

FOOD LAW (EXCERPT)
Act 92 of 2000

289.3131 Communications system; development; implementation; provisions; availability of information.

Sec. 3131.

(1) A local health department shall develop and implement a communications system with other applicable governmental agencies, individuals, and organizations including, but not limited to, hospital emergency rooms and state and local police. The communications system shall provide the means to contact specific local health department employees and basic information necessary to initiate a foodborne illness outbreak investigation. The information provided in the communications system shall be updated annually.

(2) Procedures for investigating suspected foodborne illness outbreaks shall be implemented consistent with procedures contained in the publication entitled "Procedures to Investigate Foodborne Illness, 5th Ed.," prepared and published by the international association of food protection and incorporated by reference or an equivalent plan submitted to and approved by the department.

(3) All information gathered during the investigation which is not exempted from disclosure under section 13 of the freedom of information act, 1976 PA 442, MCL 15.243, and shall be made available to the owner, operator, or his or her employees to minimize the possibility of reoccurrence of the foodborne illness and to assure compliance with the code and this act.
