PUBLIC HEALTH CODE (EXCERPT) Act 368 of 1978

333.9305 Follow-up treatment; statement; information.

Sec. 9305.

- (1) When the result of a hearing or vision testing or screening indicates that a child requires follow-up care, a professional authorized by law, a local health department, or other agency shall present the person bringing the child a written statement clearly indicating that follow-up treatment is required.
- (2) The local health department, upon request, shall provide information concerning the availability and sources of vision and hearing treatment required to eliminate or reduce an identified problem.
