NATURAL RESOURCES AND ENVIRONMENTAL PROTECTION ACT (EXCERPT) Act 451 of 1994

324.8316b Pesticide notification registry; notification requirements; exclusions; definitions.

Sec. 8316b.

- (1) The department shall maintain a voluntary registry of individuals who, due to a medically documented condition, are required to be notified before the application of a lawn or ornamental pesticide, other than a general-use ready-to-use pesticide, but only if the application is on property adjacent to or within a physician-recommended distance from the property on which the individual's primary residence is located. The registry shall contain a list of those properties adjacent to or within a physician-recommended distance from the individual's primary residence. The notification to the individual listed in the registry shall be provided by the means provided in the registry and shall state that a pesticide application is scheduled on 1 or more of the properties listed in the registry.
- (2) The notification requirements described in subsection (1) and any yard marker requirements provided by rule do not apply if the pesticide is applied only on or within 10 feet of a structure located on the property on which the pesticide application takes place and is applied to prevent, destroy, repel, or mitigate pests on the structure.
 - (3) As used in subsection (1):
 - (a) "Adjacent to" means either of the following:
 - (i) Sharing a common boundary line or property corner with.
 - (ii) Located directly across an undivided road, stream, or right-of-way from.
- (b) "Physician-recommended distance" means a specified distance, not more than 100 feet from a linear boundary line, considered necessary and substantiated by a physician.
