

PUBLIC HEALTH CODE (EXCERPT)
Act 368 of 1978

333.9141 Ultrasound equipment; purchase; grant program; fund; application; conditions; report; rules; definitions.

Sec. 9141.

(1) The department shall establish and administer a grant program to provide grants for the purchase of ultrasound equipment. The department shall use the grant program to make grants to qualified entities that apply for a grant and that do not have at least 2 ultrasound machines.

(2) The ultrasound equipment fund is created within the state treasury. The state treasurer may receive money or other assets from any source for deposit into the fund including, but not limited to, state revenues, federal money, gifts, bequests, donations, and money from any other source provided by law. The state treasurer shall direct the investment of the fund. The state treasurer shall credit to the fund interest and earnings from fund investments. Money in the fund at the close of the fiscal year remains in the fund and does not lapse to the general fund.

(3) The department shall use the fund to make grants as provided under subsection (1) for the purchase of ultrasound equipment and to cover the administrative costs of the department and the department of treasury in implementing and administering this grant program. An application for a grant under the grant program must be made on a form or format prescribed by the department. The department may require the applicant to provide information reasonably necessary to allow the department to make a determination required under this section. In making its determination, the department shall give priority to those applicants that do not have an ultrasound machine or that have only 1 ultrasound machine that is outdated based on industry standards. The director of the department shall have final approval of grants made under this section and the director shall only approve grants if the money is available in the fund.

(4) A cash match of at least 50% of the grant or other repayment guarantee with a dedicated funding source is required before a grant can be awarded.

(5) The department shall not make a grant to a qualified entity for the purchase of ultrasound equipment unless the following conditions are met:

(a) The entity provides family planning or reproductive health services to low-income women at no cost or at a reduced cost.

(b) The entity agrees to comply with each of the following:

(i) Shall have at least 1 ultrasound monitor that is fully accessible to the pregnant individual to view during the performance of the individual's ultrasound.

(ii) Inform each pregnant individual upon whom the ultrasound equipment is used that the individual has the right to view the ultrasound image.

(iii) If the ultrasound equipment is capable, inform each pregnant individual upon whom the ultrasound equipment is used that the individual has the right to record the ultrasound image for the individual's own records if the individual provides the entity with the videocassette, film, or other medium now known or later developed on which images can be recorded or otherwise stored.

(iv) Certify in writing that the individual was offered an opportunity to view the ultrasound image, obtain the individual's acceptance or rejection to view the image in writing, and maintain a copy of each in the individual's medical file.

(v) Shall have a trained medical professional or a qualified medical director on staff to perform the ultrasound.

(6) The department shall annually prepare a report summarizing the grants made under this section, contractual commitments made and achieved, and a preliminary evaluation of the effectiveness of this section and shall provide a copy of this report to the chairs of the house of representatives and senate appropriations subcommittees for the department.

(7) The department may promulgate rules under the administrative procedures act of 1969 to implement this grant program.

(8) As used in this section:

(a) "Entity" means a local agency, organization, or corporation or a subdivision, contractee, subcontractee, or grant recipient of a local agency, organization, or corporation.

(b) "Fund" means the ultrasound equipment fund created under subsection (2).

(c) "Qualified entity" means an entity reviewed and determined by the department to satisfy all of the conditions required under subsection (5) and to be technically and logistically capable of providing the quality and quantity of services required within a cost range considered appropriate by the department.
