

NATURAL RESOURCES AND ENVIRONMENTAL PROTECTION ACT (EXCERPT)
Act 451 of 1994

324.61708 Amendment of orders; approval; limitations.

Sec. 61708.

An order providing for unit operations may be amended by an order made by the supervisor in the same manner and subject to the same conditions as an original order for unit operations. If an amendment affects only the rights and interests of those persons responsible for the payment of the costs of unit operations, only 75% of these persons shall be required to effectuate amendment. If an amendment in whole or in part changes the percentage of allocation of cost, then the consent of all these persons is required. An amendment shall not change the percentage for the allocation of oil and gas as established for any separately owned tract without the consent of all persons entitled to receive the allocation.
