

BEVERAGE CONTAINER REDEMPTION ANTIFRAUD ACT (EXCERPT)
Act 388 of 2008

445.639 Payment amount; purchase or lease.

Sec. 9.

(1) The amount of payment a reverse vending machine manufacturer may receive under section 7 for retrofitting a single reverse vending machine under section 5 is the total cost of retrofitting that reverse vending machine or \$5,000.00, whichever is less.

(2) A dealer that operates a reverse vending machine at a location in a county of this state that borders another state, or in a county in the Lower Peninsula that is contiguous with a county of this state that borders another state, may elect to purchase or lease a new reverse vending machine that meets the requirements of the reverse vending machine antifraud act to replace that existing reverse vending machine rather than have that existing reverse vending machine retrofitted under section 5. All of the following apply if a dealer purchases or leases a new reverse vending machine from a reverse vending machine manufacturer under this subsection:

(a) The reverse vending machine manufacturer shall submit an application for payment in the form prescribed by the department. The reverse vending machine manufacturer shall include with the application a copy of the dealer's purchase order for the new reverse vending machine.

(b) A reverse vending machine manufacturer may not apply money received under this subsection to the purchase price of a new reverse vending machine that does not meet the requirements of the reverse vending machine antifraud act.

(c) The dealer shall operate the new reverse vending machine at the same location as the reverse vending machine it replaces. However, if the dealer ceases retail sale of beverages in beverage containers at that location, the dealer may move that reverse vending machine to another location and operate the reverse vending machine at that different location.

(d) The amount of a payment to a reverse vending machine manufacturer under this section shall not exceed that part of the price of the new reverse vending machine attributable to the cost of installation of the machine's vision technology or \$5,000.00, whichever is less. The reverse vending machine manufacturer must reduce the purchase price of the new reverse vending machine to the dealer by the amount of any payment to the reverse vending machine manufacturer under this subdivision.

(e) The reverse vending machine manufacturer may not apply for or receive payment under this act for retrofitting a reverse vending machine if the reverse vending machine manufacturer received money for a new reverse vending machine to replace that existing reverse vending machine under this subsection.

(f) For purposes of this act, the department shall consider the replacement of a reverse vending machine with a new reverse vending machine under this section as a retrofitting of a reverse vending machine.
