Transfer of balances to countercyclical budget and economic stabilization fund.

Sec. 212. For the fiscal year ending September 30, 2000, all general fund-general purpose unreserved balances at the final close of the fiscal year are appropriated and shall be transferred to the countercyclical budget and economic stabilization fund pursuant to section 354(4) of the management and budget act, 1984 PA 431, MCL 18.1354.

Countercyclical budget and economic stabilization fund; deposit.

Sec. 213. If total state revenues for the fiscal year ending September 30, 2000 have exceeded the revenue limit established under section 26 of article IX of the state constitution of 1963 by less than 1%, the appropriations contained in section 212 and section 212 of 1999 PA 124 shall be considered a deposit into the countercyclical budget and economic stabilization fund pursuant to the provisions of section 26 of article IX of the state constitution of 1963.

Appropriations contained in countercyclical budget and economic stabilization fund; transfer to general fund.

Sec. 214. If total state revenues for the fiscal year ending September 30, 2000 have exceeded the revenue limit established under section 26 of article IX of the state constitution of 1963 by 1% or more, the appropriations contained in section 212 and section 212 of 1999 PA 124 to the countercyclical budget and economic stabilization fund are appropriated and transferred back to the general fund. This transfer shall occur before the final book closing for the fiscal year ending September 30, 2000 is completed.

AGRICULTURE

Regulatory enhancements and race horse drug testing-fairs; report on distribution.

Sec. 301. The department of agriculture shall provide to the senate and house of representatives appropriation committees and the fiscal agencies a report of the distribution of funds in part 1 for regulatory enhancements and race horse drug testing-fairs line items. This report shall be transmitted not later than October 15, 2000.

Dollars wagered and breaks money from each pari-mutuel track; report.

Sec. 302. (1) The office of racing commissioner shall provide a report that details the total dollars wagered and the breaks money from each of the 8 pari-mutuel tracks to each of the following:

- (a) Each municipality where the pari-mutuel tracks are located.
- (b) The senate and house of representatives appropriations committees.
- (c) The fiscal agencies.
- (2) The report described in subsection (1) shall be transmitted to the entities described in subsection (1) not later than October 15, 2000.

Food safety and quality assurance; allocation to provide system.

Sec. 303. Of the funds appropriated for food safety and quality assurance, the department shall allocate funding to provide a system that will provide the following:

- (a) Establish inspection priorities based upon current risk knowledge.
- (b) Provide for automatic data capture and uploading at the field level, eliminating the need for duplicative data entry.
 - (c) Provide for automatic information retrieval at the field and regional office levels.
- (d) Provide a centralized complaint reporting and tracking system that will be phased in as funding becomes available.
 - (e) Provide web-based information for consumer access.
 - (f) Provide critical enforcement data for oversight and uniformity.

Agricultural value initiatives; expenditure for local grant promotions.

Sec. 304. Of the funds appropriated in part 1 for agriculture development initiatives, the department shall expend funds for local grant promotions for agricultural value initiatives. These funds shall not be expended until legislation is enacted to create the uncollectable allowance recovery fund and prescribe the uses of the fund.

CAPITAL OUTLAY

Projects requiring authorization by JCOS.

Sec. 401. (1) A university or community college shall not enter into a contract for new construction of a nonstate-funded project estimated to cost more than \$1,000,000.00 unless the project is authorized by the joint capital outlay subcommittee (JCOS). The request for legislative authorization shall be initially submitted for review to the JCOS and the department. A nonstate-funded project request shall include a complete use and financing statement as defined by a policy adopted by the JCOS. The use and financing statement

for a nonstate-funded project shall contain the estimated total construction cost and all associated estimated operating costs including a statement of anticipated project revenues. As used in this section, "new construction" includes land or property acquisition, remodeling, additions, and maintenance projects.

- (2) A project that is constructed in violation of this section shall not receive state appropriations for purposes of operating the project, or support for future infrastructure enhancements that are necessitated, in part or in total, by construction of the project.
- (3) A state agency, including the department of military and veterans affairs, shall not enter into a contract, including those for a direct federally-funded capital outlay construction or major maintenance or remodeling project if the total project is estimated to cost more than \$1,000,000.00 and is to be constructed on state-owned lands, unless the project is approved by the department and by the JCOS. For projects over \$1,000,000.00, the state agency shall submit a use and finance statement as required for community colleges and universities in subsection (1). As used in this subsection, "direct federally-funded" refers to a project for which federal payments are made directly to the construction vendor and not to the state of Michigan.
- (4) A public body corporate created under section 28 of article VII of the state constitution of 1963 and the urban cooperation act of 1967, 1967 (Ex Sess) PA 7, MCL 124.501 to 124.512, by a contractual interlocal agreement between local participating economic development corporations formed under the economic development corporations act, 1974 PA 338, MCL 125.1601 to 125.1636, and the Michigan strategic fund shall not let a contract for new construction estimated to cost more than \$1,000,000.00 unless the project is authorized by the JCOS through the approval of a use and financing statement. For purposes of this subsection, the use and financing statement for a project shall contain the estimated total construction cost and all associated estimated operating costs. As used in this subsection, "new construction" means land or property acquisition, remodeling or additions, lease or lease purchase, and maintenance projects for the corporate office of the public body corporate described in this subsection.

- (2) Funds shall not be distributed to a public broadcasting entity described in subsection (1), unless that public broadcasting entity agrees to prohibit all of the following:
- (a) The rental, sale, or exchange of the name or other personally identifiable information of a contributor or a donor to any federal, state, or local candidate, political party, independent, or political committee.
- (b) The disclosure of the name or other personally identifiable information of a contributor or donor to any nonaffiliated third party unless:
- (i) The public broadcasting entity clearly and conspicuously discloses to the contributor or donor that such information may be disclosed to a nonaffiliated third party.
- (ii) The contributor or donor is given the opportunity, before disclosure of the information, to direct that personally identifiable information not be disclosed to a nonaffiliated third party.
- (iii) The contributor or donor is provided an explanation of how the contributor or donor may exercise the nondisclosure option described in subsection (ii).
- (3) Upon conversion to digital technology, public television stations shall provide the state of Michigan with a daytime television channel for educational and governmental use statewide.

Agreements between department of natural resources and local units of government; administration of grants.

Sec. 407. The department of natural resources shall enter into agreements with local units of government for the purpose of administering the grants identified in part 1. Among other provisions, the agreements shall require that grant recipients agree to dedicate to public outdoor recreation uses, in perpetuity, the land acquired or developed; to replace lands converted or lost to other than public outdoor recreation use; and for parcels acquired over 5 acres, to either convey to the state any mineral interests acquired by the grant recipient with an exception allowed for a share of the mineral interests acquired, which share is based on the portion of the fair market value of the property that

 $[\]textbf{Compiler's note:} \ \ \textbf{The shaded text was vetoed by the Governor, whose veto message appears in this volume under the heading "Vetoes."}$

was provided by the local cash contribution of the grant recipient, or provide the state with a nonparticipating 1/6 minimum royalty interest in any acquired minerals that are retained by the grant recipient. The agreements shall also provide that the full payments of grants can be made only after proof of acquisition, or completion of the development project, is submitted by the grant recipient and all costs are verified by the department of natural resources.

Federal or other funds; availability; use to meet matching requirements.

Sec. 408. The department of natural resources shall take steps necessary to make available federal or other funds that may become available for the purpose for which natural resources trust fund appropriations are made in part 1, and to use any or all of the appropriations to meet matching requirements which are determined to be in the best interest of the state.

Unobligated or unexpended balance; reversion.

Sec. 409. Any unobligated balance in any natural resources trust fund appropriation made under part 1 shall not revert to the fund from which appropriated at the close of the fiscal year, but shall continue until the purpose for which it was appropriated is completed for a period not to exceed 3 fiscal years. The unexpended balance of any natural resources trust fund appropriation made in part 1 remaining after the purpose for which it was appropriated is completed shall revert to the Michigan natural resources trust fund and be made available for appropriation.

Acquisition of property; demonstration of clear recreational advantage.

Sec. 410. If a person or organization has acquired an option on a parcel of property prior to final determination by the department of natural resources and the Michigan natural resources trust fund board, the property shall not be considered for acquisition unless the department and board can demonstrate that a clear recreational advantage exists in obtaining the parcel of property for the people of the state at a reasonable fair market value.

Grants-in-aid to local units of government.

Sec. 411. As required by section 1903(3) of the natural resources and environmental protection act, 1994 PA 451, MCL 324.1903, the grants-in-aid to local units of government shall be awarded pursuant to this act.

Correctional facility projects; adjustments.

Sec. 413. The following project costs/financing are adjusted as indicated for correctional facility projects authorized by 1998 PA 273:

- (a) For Cooper street correctional facility the total project cost is increased from \$7,100,000.00 to \$8,200,000.00. The state building authority share remains \$5,000,000.00; the state general fund share remains \$120,000.00; and the federal funds share is increased from \$1,980,000.00 to \$3,080,000.00.
- (b) For camp Pugsley correctional facility the total project cost is reduced from \$28,000,000.00 to \$26,900,000.00; the state building authority share is reduced from \$27,720,000.00 to \$26,620,000.00; and the state general fund share remains \$280,000.00.
- (c) For the new level IV correctional facility at Ionia, the total project cost remains \$80,500,000.00. The state building authority share is increased from \$33,479,900.00 to \$34,579,900.00; the state general fund share remains \$100.00; and the federal funds share is reduced from \$47,020,000.00 to \$45,920,000.00.

Building demolition.

Sec. 413a. (1) Funds appropriated in section 103(3) for building demolition shall be used to demolish state-owned, tax-reverted properties. The director may provide that tax-reverted properties be demolished or may coordinate rehabilitation efforts when it is determined to be in the best interest of the state due to health and public safety concerns or major disrepair.

(2) Funds appropriated in this section may be used to cover all costs associated with demolition, including, but not limited to, environmental studies, abatement, and excavation, as well as necessary and reasonable administrative costs related to project management.

Michigan iron industry museum in Negaunee; expansion as work project; purpose; lapse.

Sec. 413b. (1) From the funds appropriated in part 1, to the department of state for the iron ore museum, the department of state shall undertake a work project and make expenditures up to \$500,000.00 to expand the Michigan iron industry museum in Negaunee.

- (2) The purpose of this work project is to expand the exhibit space at the museum for artifact protection, additional exhibit displays, and public programming, especially for school-age children. The department of state shall accomplish its construction objective by using standard state procurement procedures and performance billings and payments. The estimated completion cost to be incurred by the department of state is \$500,000.00, and the anticipated completion date is September 30, 2004.
- (3) The funding appropriated for this work project shall not lapse at the end of the fiscal year but shall continue to be available for expenditure until the project is completed or the funding is depleted, whichever occurs first.

Kalamazoo aviation history museum; selection as project site.

Sec. 413c. The funds appropriated in part 1 for the Kalamazoo aviation history museum shall only be expended if Michigan is selected as the project site.

DEPARTMENT OF COMMUNITY HEALTH

Child car seat safety grant program; purpose.

Sec. 414. From the funds appropriated in part 1 for public health traffic safety coordination, \$300,000.00 shall be allocated for a child car seat safety grant program for the purpose of providing grants for training, promotion, and education concerning the child restraint system use requirements established in sections 710d and 710e of the Michigan vehicle code, 1949 PA 300, MCL 257.710d and 257.710e.

EXECUTIVE OFFICE

Publication and distribution costs under §§ 24.255, 24.257, 24.258, 24.259, and 4.1203.

Sec. 415. Funds collected by the executive office under sections 55, 57, 58, and 59 of the administrative procedures act of 1969, 1969 PA 306, MCL 24.255, 24.257, 24.258, and 24.259, and section 203 of the legislative council act, 1986 PA 268, MCL 4.1203, are appropriated for all expenses necessary to provide for the costs of publication and distribution. The funds

appropriated under this section are allotted for expenditure when they are received by the department of treasury and shall not lapse to the general fund at the end of the fiscal year.

DEPARTMENT OF ENVIRONMENTAL QUALITY

River debris cleanup projects.

Sec. 416. The appropriation in part 1 for the volunteer river, stream, and creek cleanup program shall be granted for river debris cleanup projects conducted in the year 2000. The local matching requirement in section 8802(4) of the natural resources and environmental protection act, 1994 PA 451, MCL 324.8802, may be satisfied by local contributions, landfill fee credits, and donated equipment.

FAMILY INDEPENDENCE AGENCY

Needy families' maintenance of effort countable expenditures; realignment of financing sources.

Sec. 417. The family independence agency, with the approval of the state budget director, is authorized to realign sources of financing authorizations in 1999 PA 135 in order to maximize temporary assistance for needy families' maintenance of effort countable expenditures. This realignment of financing shall not be made until 30 days after notifying the chairs of the house and senate appropriations subcommittees on the family independence agency budget and house and senate fiscal agencies, and shall not produce an increase or decrease in any line-item expenditure authorization.

Title IV-D related child support collections; adjustment of financing sources if amount escheated.

Sec. 418. If title IV-D related child support collections are escheated, the state budget director is authorized to adjust the sources of financing in the legal support contracts line item to reduce federal authorization by 66% of the escheated amount and increase general fund/general purpose authorization by the same amount. As used in this section, "Title IV-D" means part D of title IV of the social security act, chapter 531, 49 Stat. 620, 42 U.S.C. 651 to 655, 656 to 660, and 663 to 669b.

Sec. 421. The audit conducted by the legislative auditor general pursuant to section 53 of article IV of the state constitution of 1963 shall include a review of trial court improvement projects.

Implementation of commercial motor vehicle legislation; use for trial court costs.

Sec. 422. The funds appropriated in part 1 for the implementation of commercial motor vehicle legislation shall be used only for trial court costs associated with implementing 1 or more of the following:

(a) 2000 PA 93.

- (b) 2000 PA 94.
- (c) 2000 PA 95.
- (d) 2000 PA 96.
- (e) 2000 PA 97.
- (f) 2000 PA 98.

LEGISLATURE

Census tracking/reapportionment; availability of unexpended funds.

Sec. 425. Any unexpended funds appropriated in part 1 to the senate and house of representatives for census tracking/reapportionment shall not lapse to the general fund at the close of the fiscal year and shall remain available in succeeding fiscal years for the purpose for which they were appropriated.

MANAGEMENT AND BUDGET

Jesse Besser museum in Alpena; grant award.

Sec. 429. Of the funds appropriated in part 1 for arts and cultural grants, the department of management and budget shall award a grant of \$500,000.00 to the Jesse Besser museum in Alpena.

MICHIGAN STRATEGIC FUND

Michigan core communities fund; awards; notification; use; form of funding; administrative responsibility; award process; work project; application periods; notice to legislature; prohibited purposes; report; definition.

Sec. 430. (1) The funding appropriated in part 1 for the Michigan core communities fund will be used to create an urban revitalization infrastructure program in the Michigan strategic fund for economic development awards to create new jobs or contribute to redevelopment and encourage private investment in core communities.

- (2) Awards will be provided to qualified local governmental units as defined in the obsolete property rehabilitation act, 2000 PA 146, or certified technology parks, as defined in the local development financing act, 1986 PA 281, MCL 125.2151 to 125.2174. All qualified local governmental units and certified technology parks will be notified of the Michigan core communities fund within 15 days of the effective date of this act.
- (3) Awards can be used only for land and property acquisition and assembly, demolition, site development, utility modifications and improvements, street and road improvements, telecommunication infrastructure, site location and relocation, infrastructure improvements, and costs related to any of these, at the discretion of the Michigan economic development corporation.

- (4) Funding may be provided in the form of loans, grants, sales or cash flow participation agreements, guarantees, or any combination of these. A cash match of at least 10%, or local repayment guarantee with a dedicated funding source, is required. Priority shall be given to projects which are integrated with existing economic development programs, and to projects in proportion to the amount that local matching rates exceed 10%.
- (5) The Michigan economic development corporation shall have all administrative responsibility for the Michigan core communities fund and shall establish application and application scoring criteria and approve awards. The Michigan economic development corporation may utilize up to 1/2 of 1% of the fund for administrative purposes.
- (6) Funds will be awarded through an open competitive process based on criteria including the following: project impact, project marketability, lack of adequate infrastructure or land assembly financing sources, local administrative capacity, and the level of local matching funds. Awardees shall agree to expedite the local development process, such as fast-track permitting procedures, streamlined regulatory requirements, standardized construction and building codes, and the use of competitive construction permitting fees.
- (7) The appropriation of the Michigan core communities fund is a work project appropriation and any unencumbered or unallotted funds are carried forward into the following fiscal year. The following is in compliance with section 451a(1) of the management and budget act, 1984 PA 431, MCL 18.1451a:
- (a) The purpose of the project to be carried out is to provide awards to qualified local governmental units and certified technology parks for local economic development projects as defined by this section.
 - (b) The project will be accomplished through contracts.
 - (c) The total estimated cost of all awards is identified in the line-item appropriation.
 - (d) The tentative completion date is September 30, 2005.
- (8) Funds will be awarded as part of 4 separate application periods. Deadlines for submitting applications for each of the 4 periods will be no later than September 1, 2000, January 1, 2001, April 1, 2001, and July 1, 2001. Awards for each of the application periods will be made on a quarterly basis.
- (9) Not more than \$12,500,000.00 will be awarded per application period, and no single project shall be awarded more than \$10,000,000.00.
- (10) Fifteen days prior to award of the funds, notification shall be provided to the speaker of the house of representatives, the senate majority leader, the members of the house and senate appropriations committees, and the house and senate fiscal agencies.
 - (11) Funds shall not be awarded for any of the following purposes:
- (a) Land sited for use as, or support for, a gaming facility or as a stadium or arena for use by a professional sports team.
- (b) Land or other facilities owned or operated by a gaming facility or by a stadium or arena for use by a professional sports team.
- (c) Publicly owned land or facilities which may directly or indirectly support a gaming facility or a stadium or arena by a professional sports team.
- (12) By December 31 of each year that the Michigan core communities fund continues in operation, the Michigan economic development corporation shall submit to the chairs of the appropriations committees in the house of representatives and senate a report detailing the awards made.
- (13) As used in this section, "Michigan economic development corporation" means the public body corporate created under section 28 of article VII of the state constitution of

1963 and the urban cooperation act of 1967, 1967 (Ex Sess) PA 7, MCL 124.501 to 124.512, by a contractual interlocal agreement effective April 5, 1999 between local participating economic development corporations formed under the economic development corporations act, 1974 PA 338, MCL 125.1601 to 125.1636, and the Michigan strategic fund. If the Michigan economic development corporation is unable for any reason to perform its duties under this act, the Michigan strategic fund may exercise those duties.

MILITARY AFFAIRS

Vietnam veterans memorial.

Sec. 450. The appropriation in part 1 for the Vietnam veterans memorial shall be expended for construction and related professional design services upon certification that donations and other funds have been secured sufficient to meet total project costs, and after department of management and budget approval of final design specifications and site.

DEPARTMENT OF NATURAL RESOURCES

Local recreation grants; allocation and award.

Sec. 501. The appropriation in part 1 for local recreation grants shall be allocated and awarded in accordance with part 716 of the natural resources and environmental protection act, 1994 PA 451, MCL 324.71601 to 324.71607.

Capital improvement projects.

Sec. 502. The unexpended portion of the appropriation in part 1 for the department of natural resources for local recreation grants is considered a work project appropriation. The purpose of this appropriation is to provide grants to local governmental units for local recreation capital improvement projects. Capital improvement projects include the construction, expansion, development, or rehabilitation of recreational facilities. The estimated completion date for these grant projects is September 30, 2004.

Federal land and water conservation fund payments; work project.

Sec. 503. The appropriation contained in part 1 for federal land and water conservation fund payments shall be considered a work project pursuant to section 451a of the management and budget act, 1984 PA 431, MCL 18.1451a. The projects will be accomplished by the use of department personnel and contracting with private consultants with estimated completion dates of September 30, 2004.

Snowmobile local grants program and snowmobile law enforcement grants.

Sec. 504. The appropriation contained in part 1 for the snowmobile local grants program and snowmobile law enforcement grants shall be considered work projects pursuant to section 451a of the management and budget act, 1984 PA 431, MCL 18.1451a. The projects will be accomplished by the use of department personnel and contracting with private consultants with estimated completion dates of September 30, 2001.

Patrol cars used by conservation officers; purchase and installation of computers.

Sec. 505. The appropriation contained in part 1 for general law enforcement is to be used to purchase and install computers in the patrol cars used by conservation officers. The department of natural resources shall not use these funds for any other purpose and shall make every effort to complete the purchase and installation of these computers in a timely manner.

Great Lakes fishing settlement and gill net removal.

Sec. 506. (1) The appropriation in part 1 for the Great Lakes fishing settlement and gill net removal shall be expended in accordance with the terms of a settlement agreement to which the state is a party to be entered in the case of <u>United States</u> v <u>Michigan</u>, No. 2:73-cv-26 (WD Mich).

- (2) The appropriation in part 1 for the Great Lakes fishing settlement and gill net removal shall not be released by the department of management and budget until the settlement agreement described in subsection (1) is adopted, entered, or issued by the federal court. In the event that no settlement agreement to which the state of Michigan is a party is filed on or before August 11, 2000, the funds appropriated in part 1 for the Great Lakes fishing settlement and gill net removal shall revert to the general fund and be made available for appropriation.
- (3) In the event that the settlement agreement described in subsection (1) does not provide that, subject to a congressional appropriation, the department of interior will provide a minimum of \$7,500,000.00, the funds appropriated in part 1 for the Great Lakes fishing settlement and gill net removal shall revert to the general fund and be made available for appropriation.
- (4) In the event that the settlement agreement described in subsection (1) does not provide that, for the life of the agreement, there shall be no commercial use of large mesh gill nets in waters south of the 45th parallel and west of the Leelanau peninsula, the funds appropriated in part 1 for the Great Lakes fishing settlement and gill net removal shall revert to the general fund and be made available for appropriation.
- (5) Of the funds appropriated in part 1 for the Great Lakes fishing settlement and gill net removal, \$1,000,000.00 shall be used by the department of natural resources for fisheries enforcement and assessment activities, including the purchase of necessary vessels and equipment.
- (6) The department of natural resources shall submit an annual report beginning September 30, 2001 to the speaker of the house of representatives, the senate majority leader, and the governor on the status of the enforcement and implementation of the settlement agreement described in subsection (1).

DEPARTMENT OF STATE

Michigan historical center foundation challenge grant.

Sec. 551. The \$100,000.00 appropriated in part 1 to the department of state, for the Michigan historical center foundation challenge grant, is contingent upon the foundation providing a dollar for dollar cash match.

STATE POLICE

Infrastructure damage and road repair; reimbursement to city of Gaylord.

Sec. 575. Of the funds appropriated in section 121(4) for grants to local government, \$197,000.00 shall be distributed to the city of Gaylord to reimburse the cost of infrastructure damage and road repair caused by a high-wind natural disaster.

Applicant for child care license or registration; criminal history background check.

Sec. 576. The funds appropriated in section 121 for the central records division shall be expended for the purposes of conducting criminal history background checks on persons applying through the department of consumer and industry services for a license or certificate of registration to operate a child care organization under section 1(e), (f)(iii), or (f)(iv) of 1973 PA 116, MCL 722.111, and persons applying through the family independence agency to become an enrolled day care aide or an enrolled relative care provider.

Firearms safety and awareness; gun safety curriculum.

Sec. 577. The funds appropriated in section 121 for firearms safety and awareness shall be expended by the department of state police, in collaboration with the Michigan state university school of criminal justice, to develop a curriculum for K-12 students on gun awareness and safety and to train 400 police officers to deliver the curriculum to schoolage youth. The gun safety curriculum shall include teaching children to prevent gun accidents by instructing them to "stop, don't touch, leave the area, and tell an adult" should a child encounter a gun. The curriculum shall not include instruction on how to use a gun.

Firearm safety device grants.

Sec. 578. (1) The funds appropriated in section 121 for firearm safety device grants to locals shall be expended to provide local units with firearm safety devices for distribution to persons residing in the grantees' respective communities. The department of state police shall establish guidelines for the distribution of firearm safety devices to local units for their distribution to firearm owners.

(2) The state shall not be liable for any injury resulting from the use of the safety device, or any injury or death resulting from the discharge of a firearm equipped with a safety device provided under this act.

Project exile coordinating commission.

Sec. 579. The funds appropriated in section 121 for the project exile coordinating commission shall be expended to provide information, training, and technical assistance to law enforcement and prosecution, to coordinate criminal prosecutions under firearms laws of this state and federal law and penalties under those laws, and to provide funding to law enforcement agencies and prosecutors in the form of grants and loans for these stated purposes. Funds may be expended to hire a sufficient number of prosecutors and support staff as deemed necessary by the commission to fulfill the purposes of the commission. Funds may be expended on programs to inform the public of the commission and its duties.

New criminal justice information technology initiatives.

Sec. 580. Expenditures for new criminal justice information technology initiatives, from the funds appropriated for law enforcement information technology project in part 1, shall be consistent with the standards and guidelines of the criminal justice information systems policy council for integrated and inter-operable criminal justice information systems.

DEPARTMENT OF TRANSPORTATION

Rail infrastructure loan program.

Sec. 601. From the funds appropriated in part 1 of 1999 PA 136, \$2,000,000.00 is allocated for a rail infrastructure loan program. The program shall provide noninterest bearing loans for rail infrastructure improvements. The department shall evaluate loan applications according to the relative merit of the project in conjunction with program goals. The transportation commission shall approve the loans. The loans shall fund not less than 90% of the rail portion of project costs, and the loan repayment period shall not exceed 10 years. Local governments, railroads, and current or potential users of freight railroad services are eligible applicants. At the end of the fiscal year, unexpended funds shall remain in the rail infrastructure loan program and shall be available to be allocated for the purposes of the program in the succeeding fiscal year. Money that is received by this state as repayment for rail infrastructure loans made pursuant to this program shall remain within the rail infrastructure loan program and shall be allocated for the purposes of the program. The state's total contribution to the rail infrastructure loan program shall not exceed \$15,000,000.00.

Build Michigan III program.

Sec. 602. (1) There is appropriated \$100,000,000.00 from the state trunkline fund for the build Michigan III program.

- (2) If the transfer of funds authorized in section 358 of Senate Bill No. 1275 of the 90th Legislature is less than \$62,900,000.00, the appropriation in subsection (1) for the build Michigan III program shall be reduced by the same amount the transfer is less than \$62,900,000.00.
- (3) Funds from the countercyclical budget and economic stabilization fund deposited in the state trunkline fund and intended for the build Michigan III program shall not lapse at the close of the fiscal year, and shall remain in the state trunkline fund and shall carry forward and be available for appropriation for debt service payments, maintenance, and construction costs associated with the build Michigan III program.

Build Michigan III projects; approval; report.

Sec. 603. It is the intent of the legislature to review, prior to beginning construction, all build Michigan III projects approved by the department to be funded with state transportation revenues. No later than October 31, 2000, the department shall report to the senate and house of representatives appropriations subcommittees on transportation and the senate and house fiscal agencies the following information regarding those build Michigan III projects approved by the department to be funded, in whole or in part, from state transportation revenues:

- (a) Project description.
- (b) Total project costs.
- (c) The amount of total project costs funded from state transportation revenues.
- (d) The amount of local match, if any.
- (e) The life-cycle cost analysis required under section 1h of 1951 PA 51, MCL 247.651h.

DEPARTMENT OF TREASURY

Write-offs and advances; amount.

Sec. 701. There is appropriated for write-offs and advances an amount equal to total write-offs and advances for the local government programs, but not to exceed current year authorizations that would otherwise lapse to the general fund.

Special census revenue sharing payments.

Sec. 702. The appropriation contained in part 1 for special census revenue sharing payments is to make special census revenue sharing payments to eligible cities, villages, and townships pursuant to the Glenn Steil state revenue sharing act of 1971, 1971 PA 140, MCL 141.901 to 141.921. The department of treasury shall transmit special census revenue sharing payments to eligible cities, villages, and townships by July 31, 2000. These payments shall be made to cities, villages, and townships that were certified to be eligible by June 30, 1997. The payments shall reflect the amount of special census revenue sharing payments each eligible city, village, and township would have received in the fiscal year ending June 30, 2000.

Supplemental revenue sharing payments-counties.

Sec. 703. The appropriation in part 1 for supplemental revenue sharing payments-counties will be distributed to counties whose 2000 population according to the United States bureau of the census is less than the counties 1990 population according to the United States bureau of the census. Each county that experiences this population decline shall be eligible to receive a supplemental payment equal to the difference between the amount of fiscal year 2000-2001 total revenue sharing payments the county would have received utilizing their 1990 population and the amount of revenue sharing payments the county received in fiscal year 2000-2001 pursuant to the Glenn Steil state revenue sharing act of 1971, 1971 PA 140, MCL 141.901 to 141.921. The department of treasury shall reduce these supplemental payments proportionally if the amount appropriated in part 1 is insufficient to fully fund these payments. The supplemental payments to eligible counties shall be distributed by September 30, 2001.
