The plan shall coordinate the special education programs and services operated or contracted for by the constituent districts and shall be submitted to the superintendent of public instruction for approval.

(b) Contract for the delivery of a special education program or service, in accordance with the intermediate school district plan in compliance with section 1701. Under the contract the intermediate school board may operate special education programs or services and furnish transportation services and room and board.

(c) Employ or engage special education personnel in accordance with the intermediate school district plan, and appoint a director of special education meeting the qualifications and requirements of the rules promulgated by the superintendent of public instruction.

(d) Accept and use available funds or contributions from governmental or private sources for the purpose of providing special education programs and services consistent with this article.

(f) Maintain a record of each student with a disability under 26 years of age, who is a resident of 1 of its constituent districts and who has not graduated from high school, and the special education programs or services in which the student with a disability is participating on the fourth Friday after Labor Day and Friday before Memorial Day. The sole basis for determining the local school district in which a student with a disability is a resident shall be the rules promulgated by the superintendent of public instruction notwithstanding the provisions of section 1148. The records shall be maintained in accordance with rules promulgated by the superintendent of public instruction.

(g) Have the authority to place in appropriate special education programs or services a student with a disability for whom a constituent district is required to provide special education programs or services under section 1751.

(h) Investigate special education programs and services operated or contracted for by the intermediate school board or constituent district boards and report in writing failures to comply with the provisions of a contract, statute, or rule governing the special education programs and services or with the intermediate school district plan, to the local school district board and to the superintendent of public instruction.

The contract shall provide for items stated in section 1751 and shall be approved by the superintendent of public instruction. (j) Receive the report of a parent or guardian or, with the consent of a parent or guardian, receive the report of a licensed physician, registered nurse, social worker, or school or other appropriate professional personnel whose training and relationship to students with a disability provide competence to judge them and who in good faith believes that a person under 26 years of age examined by the professional is or may be a student with a disability, and immediately evaluate the person pursuant to rules promulgated by the superintendent of public instruction. A person making or filing this report or a local school district board shall not incur liability to a person by reason of filing the report or seeking the evaluation, unless lack of good faith is proven.

(k) Evaluate pupils in accordance with section 1311.

(2) The intermediate school board may expend up to 10% of the annual budget but not to exceed \$12,500.00, for special education programs approved by the intermediate school board without having to secure the approval of the superintendent of public instruction.

All or part of the millage levied under this section may be renewed as provided in this article. Approval of the intermediate school electors is not required for the levy under this section of previously authorized mills until that authorization expires.

The attorney general shall review the report and, if the attorney general considers it appropriate, shall commence or direct the prosecuting attorney for the county in which the violations occurred to commence appropriate proceedings against the intermediate school board or the official or employee. These proceedings shall include at least a civil action in a court of competent jurisdiction for the recovery of any public money determined by the audit to have been illegally expended and for the recovery of any public property determined by the audit to have been converted or misappropriated.

(3) If the attorney general determines from a report filed under subsection (2) that an intermediate school district has misspent tax proceeds as described in subsection (2) and notifies the intermediate school district of this determination, the intermediate school district shall repay to its special education operating fund an amount equal to the amount the department of treasury determined under subsection (2) has been used for a purpose other than special education operating purposes. The intermediate school district shall make this repayment from funds of the intermediate school district that lawfully may be used for making such a repayment.
