As used in this section, "inconsistent" means a rule or ordinance that is more permissive than this act, that is more restrictive than this act, that would require more action, equipment, or permits than this act would require, or that prevents or obstructs compliance with this act.

(2) The fine for operating a vehicle with a serious safety defect ordered to be paid under an ordinance or resolution adopted by a township, city, village, or county that is consistent with section 7b shall be paid to the county treasurer and shall be allocated as follows:

(a) Seventy percent to the township, city, village, or county in which the citation is issued.

(b) Thirty percent for library purposes as provided by law.

(3) Subsection (2) does not apply to a fine ordered to be paid for a case in which the citation is dismissed pursuant to subsection (4).

If the owner or operator of a commercial motor vehicle is issued a citation by a township, city, village, or county for an equipment violation that does not result in the vehicle being placed out of service, the court shall dismiss the citation if the owner or operator of that commercial motor vehicle provides written proof to the court within 14 days after the citation is issued showing that the defective equipment indicated in the citation has been repaired.

(5) In order to be classified as a motor carrier enforcement officer, a police officer must have training equal to the minimum training requirements, including any annual training updates, established by the department of state police for an officer of the motor carrier division of the department of state police.
