 years from the date the local government is placed in receivership or until the time the receivership is terminated, whichever occurs first.
