Provided, however, That no new city may be created by the consolidation process unless at least 1 of the municipalities to be consolidated is an incorporated city.

(2) Any township having a common boundary that is contiguous with a city or village proposed for consolidation may be included in the consolidation if no village is incorporated within the territorial boundaries of the township or, if 1 or more villages are incorporated within the territorial boundaries of the township, then such village or villages shall be included within the consolidation. When any township is included in a consolidation, the term "municipality" as used in sections 12 to 17 shall include the township and the procedures set forth in such sections shall be altered as may be necessary to provide for the township.

(3) The petition shall name the municipalities proposed to be consolidated and shall request the commission to take the proceedings necessary for consolidation under this act. The commission shall reject a petition for consolidation if a proposition to consolidate the identical municipalities has been voted on within the 2 years immediately preceding the filing of the later petition. This shall not prevent the consolidation of 2 or more municipalities, which were included in a proposed consolidation voted on in the preceding 2 years, with or without additional territory, if the prior proposition included 1 or more municipalities which are not included in the later proposition.

(4) If the commission finds that a petition does not conform to the provisions of this act, Act No. 278 of the Public Acts of 1909, as amended, or of Act No. 279 of the Public Acts of 1909, as amended, to the extent that provisions thereof are not superseded by this act, or to the rules promulgated by the commission, the commission shall return the petition to the person from whom it was received together with a certified copy of its reasons for rejecting the petition. (2) If a consolidation proposal is denied by the commission its order is final immediately and the secretary shall transmit a certified copy thereof to the petitioner and the clerk of each city, village or township affected.

(3) If a consolidation proposal is approved with or without a revision of the boundaries the commission's order becomes final 45 days after the date of the order unless within that 45 days a petition for a referendum is filed with the commission which contains the signatures of at least 5% of the registered electors residing in the area to be consolidated as approved by the commission. If a petition is not filed and the commission's order becomes final the secretary shall send a certified copy of the order to the petitioner and the clerk of each county, city, village or township affected and to the secretary of state. If the petition is filed, the commission after determining the validity of the petition shall submit the proposition to a vote of the electors of the affected municipalities and shall specify a date later than the referendum on which the commission's order becomes final.

(4) In order to be adopted, the proposition to consolidate shall receive an affirmative majority vote in each municipality affected voting separately. If a majority of the votes cast in each municipality affected are in favor of the proposed consolidation the commission's order becomes final and proceedings may be conducted in accordance with sections 13 to 17. Otherwise the proceedings on the consolidation proposal shall terminate.

(5) The secretary shall notify the clerk of each municipality affected by the consolidation of the date for the election and the question to be submitted. Each clerk shall arrange for an election on the question of the

proposed consolidation and for the election of the charter commissioners to be elected from his municipality and he shall follow the procedure prescribed in the state election law except as otherwise provided in this act.

The commission shall determine the number of charter commissioners to be elected from each municipality proposed for consolidation, which number shall be as nearly proportionate as possible to the municipality's population. Each municipality proposed for consolidation is entitled to a minimum of 1 charter commissioner, regardless of population. If charter commissioners are elected at the same election at which the proposition to consolidate is submitted, the election of the charter commissioners is void if the proposition to consolidate is not adopted. If charter commissioners are not elected at the election at which the proposition to consolidate is submitted they shall be elected at a separate election to be held within 60 days after a favorable vote on the proposition to consolidate, which election date shall be set by the commission. A municipal officer or employee, elected or appointed, shall not be eligible for election to the charter commission.

(2) The municipalities proposed for consolidation may, by resolution of their respective governing bodies, choose to appoint their charter commissioners pursuant to this subsection. If the municipalities proposed for consolidation choose to appoint their charter commissioners pursuant to this subsection, the commission, when its order approving a proposed consolidation becomes final, shall instruct the governing bodies of the municipalities proposed for consolidation to appoint not less than 8 and not more than 10 charter commissioners. The governing body of each municipality proposed for consolidation shall appoint an equal number of charter commissioners. The appointees for charter commissioner shall be residents of the municipalities from which they are to be appointed for not less than 2 years immediately preceding the appointment and shall also be registered electors in the municipalities from which they are to be appointed. The charter commissioners shall be appointed within 180 days after the commission's order approving a proposed consolidation becomes final as determined pursuant to section 12a(3).
