This subdivision does not apply to the sale or offer for sale of number 4, 5, or 6 petroleum fuels as described as having American petroleum institute gravity at 60°F of 28 or less, a specific gravity greater than .8871 and does not apply to the sale or exchange of gasoline or any middle distillate petroleum product among petroleum refiners.

(k) Deliver or issue a weight quantity determination or a measure quantity determination upon which a commercial transaction is, or is intended to be, computed without the use of weights and measures.

(l) Fail to pay a fee or fine imposed under this act.

(2) An individual who, by himself or herself or by the individual's servant or agent, or as a servant or agent of another person, fails to disclose to the department any knowledge of information relating to, or observation of, any device or instrument added to or modifying any weight or modifying any measure for the purpose of selling, offering, or exposing for sale less than the quantity represented of a commodity or calculated to falsify the weight or measure, if the individual is an owner or employee of an entity involved in the installation, repair, sale, or inspection of weights and measures, is guilty of a misdemeanor punishable by imprisonment for not more than 90 days or a fine of not more than \$1,000.00, or both.

(3) An individual who, by himself or herself or by the individual's servant or agent, or as a servant or agent of another person, performs any of the following acts is guilty of a felony punishable by a fine of not less than \$5,000.00 or more than \$20,000.00, by a fine of not more than twice the amount of any money gained for each day on which a violation has been found, by imprisonment for not more than 5 years, or by any combination of these

penalties:

(a) Is in possession of or adds to or modifies commercial weights and measures by the addition of a device or instrument that would allow the sale, or the offering or exposure for sale, of less than the quantity represented of a commodity or the falsification of the weights and measures.

(b) Intentionally commits any of the acts listed in subsection (1) or (2).

(c) Violates this section within 24 months after 2 previous violations of this section that resulted in convictions.

(4) When a violation results in a conviction under this act, the court may assess against the defendant or his or her agent the costs of investigation and the money must be paid to the agency that incurred the expense.

(5) In addition to any other applicable penalties prescribed in this act, the department may assess the owner of a motor fuel delivery facility that has intentionally delivered less fuel to a retail customer than indicated by the gas pump metering device the following civil fines:

(a) For a first violation, a civil fine of \$5,000.00.

(b) For a second violation, a civil fine of \$10,000.00.

(c) For a third or subsequent violation, a civil fine of \$25,000.00.

(6) The department may close any facility that is responsible for a violation described in subsection (5) until the owner can demonstrate to the department that the problem is corrected.

(7) The department shall inspect motor fuel facilities with 3 or more violations under subsection (5) at least annually, and all inspection costs must be assessed to the owner of the weights and measures establishment for a period of not more than 2 years.

(8) Any of the fines described in subsection (5) may be embodied in a consent order under section 31a.

(9) Any civil fines or recovery of any economic benefits associated with a violation of this act and collected under this section must be paid to the general fund and credited to the department for the enforcement of this act.
